The "Summa Theologica" Of St. Thomas Aquinas, Vol. 2 Thomas Aquinas, 2016-10-01 Excerpt from The Summa Theologica Of St Thomas Aguinas Vol 2 Second Part Qq Ci CXL On the contrary Tully says de Inv Rhet Ii that it is by piety that we do our duty towards our kindred and well wishers of our country and render them faithful service I answer that Man becomes a debtor to other men in various ways according to their various excellence and the various benefits received from them On both counts God holds first place for He is supremely excellent and is for us the first principle of being and government In the second place the principles of our being and government are our parents and our country that have given us birth and nourishment Consequently man is debtor chie y to his parents and his country after God Wherefore just as it belongs to religion to give worship to God so does it belong to piety in the second place to give worship to one s parents and one s country. The worship due to our parents includes the worship given to all our kindred since our kinsfolk are those who descend from the same parents according to the Philosopher ethic The worship given to our country includes homage to all our fellow citizens and to all the friends of our country Therefore piety extends chie y to these Reply Obj I The greater includes the lesser wherefore the worship due to God includes the worship due to our parents as a particular Hence it is written malach I If I be a father where is lily honour P Consequently the term piety extends also to the divine worship About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Summa Theologica of Saint Thomas Aquinas, Vol. 2 Saint Thomas (Aquinas), 1952
