interested in the intersection of poetry and philosophy as well as for fans of literary reimaginings Ficke's eloquent prose and profound insights make this book not just a mere retelling but a thought provoking examination of humanity's relentless pursuit of meaning This volume is essential for readers seeking to explore the depths of the human experience in the face of moral complexity      *Seduced By Shadows* Jessa Slade,2009-10-06 Read Jessa Slade's posts on the Penguin Blog When Sera Littlejohn meets a violet eyed stranger he reveals a supernatural battle veiled in the shadows and Sera is tempted to the edge of madness by a dangerous desire Ferris Archer takes Sera under his wing now that she is a talyan possessed by a repentant demon with hellish powers Archer's league of warriors have never fought beside a female before and never in all his centuries has Archer found a woman who captivates him like Sera With the balance shifting between good and evil passion and possession Sera and Archer must defy the darkness and dare to embrace a love that will mark them forever      **The Willing Spirit** Piers Anthony,Alfred Tella,2014-07-01 Spirituality fantasy and mythology merge in this lighthearted agreeably diverting yarn duly respectful of India's cultures and customs Kirkus Reviews Hari a remarkably well set up young lad has spent his entire life in a small village with his pious widowed mother and the purity of his soul is largely uncorrupted by worldly sophistication But now poised on the brink of manhood he feels himself moved by strange new urgings urgings that will lead him far from the quiet life he has known Though these strings are unfamiliar to him virtuous Hari recognizes them for what they are a hunger for spiritual enlightenment As so many have before he sets his feet upon the pilgrim's path becoming a wanderer in search of true wisdom But who can know the ways of the gods or foretell the twists of fortune Unbeknownst to Hari his quest has become the subject of wager between two immortals Mohini a pulchritudinous Apsara and the vilely demonic Ravana who lusts after her Mohini and Ravana are at an impasse Both are weary of arguing with each other but while Mohini's idea of a happy outcome is to have Ravana go away and leave her alone Ravana's ideas run along other lines entirely They settle upon a contest and a wager with the loser bound to do the winner's bidding Verily the sages have written that there is a seeker born every minute but Hari's journey of discovery is fated to be stranger and far livelier than most      *Mr. Faust* Arthur Davison Ficke,1913
