Summer Has No Name:

A Girl with No Name Joe Lovato, 2019-05-23 This story follows a girl from kindergarten to college Nurturing seeds planted in the early days of memory help her through the hardships to come The human condition is universal and how we react to the trials of life are what makes us different Fear pain and love all combine to produce the person we become Like most of us she was plagued by the bad and blessed by the good Her life was marked by the limits of both Innocence is the hallmark of the young and the anchor of a life well lived Although they are all fictional characters tend to take on their own lives and you follow them wherever they go Locations were fairly accurate The dogs were real and happy to contribute Writing mirrors the real world and melds with imagination to try to create someone with whom we can empathize In the end the muse had her way

The Path Has No Name Annette Kaiser, 2005-04 The Path Has No Name is the fascinating description of the search for an authentic spiritual life The longing to be able to live a spiritual life while being in the world having a career and raising two children was fulfilled for Annette Kaiser after her encounter with Sufi teacher Irina Tweedie Annette Kaiser demonstrates that the Sufi path as a path of love does not demand avoidance of the world but rather an active presence in the middle of it that this path is not about philosophy or religion but rather a way of life that can lead us to our essential nature
