The,1909 **Spink & Son's Monthly Numismatic Circular** ,1934 The Writing of Natural Disaster in Europe, 1500-1826 Sandhya Patel,Sophie Chiari,2022-12-12 This book explores reactions to and representations of natural disasters in early modern Europe The contributors illustrate how the cultural production of the period in manuals treatises sermons travelogues and fiction grappled with environmental catastrophe Crucially they interrogate how people in the early modern era rationalized and mediated the threat of events like plagues great frosts storms floods and earthquakes A vital contribution to environmental history this book highlights the parallels between early modern responses to natural disaster and climate anxiety in our own era Many thoughts of many minds. Compiled by H. Southgate Henry Southgate,1862 *Mark's Gospel* Hermann Beckh,2021-05-17 Hermann Beckh s masterful study of Mark s Gospel offers much more than scholarly argument It is the work of a true visionary who allows his readers to discover the meaning of the Earth and of humanity for themselves Beckh was in the forefront of entirely new research and recovery of the Gospel writing more for the future than for his own time It is not uncommon for biblical scholars to view St Mark s Gospel as little more than an assemblage of fragmentary sources and a copy of uncertain early memories The Gospel is said to have little historical veracity harmony or guiding structure Beckh s contemporary the German writer Arthur Drews even argued that the text was nothing more than a simplistic solar myth wherein another Sun hero pursued his way around the Greco Roman constellations Mark s Gospel The Cosmic Rhythm is a response to such twentieth century materialistic thinking He was asked to write the book in the 1920s by the leaders of The Christian Community who sought to rescue the desecrated Gospel from its opponents Inspired by Rudolf Steiner and a vast knowledge of ancient languages Tibetan Sanskrit Pali and Avestan along with Hebrew Greek and Latin the Rev Professor Hermann Beckh perceived how the Gospel reflects God s Everlasting Covenant and meticulously expressed its aesthetic unity the consonance of its parts and its consequent radiant clarity His far reaching understanding of sacred texts in the original languages always associated with the disciplined meditation he had attained from anthroposophy led to

unprecedented insight This new edition of his classic study has been revised and redesigned **Many Thoughts of Many Minds** ,1863 The Sun in Splendour Frances Lang,1962 **The Goddess and the Sun in Indian Myth** Raj Balkaran,2020-04-07 In analyzing the parallels between myths glorifying the Indian Great Goddess Durg and those glorifying the Sun S rya found in the M rka eya Pur a this book argues for an ideological ecosystem at work in the M rka eya Pur a privileging worldly values of which Indian kings the Goddess Dev the Sun S rya Manu and M rka eya himself are paragons This book features a salient discovery in Sanskrit narrative text just as the M rka eya Pur a houses the Dev M h tmya glorifying the supremacy of the Indian Great Goddess Durg it also houses a S rya M h tmya glorifying the supremacy of the Sun S rya in much the same manner This book argues that these m h tmyas were meaningfully and purposefully positioned in the M rka eya Pur a while previous scholarship has considered this haphazard interpolation for sectarian aims The book demonstrates that deliberate compositional strategies make up the Saura kta symbiosis found in these mirrored m h tmyas Moreover the author explores what he calls the dharmic double helix of Brahmanism most explicitly articulated by the structural opposition between prav tti worldly and niv tti other worldly dharmas As the first narrative study of the S rya M h tmya along with the first study of the M rka eya Pur a or any Pur a as a narrative whole this book will be of interest to academics in the field of Religion Hindu Studies South Asian Studies Goddess Studies Narrative Theory and Comparative Mythology
