Sun And Storm The Terminus:

Sun and Storm David B. Pilurs,1993-06-01 Sun and Storm David B. Pilurs,1993-05 Unifruitco ,1929 *Holiday Terminal (A Second Chance Secret Baby Billionaire Holiday Romance)* Gwyn McNamee,Christy Anderson,2019-11-07 Two hearts One snowstorm A second chance at love Penelope Swirling snow may have stranded me at this tiny airport in the middle of nowhere on Christmas Eve but it has nothing on the storm raging inside me when he walks into the terminal Artemis Warren My first love and the man who shattered my world I thought I locked my feelings for him safely away in the past but one look is all it takes for me to drown in his icy blue eyes again So much time has passed I m no longer that na ve teenager standing on a beach wishing the boy would choose me Now I m hiding a secret that could unravel both our lives Artemis The emergency landing in Nowheresville is more than an inconvenience It s a disaster The annual family holiday party in NYC was my chance to make the statement I ve been dreaming of for so long Now all my best laid plans will have to wait until I can get out of here and back to civilization Nothing can salvage this day Yet seeing Penelope Barnes again turns this bad situation into the opportunity of a lifetime Reuniting with the only woman I ve ever loved would be the ultimate Christmas gift But how can I heal the old wounds and or fit into the new life she created When temperatures drop and snowflakes fly can love find a way to weather the storm for the ultimate Christmas miracle **Terminal Park** Richard Wakefield,2022-04-22 Richard Wakefield s third collection of poetry Terminal Park bears truthful and often wryly humorous witness to a wide range of human experience His portraits of life in rural Washington State are particularly compelling in a way that evokes the best of Frost without sacrificing Wakefield s own distinctive voice A showcase of given and nonce forms Terminal Park is the work of a master craftsman delivered with wit empathy and grace PRAISE FOR TERMINAL PARK Richard Wakefield s Terminal Park is a triumph from a master of formal poetry with a bit of a Zen streak Alternately wistful wry and joyous Wakefield takes on a wide range of subjects without anger or rhetoric My favorites were the many elegiac landscape poems which reminded me of the some of the best poems of Robert Frost A M Juster author of Wonder and Wrath This new volume reveals a poet whose mastery of form will amaze readers Richard Wakefield lives deeply in his world past and present touching and feeling everything that surrounds him alert to every texture the grain of wood the grit of sand He scans memory repossessing luminous and sometimes uncanny moments from his past A poem is of course a system of linked sounds and Wakefield s ear never misses the chance for a linking echo In fact I love the internal and external rhyming here done without flash with a kind of holy decorum The seasons course through these poems in literal and figurative flight but the poet asserts with good reason that an old man at his kitchen window sees by winter light And it s the clarity of winter light that makes these poems shimmer I will return to the pages of Terminal Park again to revel in their wisdom and grace notes Jay Parini author of New and Collected Poems 1975 2015 Terminal Park ranges widely and dives deep The book s opening lines where bleak subject matter is conveyed by lilting verse tell us a lot about what will follow Terminal Park reads

the vine covered sign where junkies and drunks reach the end of the line The poet s mastery is evident throughout whether depicting desolate rural vignettes or vividly rendered moments of Biblical literary or personal history Though many poems seem haunted by entropy decay suffering and loss The Work of Darkness they are leavened by stoicism and humor Beautifully organized and reflecting a lifetime s hard won wisdom the collection as a whole is not merely enjoyable It is exhilarating

Bruce Bennett author of Just Another Day in Just Our Town ABOUT THE AUTHOR Richard Wakefield earned his PhD in American literature from the University of Washington and has taught college humanities for forty two years thirty five of them at Tacoma Community College For over twenty five years he reviewed poetry fiction and literary biography for the Seattle Times His first book Robert Frost and the Opposing Lights of the Hour Peter Lang Publishing was a study of Frost s poetry in the context of his life and times His first collection of poems East of Early Winters University of Evansville Press won the Richard Wilbur Award His second collection A Vertical Mile Able Muse Press was short listed for the Poet s Prize His poem Petrarch won the Howard Nemerov Sonnet Award He and his wife Catherine have been married forty eight years and have two daughters two sons in law and two grandchildren
