wit Pinney writes in an engaging style and with remarkable clarity Wine Spectator Definitive an important work of historical literature Wine Spirits An indispensable view of a remarkable time Decanter **Great Pages in History from the** Wisconsin State Journal, 1852-2002 Frank Denton, 2002 This fascinating collection reproduces the most important front pages in the history of the Wisconsin State Journal newspaper from its first publication under that name on September 30 1852 to the current War on Terrorism See what Wisconsinites first read about Abraham Lincoln's election and assassination Custer's last stand against the Sioux the first votes by women Henry Ford's 5 daily wage the Saint Valentine's Day mob massacre in Chicago the disappearance of Amelia Earhart as she attempted to fly around the world and the wars elections crimes and social revolutions that have defined the past century and a half Each front page reproduced from the original is readable down to the smallest type In 2002 the Wisconsin State Journal celebrates its Sesquicentennial marking one hundred and fifty years of service to the people of Madison and the State of Wisconsin The newspaper had an earlier inception as the Madison Express in 1839 when Madison was a territorial town on the frontier and statehood was still nine years away Readers will notice the newspaper's appearance has changed nearly as much as have the methods of gathering the news and producing the paper But readers fascination with and hunger for the news of each day remain strong Pleasure Nicholas Wadley, 2003 Schooled in serious art he may be but Nick Wadley also has a full bodied whimsical side as proven here in Drunk with Pleasure With pun in cheek and a deft minimalist style of drawing he gives readers a skewed but comprehensive overview of favorite vintages Showing none of the arrogance so often associated with the wine crowd Wadley pays homage to both the lowly and the exalted like Chateau LaFeet The intoxicating glossary at the back of this little gem is a handy reference for experts and neophytes alike ick Wadley headed the Department of Art History at the Chelsea School of Art in London for fifteen years As an art historian he has written chiefly about late nineteenth century painting and drawing Wadley also writes about modern and contemporary art and has curated exhibitions and lectured in Europe the United States and Japan Since the mid nineties his drawings and cartoons have been appearing in catalogs journals and newspapers
