Be Still Jon Lands, 2013-07-05 From the Tea Party to the Occupy Movement to the Arab Spring we live in a day where economic failure rage and tragedy are common place How do we survive all of this chaos and confusion How do we find a real relationship with God when we live in a frantic high paced topsy turvy world Psalm 46 describes a time that is amazingly similar to our own time The Psalm was written during a time of catastrophes He describes earthquakes landslides floods economic failure kingdoms collapsing and the people raging It is during these times that we have the greatest opportunities to know God This is when we need Him the most and when most are too busy to take the time God comes to us and says Don t fear have faith He doesn t remove these problems from our lives He doesn t wave a magic wand to eliminate all the chaos and catastrophes from your life God does however give you a coping mechanism It is called faith There are eleven verses in Psalm 46 In ten of these verses the psalmist is speaking about God in only one verse is God speaking to the psalmist The psalmist spends a lot of time crying to God about the problems of his life and in the world around him This is something we are all familiar with We do the same thing What we need to see is what God said to the psalmist and to us
