Summer Before The Summer Of Love:

The Beatles, Sgt. Pepper, and the Summer of Love Kenneth Womack, Kathryn B. Cox, 2017-07-03 For the Beatles 1967 marks a signal crossroads that would both transform the group's career and place them on a trajectory towards their eventual disbandment. It was a year in which they exploded prevailing rock music demographics through the global onslaught and international success of Sgt Pepper's Lonely Hearts Club Band beginning in June 1967. Yet it was also a period that saw them in a precarious state of flux throughout the summer and fall months as the band attempted to recapture their artistic direction in the wake of Sgt Pepper and the untimely death of manager Brian Epstein. The Beatles Sgt Pepper and the Summer of Love draws readers into that pivotal year in the life of the band. For the Fab Four 1967 would see the band members part ways with psychedelia and the avant garde through the trials and tribulations of the Magical Mystery Tour, a project that resulted in a series of classic recordings while at the same time revealing the bandmates' aesthetic vulnerabilities and failings as would be filmmakers and auteurs. *Dictionary of Midwestern Literature, Volume Two* Philip A.

Greasley, 2016-08-08 The Midwest has produced a robust literary heritage. Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes. This volume explores the rich racial, ethnic, and cultural diversity of the region. It also contains entries on 35 pivotal Midwestern literary works, literary genres, literary cultural historical and social movements, state and city literatures, literary journals and magazines, as well as entries on science fiction, film, comic strips, graphic novels, and environmental writing. Prepared by a team of scholars, this second volume of the *Dictionary of Midwestern Literature* is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature. **Golden hours, ed. by W.M. With A Little Bit of Luck Sabrina Mahfouz, 2016-06-22 I want to be iconic. I want to be beautiful, reckless, feared, hated, ahead of the times. I want to be different. I want to be dangerous. London 2001. Raves. Revision. Re-election. Nadia is swept up in one hot summer's night of love that promises endless possibilities. Drinking, dancing, hope, ambition, lust, greed, and decisions that will determine the rest of her life. Rhythmically underscored by a live mix of old school UK Garage. *With A Little Bit of Luck* explores the legacy of a cultural movement that defined the hopes of a generation. It received its world premiere at the Latitude Festival 2015 and then was produced as a tour by Paines Plough and Latitude from 13 April 2016.

Sabrina Mahfouz Plays: 1 Sabrina Mahfouz, 2019-12-19 Sabrina Mahfouz has been called theatrical dynamite by The Independent and one of our most interesting playwrights by Lyn Gardner in The Guardian. As a recent elected Fellow of the Royal Society of Literature, she is a playwright, poet, essayist, children's author, and activist whose work explores a variety of mediums in challenging and genre-defying ways. Her first play collection brings together a unique mix of published and previously unpublished works for the stage, including an Off West End Award-winning play for children, a Fringe First award winner, a BBC Radio Music Best Drama award winner, and a Sky Arts Academy award-winning play. From the explosive poetic

monologue play Chef to the rhythmic drive of With a Little Bit of Luck this collection fizzles with infectious lyricism that captures Mahfouz's work for the stage in a variety of different forms proving that contemporary theatre remains boundless in terms of its ability to spark debate and move audiences
