Sundance Coyote:

Sundance Coyote Michael W. Fox, 1974 During his first year of life a coyote cub learns well all the tricks of desert survival but cannot change an ingrained coyote trait that is nearly his undoing **Coyotes Go to Heaven** F. Robert

Henderson, 2015-11-25 This book has several subjects The main one is about the long history of man's efforts to reduce livestock losses involving coyotes The evolution of thinking and the influence of an educational program in Kansas brought about changes and resulted in the work of one man that helped change the thinking nation wide The book also is about the lives of Karen Lee Hollinger and F Robert Henderson Their marriage has spanned more than 58 years The book contains stories of happenings along the way Our storied past in South Dakota includes historical details of the most endangered mammal species in North America the Black footed Ferret The book also contains a Kansas historical information about 4 H and other youth education programs about ecology and the environment First of their kind in the Great Plains **The**

Whistling Hunters Michael W. Fox, 1985-06-30 The whistling dog or dhole of India is a little known distant cousin of our domestic dog Highly intelligent wary of man and elusive as a jungle predator this rare and beautiful creature is one of the most difficult animals to study Its very nature defies the patience and skill of the most dedicated naturalist Yet knowledge about its habits and a more widespread understanding and appreciation of this species are essential for its protection and continued survival For like so much of the world's wildlife today the dhole is a species threatened with extinction The first in depth field study of the whistling dog The Whistling Hunters examines the dhole in the animal's environment The book is based on the author's field studies and the observations of other naturalists It presents all the facts currently known about the species as it makes a passionate plea for conservation and the reevaluation of our land use patterns The book is also an attempt to understand the essence of wilderness since it too like the whistling dog is an endangered species

Understanding Your Cat Michael W. Fox, 1992-03-15 What makes cats purr Is declawing the safest and most humane way to save your furniture How can you make your animal companion an ideal house guest Prominent veterinarian and animal behavior expert Dr Michael W Fox answers these questions and many more in this practical and informative guided to owning and caring for your feline companion Unveiling the mysteries of the feline world he analyzes every aspect of the cat from the nest instincts in newborn kittens to the psychological and emotional impact of neutering and declawing adolescent cats Understanding Your Cat is an imaginative and thoroughly knowledgeable approach to choosing and training your cat

One Health Michael W. Fox, 2025-03-03 This collection of reflective critical philosophical and practical chapters represents the author's 60 years as a veterinarian ethologist and bioethicist The rising incidence of zoonotic diseases from farmed animals and wildlife in the expanding human population and so called reverse zoonoses where humans are infecting other species are existential concerns These concerns are linked with anthropogenic climate change and our impact on ecosystems which threaten biodiversity and the health and future of Homo sapiens and many other species These

interconnected issues are examined in this book broadening the scope and agenda of what is currently more narrowly practiced as preventive medicine The author calls for greater emphasis on holistic preventive health care maintenance in response to the escalating costs of human and companion animal health problems the welfare of factory farmed animals and endangered status of many wild species Our species now faces a complex existential crisis that must be addressed in an interdisciplinary way because there are multiple contributing factors factors that call for the insights of science and bioethics Fearlessly tackling contentious issues and wicked problems Dr Michael W Fox offers an integrated perspective of what One Health looks like on the ground
