Sun In Glory:

America Tony Evans, 2014-12-11 How can YOU help bring hope to our nation At a time when it seems that our nation is toppling over morally culturally economically and politically you may be asking this question Is there any hope for America Dr Tony Evans says YES In America Turning a Nation to God Dr Evans helps Christians understand that at the core America s problems are spiritual And God and His rule are America s only hope As His people God is calling us to return to Him in humility and repentance to submit to His rule and authority Only as we commit to doing so individually and collectively will we realize that hope We hold within the collective body of Christ not only the power but also the capacity to put our country back on the path of ascendancy This straight forward teaching when embraced by believers in our nation will usher in the greatest revival in American history The Holy Bible, Containing the Old & New Testaments ,1888 *The Precious and Sacred Writings of Martin Luther, the Hero of the Reformation, the Greatest of the Teuton Church Fathers, and the Father of Protestant Church Literature. The Goddess and the Sun in Indian Myth Raj Balkaran,2020-04-07 In analyzing the parallels between myths glorifying the Indian Great Goddess Durg and those glorifying the Sun S rya found in the M rka eya Pur a this book argues for an ideological ecosystem at work in the M rka eya Pur a privileging worldly values of which Indian kings the Goddess Dev the Sun S rya Manu and M rka eya himself are paragons This book features a salient discovery in Sanskrit narrative text just as the M rka eya Pur a houses the Dev M h tmya glorifying the supremacy of the Indian Great Goddess Durg it also houses a S rya M h tmya glorifying the supremacy of the Sun S rya in much the same manner This book argues that these m h tmyas were meaningfully and purposefully positioned in the M rka eya Pur a while previous scholarship has considered this haphazard interpolation for sectarian aims The book demonstrates that deliberate compositional strategies make up the Saura kta symbiosis found in these mirrored m h tmyas Moreover the author explores what he calls the dharmic double helix of Brahmanism most explicitly articulated by the structural opposition between prav tti worldly and niv tti other worldly dharmas As the first narrative study of the S rya M h tmya along with the first study of the M rka eya Pur a or any Pur a as a narrative whole this book will be of interest to academics in the field of Religion Hindu Studies South Asian Studies Goddess Studies Narrative Theory and Comparative Mythology
