Summer Sketches:

Summer Sketches Hertz Alegrio, 2017 **Pen and Sunlight Sketches of Scenery Reached by the Grand Trunk Railway and Connections** Grand Trunk Railway Company of Canada, 1890 A.Y. Jackson Wayne Larsen, 2009-09-21 A founding member of the Group of Seven Jackson portrayed the Canadian landscape in a bold and inventive manner illustrating a key chapter in Canada's coming of age **The Sketch**, 1904 *New Pencil Points* Eugene Clute, Russell Fenimore Whitehead, Kenneth Reid, Elizabeth L. Cleaver, 1926 The American Art Review, 1880 American Art Annual, 1848 **Valentin Serov** Valentin Serov, Dmitri V. Sarabianov, 2012-01-17 Among the young peredvizhniki who joined the World of Art group the most brilliant portraitist was Valentin Serov Like many of his contemporaries he delighted in painting out of doors and some of his most appealing portraits such as *Girl with Peaches* *Girl in Sunlight* and *In Summer* owe their naturalness to their setting or to the interplay of sunlight and shadows Indeed Serov regarded them as studies rather than portraits giving them descriptive titles that omitted the sitter's name The subject of *Girl with Peaches* painted when Serov was only twenty two was in fact Mamontov's daughter Vera The model for *In Summer* was Serov's wife When only six years old Serov began to display signs of artistic talent At nine years old Repin acted as his teacher and mentor giving him lessons in his studio in Paris then let Serov work with him in Moscow almost like an apprentice Eventually Repin sent him to study with Pavel Chistiakov the teacher of many of the World of Art painters including Nesterov and Vrubel Chistiakov was to become a close friend Because Serov's career spanned such a long period his style and subject matter vary considerably ranging from voluptuous society portraits the later ones notable for their grand style and sumptuous dresses to sensitive studies of children Utterly different from any of these is the famous nude study of the dancer Ida Rubinstein in tempera and charcoal on canvas which he painted towards the end of his life Although Serov's early style has much in common with the French Impressionists he did not become acquainted with their work until after he had painted pictures such as *Girl with Peaches* Arts Digest, 1937 **Blackwood's Edinburgh Magazine**, 1836 **American Art Directory**, 1917 The biographical material formerly included in the directory is issued separately as *Who's who in American art* 1936 37
