

SUMMA THEOLOGIAE PRIMA PARS

with the Commentary of Cardinal Cajetan

Volume 1: The One God, QQ 1–26

Thomas Aquinas and Thomas de Vio Cajetan

Translated by William H. Marshner

Summa Theologiae The Passion Of Christ

Jiyuan Zhang

Summa Theologiae The Passion Of Christ:

Summa Theologiae: Volume 54, The Passion of Christ Richard T. A. Murphy, 2006-10-26 Paperback reissue of one volume of the English Dominicans Latin English edition of Thomas Aquinas *Summa Theologiae* *St Thomas Aquinas Summa theologiae* Thomas Aquinas (svetnik.), 1965 *Summa Theologiae* Thomas Aquinas, 1965 *The "Summa Theologica" of St. Thomas Aquinas ...* Saint Thomas (Aquinas), 1913 *Summa Theologiae* Thomas Aquinas, 1965

Aquinas on Israel and the Church Matthew A Tapie, 2015-02-26 Theologians have long debated the significance of the Jewish religion for the Christian Church Some scholars see Thomas Aquinas as the leading advocate of the belief that Israel has been superceded by the Church while others hold that Aquinas avoids supersessionism altogether The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas s commentaries on Paul s letters his writings most relevant to the subject Drawing upon the Pauline commentaries Matthew Tapie shows that while Aquinas s most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete Aquinas also advanced views that set this into question in ways that support Christian teachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism

Hell's Destruction Catherine Ella Laufer, 2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ s descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ s descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ s descent means that he is truly hell s destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith

Gemstone of Paradise S. J. G. Ronald Murphy, 2010-07-27 The story of the Holy Grail has gripped the imaginations of millions since it first appeared in medieval romances among them Wolfram von Eschenbach s Middle High German *Parzival* c 1210 Strangely the Grail is identified in *Parzival* not as a cup or dish but as a stone This oddity is usually interpreted merely as further evidence of the difficulty of discerning the true sources of the Grail legend G Ronald Murphy seeks to illuminate this mystery and to enable a far better appreciation of Wolfram s insight into the nature of the Grail and its relationship to the Crusades Wolfram s sacred stone was in fact a consecrated altar precious by virtue of the sacrament

but also Murphy argues by virtue of the material from which it was made a precious green stone associated with the rivers of Paradise Parzival Murphy believes was intended as an argument against continued efforts by Latin Christians to recover the Sepulchre by force In Wolfram s story warring Christians and Muslims are brought together in peace by the power of the Grail a stone Murphy believes still exists An entirely original reading of Wolfram s famous text this engrossing and accessible book appeals not only to scholars and students of medieval literature but to anyone who is drawn to the lasting mystery of the Holy Grail

Mary for Evangelicals Tim Perry, 2006-10-18 With his feet planted firmly in the evangelical tradition Tim Perry began to think that there must be more to Mary than generally meets the evangelical eye Should we maintain that two thousand years of Christian thought on Mary is almost wholly wrong How could the mother of our Lord simply by virtue of the fact that she was God s chosen means of the incarnation not deserve more serious theological reflection And where might this lead Beginning with Scripture Perry probes the texts and traces the lengthy development of Christian thinking and practice related to Mary Finally he concludes with a constructive and even surprising theological proposal for an evangelical Mariology that is rooted in and demanded by a high Christology This book addresses the increasing evangelical interest in Mary and contributes to the current discussion of Mariology in evangelical Roman Catholic dialogue Sure to be discussed and debated this is a book that will leave readers in a different place from where they began Market Audience Students and professors of theology Pastors Catholic readers Endorsements From the fathers to the feminists Tim Perry surveys the history of Marian traditions and comes to some conclusions that are bound to prod and provoke This is an important study that deserves serious consideration Timothy George dean Beeson Divinity School Samford University and executive editor Christianity Today Features and Benefits Examines what we know of Mary from the New Testament Explores the development of Mariology in the patristic period Surveys Mariology in medieval and Reformation periods and on into the nineteenth and twentieth centuries Offers a constructive theological proposal for an evangelical understanding of Mary rooted in Christology

Compendium of Saint Thomas's Theology [as Contained in His "Summa Theologica"]. In English. By E. O'Donnell Saint Thomas (Aquinas), 1859 *The "Summa Theologica" of St. Thomas Aquinas ...: qq. 27-59* Saint Thomas (Aquinas), 1914 **The "Summa Theologica" of St. Thomas Aquinas: Pt. III. First number (QQ.**

I.-XXVI.) Saint Thomas (Aquinas), 1913 **Salvation Through Temptation** Benjamin E. Heidgerken, 2021-06-04 Salvation through Temptation describes the development of predominant Greek and Latin Christian conceptions of temptation and of the work of Christ to heal and restore humankind in the context of that temptation focusing on Maximus the Confessor and Thomas Aquinas as well developed examples of Greek and Latin thought on these matters Maximus and Thomas represent two trajectories concerning the woundedness of human emotionality in the wake of the primordial human sin Heidgerken argues that Maximus stands in essential continuity with earlier Greek ascetic theology which conceives of the weakness of fallen humankind in demonological categories so that the Pauline law of sin is bound to external demonic agents that act

upon the human mind through thoughts desires and sensory impressions For Thomas on the other hand this wound consists primarily of an internal disordering of the faculties that results from the withdrawal of original grace concupiscence or the fomes peccati Yet even in this framework the devil plays a significant role in Thomas s account of postlapsarian temptation On the basis of these differing frameworks for human temptation Heidgerken demonstrates the centrality of Christ s exemplarity in the Greek account and the centrality of Christ s moral perfections in the Latin account As a consequence of these emphases the Greek tradition of Maximus places distinct limits on the ability of human emotionality even that of Christ to be perfected in this life whereas Thomas s approach allows Christ to completely embody a perfected form of human emotionality in his earthly life Reciprocally Thomas s account of Christ s moral perfections and virtue places distinct limits on his affirmation of Christ s experience of postlapsarian temptation whereas Maximus s account allows for Christ to experience interior forms of temptation that more closely mirror the concrete moral experiences and circumstances of fallen human beings Salvation through Temptation recommends a retrieval of early ascetic theology and demonology as the best contemporary systematic and ecumenically viable approach to Christ s temptation and victory over the devil

The Christian Theology Reader Alister E. McGrath, 2016-08-04 Regarded as the leading text in Christian theology for the last 25 years Alister E McGrath s *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content Brings together more than 350 readings from over 200 sources that chart 2 000 years of Christian history Situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions Includes new readings on world Christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world Contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning Designed to function as a stand alone volume or as a companion to *Christian Theology An Introduction* 6th edition for a complete overview of the subject

The Human Person and a Culture of Freedom Peter A. Pagan Aguiar, Terese Auer, 2009 Collection of essays on the metaphysical underpinnings of intellectual and individual freedom within a civic political order or cultural milieu Provided by publisher

Summa Theologiae Saint Thomas (Aquinas), Richard T. A. Murphy, 1965

An Aquinas Reader Mary T. Clark, 2024-10-22 Available in a new digital edition with reflowable text suitable for e readers This new edition of *An Aquinas Reader* contains in one closely knit volume representative selections that reflect every aspect of Aquinas s philosophy Divided into three section Reality God and Man this anthology offers an unrivaled perspective of the full scope and rich variety of Aquinas s thought It provides the general reader with an overall survey of one of the most outstanding thinks or all time and reveals the major influence he has had on many of the world s greatest thinkers This revised third edition of Clark s perennial still has all of the exceptional qualities that made *An Aquinas Reader* a classic but contains a new introduction improved format and an updated bibliography

Summa Theologiae:

The passion of Christ Saint Thomas (Aquinas),1964 **Aquinas on Doctrine:** Thomas Gerard Weinandy,Daniel Keating,John Yocum,2004-02-01 This book provides a critical study of the main Christian doctrines as understood and explained by Thomas Aquinas The whole Thomistic revival of the last century focused almost exclusively on Aquinas as the Christian philosopher Thus books and articles developed his understanding of being his epistemology natural theology etc However little has been done even to this day by way of examining Aquinas teaching on the major Christian doctrines This book of essays by an international team of recognised scholars will help fill this gap Such a book will be indispensable in every theological library **The Redemption** Bernard Lonergan,2018-11-30 Thematically focused on the theology of redemption or what is called in theology soteriology each of the two sections of The Redemption addresses biblical literature and significant moments in the history of Christian theology and especially the work of Anselm of Canterbury The second part of the book presents a significant treatment of the problem of good and evil and introduces the important category of cultural evil Most significant from the standpoint of Lonergan s original contribution is the treatment accorded in both Part 1 and Part 2 to what he calls the just and mysterious law of the cross The treatment of biblical literature contains a valuable distinction between redemption as end and redemption as medium Beginning with theses 15 17 from Lonergan s Collected Works The Incarnate Word this volume also includes rare and never before published texts originally written in the late 1950s
