### **Summer House Later A About The Mom:**

The Summer House Hannah McKinnon, 2017-06-06 Flossy Merrill has managed to somewhat begrudgingly gather her three ungrateful grown children from their dysfunctional lives for a summer reunion at the family's Rhode Island beach house. With her family finally congregated under one seaside roof, Flossy is determined to steer her family back on course even as she prepares to reveal the fate of the summer house that everyone has thus far taken for granted she's selling it. The Merrill children are both shocked and outraged and each returns to memories of their childhoods at their once beloved summer house, the house where they have not only grown up but from which they have grown away. The Summer House Lauren K. Denton, 2020-06-02 It's never too late to start over. The Summer House weaves Lauren K. Denton's inviting Southern charm around a woman's journey to find herself in a small beach town with a little help from the local retirement community. Lily Bishop wakes up one morning to find a good-bye note and divorce papers from her husband on the kitchen counter. Having just moved to Alabama for his job only weeks before, Lily is devastated. New to town and knowing no one, Lily finds herself in desperate need of a job and a new place to live. When Lily hears that a hair stylist is needed at a small retirement community, she decides to apply. Rose Carrigan built the small retirement village of Safe Harbor years ago, just before her husband ran off with his assistant. Now she runs a tight ship, making sure the residents follow her strict rules. Rose keeps everyone at arm's length, including her own family. But when Lily shows up asking for a job and a place to live, Rose's cold exterior begins to thaw. Lily and Rose form an unlikely friendship, and Lily's salon soon becomes the place where the colorful residents share town gossip and a few secrets. Lily soon finds herself drawn to Rose's nephew, Rawlins, a single dad and shrimper who's had some practice at starting over, and one of the residents may be carrying a torch for Rose as well. Neither Lily nor Rose is where she expected to be, but the summer makes them both wonder if there's more to life and love than what they've experienced so far. The Summer House is a cozy novel full of charm and heart that's perfect vacation reading. Celebration of new beginnings, friendship, and family. Sweet, clean romance set on the Gulf Coast. The perfect summer read. Situated on the Alabama Gulf Coast, you'll feel the sun, taste the salt, and linger with new friends you won't want to leave. And with lyrical prose and rich characters, The Summer House is a beautifully poignant reminder that we are never too young to find a good place to stand nor too old to start over. Katherine Reay, bestselling author of The Printed Letter Bookshop and Dear Mr. Knightley. The Popular Girls Book Series Raven Riley, 2011-07-26 My book is about three girls who are very mean and rich. They came from different states and they also run the school. The three popular girls are so very rich and very spoiled to the bone. Each of the three girls has different personalities; they are always expressing their styles of clothes that all 3 of them wear to school every day. Chloe tries to spend all of her money so she can buy clothes online. She does not get along with her sister Amy. Chloe hates going to school every day; she is mean to a lot of people at that school. Chloe never gets to spend any time with her beau because she is always working and also doing her homework after she gets off from work.
