In the wake of George Floyd's murder in May 2020 protests broke out in Minneapolis and quickly spread across the United States National unrest led to the resurgence of the Black Lives Matter movement and added to calls for justice in other American cities including Los Angeles Atlanta Tulsa and Louisville Kentucky where only months earlier Breonna Taylor was killed by police By some estimates BLM protesters numbered between fifteen million and twenty six million in the US and abroad The Summer of 2020 George Floyd and the Resurgence of the Black Lives Matter Movement spotlights the perspectives of individual participants who contributed to the movement's revived impact and global success throughout 2020 Authors Andre E Johnson and Amanda Nell Edgar interview the movement's activists from seasoned organizers to first time protesters to discover what Black Lives Matter meant to those who participated in one of America's largest social movements Johnson and Edgar's fieldwork reveals the complexity of taking a stand especially in the face of increasing threats from white supremacist groups continuing police aggression and a persisting global pandemic In a time with unprecedented levels of political polarization the wave of support for the Black Lives Matter movement powerfully disrupted that expectation Without a clear sense of what led to the surge in support for Black Lives Matter racial justice advocates are left ill equipped to maintain and harness the political momentum necessary to achieve lasting equity and justice In delving beyond a conventional focus on leaders and figureheads this volume bolsters social movement research by accounting for the increasing numbers of Black Lives Matter supporters and demonstrators and the lasting power of their message Summer Ruth Burgess, 2020-05-28 Summer is a liturgical resource book that covers the months of May June and July It includes prayers stories responses songs poems reflections monologues liturgies and reflections for the major Christian festivals and seasons of Eastertide and Pentecost as well as for Ascension Saints days pilgrimage holidays and other occasions The material is written by Iona Community members associates friends and others A Place for Summer Richard Bak, 1998
