## **Summerhouse Later:**

**Summerhouse, Later** Judith Hermann, 2003-04-01 In nine luminous stories of love and loss loneliness and hope Judith Hermann's stunning debut collection paints a vivid and poignant picture of a generation ready and anxious to turn their back on the past to risk uncertainty in search of a fresh if fragile equilibrium An international bestseller and translated into twelve languages Summerhouse Later heralds the arrival of one of Germany's most arresting new literary talents A restless man hopes to find permanence in the purchase of a summerhouse outside Berlin A young girl trapped in a paralyzing web of family stories and secrets finally manages to break free A granddaughter struggles to lay her grandmother's ghosts to rest A successful and simplistic artist becomes inexplicably obsessed with an elusive and strangely sinister young girl Against the backdrop of contemporary Berlin possibly Europe's most vibrant and exhilarating city Hermann's characters are as kaleidoscopic and extraordinary as their metropolis united mostly in a furious and dogged pursuit of the elusive specter of living in the moment They're people who in one way or another constantly challenge the madness of the modern world and whose dreams of transcending the ordinary for that narrow strip of sky over the rooftops are deeply felt and perfectly rendered

**Domestic Disputes** Necia Chronister, 2021-02-08 Domestic Disputes is the first monograph in German studies to offer a critical examination of the home ownership crisis in the former East Germany that resulted from unification policy taking as its focus news media made for television movies cinematic releases and prose fiction that depict property disputes between former East and West Germans In the cultural productions discussed in this book anxieties about social disenfranchisement through unification policy are dramatized in narratives in which Westerners acquire or attempt to acquire property in the former East Germany Each chapter addresses a different type of narrative that has emerged to frame those anxieties including those of neocolonial Western takeover the engagement with difficult family histories masculinity crises in the West and the corporatization of home Domestic Disputes is the first book length study to outline the way in which homes were awarded to individuals and families as the former East Germany privatized and to offer in depth examinations of the narratives that emerged from that social phenomenon

**German Women Writers and the Spatial Turn: New Perspectives** Carola Daffner, Beth A. Muellner, 2015-07-01 In the last few decades the phrase spatial turn has received increased attention in German Studies inspired by developments within the discipline of geography The volume German Women Writers and the Spatial Turn New Perspectives engages the analytical category of space and the spatial turn in the context of German women's writing The collection of essays divides its discussion of spatiality in German literature into sections that reflect privileged sites within the current scholarly debates around space Essays look to such issues as environmentalism globalization migration and immigration concerns of belonging points of encounter spaces and places of mobility topographies of departure and arrival movement motion or shifting identities German Women Writers and the Spatial Turn New Perspectives continues the challenge to understand the representation of space and place in German

language texts by focusing on how spatial theory figures into the realm of feminist thinking and writing      *Love in Saint Tropez* Jovana Banovic,2024-09-13 *Love in Saint Tropez* is a captivating narrative of self discovery resilience and renewal woven with threads of love and hope It delves deep into the soul s journey revealing the profound truth that despite life s tumultuous ebbs and flows we possess the innate strength to rise anew At the heart of this enlightening tale is Ana a mirror to our own experiences embodying the universal quest for meaning and belonging Confronted with the timeless question of life s unyielding constant Ana embarks on a transformative journey back to the enchanting locales of her heritage Saint Tropez and London These places rich in familial legacy and moments of profound inspiration become the backdrop against which she rediscovers her capacity to love shedding the restrictive chains of her history With courage and an open heart Ana ventures down the road of self discovery a journey poised to alter the course of her life in the most beautiful and unexpected ways Travels record stamps in passports photo galleries in folders magnets on refrigerators *Love in Saint Tropez* is a story about the journey in which we discover ourselves and stamp them in our personal passport of life It is about the knowing that we are ready to stand up and rise in life and that there is no thing so precious as a personal passport that we filled with missed chances new opportunities and remained eternally in love with life Branko Rosic bestselling author Jovana s *Love in Saint Tropez* is a story about the power of love and how it can transform our lives and relationships It s a reminder that sometimes we just need to take a chance and let love in It s a beautiful reminder that real love does exist Kosta Petrov bestselling author      **Transnationalism and German-Language Literature in the Twenty-First Century** Stuart Taberner,2017-03-01 This book examines how German language authors have intervened in contemporary debates on the obligation to extend hospitality to asylum seekers refugees and migrants the terrorist threat post 9 11 globalisation and neo liberalism the opportunities and anxieties of intensified mobility across borders and whether transnationalism necessarily implies the end of the nation state and the dawn of a new cosmopolitanism The book proceeds through a series of close readings of key texts of the last twenty years with an emphasis on the most recent works Authors include Ter zia Mora Richard Wagner Olga Grjasnowa Marlene Streeruwitz Vladimir Vertlib Navid Kermani Felicitas Hoppe Daniel Kehlmann Ilija Trojanow Christian Kracht and Christa Wolf representing the diversity of contemporary German language writing Through a careful process of juxtaposition and differentiation the individual chapters demonstrate that writers of both minority and nonminority backgrounds address transnationalism in ways that certainly vary but which also often overlap in surprising ways      *Heinrich von Kleist* Jeffrey L High,Sophia Clark,2013-12-01 In an authorial class with dramatists and authors of literary prose such as Goethe Schiller Thomas Mann Brecht and Kafka Heinrich von Kleist 1777 1811 remains prominent in international evaluations of artistic genius when measured by enduring popular and artistic reception legal philosophical and scientific criticism and resonance of political rage Scholars have long been fascinated by Kleist s biography and works in no small part due to his influence on authors philosophers political thinkers and filmmakers who regard Kleist as among the

most accessible of classic artists one whose relevance requires neither theoretical introduction nor literary historical justification The present volume addresses two centuries of engagement with Kleist and his works from an angle that has proven most important to their popular canonical status his artistic and political legacies What mattered to Kleist has mattered to centuries of readers and thus all the more to artists and thinkers with similarly urgent messages to convey

*Queering Paradigms* Burkhard Scherer, 2009 This book brings together original peer reviewed research providing new perspectives on the status quo and challenges for the future of Queer Theory Queer Studies Drawing inspiration from the conference in Queer Studies that was held at Canterbury Christ Church University in February and March 2009 the chapters offer analyses and insights into changing academic and public discourses on sexual and gender normativities within a wide multi and trans disciplinary scope Transcending the binary axis of homo vs heterosexuality the book analyzes queries and challenges multiple overt and hidden heteronormative and gender binarist assumptions in six larger areas paradigmatic discourses in academia and public life are discussed Queered Identities Queer Politics Queering Public Discourses Queering the Classroom Pop Queer and Queer Readings The contributing authors represent the wide spectrum of scholarship engaged with Queer Theory including political and social science philosophy history literary criticism cultural studies education psychology and legal studies They conversely and discursively contribute to the evaluation reformulation and if appropriate reclaiming of academic approaches in Queer Studies

*Germans Going Global* Anke S. Biendarra, 2012-10-30 *Germans Going Global* is the first monograph in English to address in depth the interrelatedness between contemporary German literature and globalization In an interdisciplinary framework and through detailed readings of a wide variety of texts the study shows how the challenges globalization has posed for Germany over the last two decades have been manifested and reimagined in aesthetic production Analyses of the literary marketplace and public debates illuminate the more material sides of this development The study also analyzes the ways in which German language writers born between 1955 and 1975 such as Chr Kracht Th Meinecke J Hermann S Berg F Illies K R ggla J v D ffel and G Hens respond to the pressures of globalizing factors and how these have influenced notions of authorship and literary aesthetics It shows how narratives dealing with the neoliberal work world global travel and the aftermath of 09 11 implicitly comment on contemporary debates on globalization its socio economic nature and the impact for local culture By presenting a literary history of the present *Germans Going Global* deepens the reader s understanding of contemporary Germany and its cultural production

**German Cinema** David Clarke, 2006-01-01 Edited book offering a survey of recent German cinema

*Contemporary German Fiction* Stuart Taberner, 2007-06-21 The profound political and social changes Germany has undergone since 1989 have been reflected in an extraordinarily rich range of contemporary writing *Contemporary German Fiction* focuses on the debates that have shaped the politics and culture of the new Germany that has emerged from the second half of the 1990s onwards and offers the first comprehensive account of key developments in German literary fiction within their social and

historical context Each chapter begins with an overview of a central theme such as East German writing West German writing writing on the Nazi past writing by women and writing by ethnic minorities The authors discussed include G nter Grass Ingo Schulze Judith Hermann Christa Wolf Christian Kracht and Zafer Senocak These informative and accessible readings build up a clear picture of the central themes and stylistic concerns of the best writers working in Germany today

*Berlin Tales* Helen Constantine, 2009-06-25 Berlin Tales is a collection of seventeen translated stories associated with Berlin The book provides a unique insight into the mind of this fascinating city through the eyes of its story tellers Nearly twenty years after the fall of the Berlin Wall the stories collected here reflect on the city s fascinating recent history setting out with the early twentieth century Berlin of Siegfried Kracauer and Alfred D blin and culminating in an excellent selection of stories from the best of the new voices in the current boom in German fiction They are chosen for their conscious exploration of the city s image meaning and attraction to immigrants and tourists as well as Berliners from both sides of the Wall These stories also depict Berlin s distinct districts not just the differences between East and West but also iconic sites such as Alexanderplatz individual neighbourhoods Jewish Mitte Turkish Kreuzberg and individual streets There is an introduction and notes to accompany the stories and a selection of Further Reading Each story is illustrated with a striking photograph and there is a map of Berlin and its transport system a frequent motif There is an introduction and notes to accompany the stories and a selection of Further Reading The book will appeal to people who love travelling or are armchair travellers as much as to those who love Berlin

**The Five Bells and Bladebone** Martha Grimes, 2013-05-14 When a dismembered corpse is found in the compartments of an antique writing bureau Marshall Trueblood recipient of the precious piece of furniture is the first to protest I bought the desk not the body send it back Who would want to kill Simon Lean the greedy nephew of the wealthy Lady Summerston Leave it to Superintendent Richard Jury of Scotland Yard to suggest a connection to the murder of brassy Limehouse lady named Sadie Driver found dead near Wapping Old Stairs if that stone cold body on the slipway is really Sadie Not even her brother Tommy on a visit from

Gravesend can swear to it      **Transnational Encounters between Germany and Korea** Joanne Miyang Cho, Lee M. Roberts, 2017-10-15 This book examines the history of the German Korean relationship from the late nineteenth to the twenty first century focusing on the nations varied encounters with each other during the last years of the Yi dynasty the Japanese occupation of Korea the Cold War and the post Cold War era With essays from a range of internationally respected scholars this collection moves between history diplomacy politics education migration literature cinema and architecture to uncover historical and cultural intersections between Germany and Korea Each nation has navigated the challenges of modernity in different ways and yet traditional East West dichotomies belie the deeper affinities between them This book points to those affinities focusing in particular on the past and present internal divisions that perhaps make Germany and Korea as similar as Germany and Japan      Landscapes with Figures Robert L. Root, 2007-04-01 For some a sense of place is about travel about plunging oneself into new settings For others it is about being and knowing home This book is a collection of essays memoirs nature writing and travel narratives that document the impact this sense of place has on writing In locations as familiar as Cape Cod or Mesa Verde and as exotic as Krakow or Kyrgyzstan thirteen accomplished writers of contemporary creative nonfiction share some of their most memorable work disclosing how place alters our perception and influences our insight Taking readers to deserts and forests islands and mountains Landscapes with Figures is an encounter not only with places but also with writers themselves Each contribution is accompanied by an author's commentary that discusses the relationship to place in his or her writing The authors reveal the connections they feel to the places they write about the role that place plays in the choices they make in relating their experiences and the strategies and work habits that produce such writing This compilation is at once a wide ranging anthology of the nonfiction of place for the armchair traveler and a book about writing for those who aspire to understand and practice the craft carrying with it the invitation to reflect on one's own special places      **Rising Up Again and Again** Horst Schneider, 2005 The true and uplifting story of a can do couple where love determination and especially much humor overcome the obstacles of war Old World traditions and even mothers who fight to keep the young couple apart Their simple motto life is a do it yourself job and they are the living proof of that truth      Mozart Wolfgang Hildesheimer, 1991-09 In this definitive biography Wolfgang Hildesheimer demythologizes Mozart revealing him as a flawed and puzzling human being but a matchless artist Hildesheimer's fresh approach to the music itself his telling quotations from Mozart's letters Mozart was one of the greatest and most outrageous of letter writers and his sympathetic but unsentimental insights make this a remarkably readable portrait of one of the most popular composers of all time Book jacket      **Don't Look Back** Jennifer L. Armentrout, 2014-04-15 Samantha is a stranger in her own life Until the night she disappeared with her best friend Cassie everyone said Sam had it all popularity wealth and a dream boyfriend Sam has resurfaced but she has no recollection of who she was or what happened to her that night As she tries to piece together her life from before she realizes it's one she no longer wants any part of The old Sam took mean girl to a whole new level and

it s clear she and Cassie were more like best enemies Sam is pretty sure that losing her memories is like winning the lottery She s getting a second chance at being a better daughter sister and friend and she s falling hard for Carson Ortiz a boy who has always looked out for her even if the old Sam treated him like trash But Cassie is still missing and the facts about what happened to her that night isn t just buried deep inside of Sam s memory someone else knows someone who wants to make sure Sam stays quiet All Sam wants is the truth and if she can unlock her clouded memories of that fateful night she can finally move on But what if not remembering is the only thing keeping Sam alive

*Hegel, Husserl and the Phenomenology of Historical Worlds* Tanja Staehler, 2016-12-07 GWF Hegel famously described philosophy as its own time apprehended in thoughts reflecting a desire that we increasingly experience namely the desire to understand our complex and fast changing world But how can we philosophically describe the world we live in When Hegel attempted his systematic account of the historical world he needed to conceive of history as rational progress to allow for such description After the events of the twentieth century we are rightfully doubtful about such progress However in the twentieth century another German philosopher Edmund Husserl attempted a similar project when he realised that a philosophical account of our human experience requires attending to the historical world we live in According to Husserl the Western world is a world in crisis In this book Tanja Staehler explores how Husserl thus radicalises Hegel s philosophy by providing an account of historical movement as open Husserl s phenomenology allows thinking of historical worlds in the plural without hierarchy determined by ethics and aesthetics Staehler argues that through his radicalization of Hegel s philosophy Husserl provides us with a historical phenomenology and a coherent concept of a culture that points to the future for phenomenology as a philosophy that provides the methodological grounding for a variety of qualitative approaches in the humanities and social sciences
