Sunlight and Shadow Facet Publications, Russell O. Huse, 2003-10-01 If you ever wondered how you should approach life take time to read Russell Huse's take on it Between the covers of this book you'll find poems and essays that overflow with awe at the beauty of nature and thanksgiving to God for each day Huse knows a miracle when he sees one Russell Huse does not go passively through life No he drinks it in to the fullest possible measure He has lived life and learned a multitude of ways to express that which life is made of In this book Huse examines the human experience touching on the heart and soul the mind and body of humankind *Victorian Poets and Prose Writers* Jerome Hamilton Buckley, 1966 **The London Journal, and Weekly Record of Literature, Science, and Art**, 1857 **William Wilfred Campbell** Wilfred Campbell, 1987-12 This is a representative collection of the writings of a neglected Canadian author William Wilfred Campbell 1858-1918 Among the 112 poems in William Wilfred Campbell Selected Poetry and Essays are the familiar Indian Summer and How One Winter Came in the Lake Region along with many less well known love poems patriotic songs and occasional poems Some twenty manuscript pieces are published here for the first time The notorious Mermaid Inn essay in which Campbell refers to the mythical nature of the cross is included and so is the letter of self justification that Campbell wrote but never sent to the editor of the Globe Here too are speeches essays published in The Week and the Ottawa Evening Journal and significant sections from Campbell's unfinished treatise on evolution The Tragedy of Man By the time Campbell died on New Year's Day 1918 shifting values had begun to turn critical opinion against his work Now William Wilfred Campbell Selected Poetry and Essays will enable Canadians to appreciate Campbell's art and to recognize his place in the development of Canadian thought *The Literary World*, 1891 **Catalogue of the Liverpool Free Public Library** Liverpool (England). Herrstrom, 2022-11-21 In *Light as Experience and Imagination from Medieval to Modern Times* David S. Herrstrom synthesizes and interprets the experience of light as revealed in a wide range of art and literature from medieval to modern times The true subject of the book is making sense of the individual's relationship with light rather than the investigation of light's essential nature while telling the story of light seducing individuals from the Middle Ages to our modern times Consequently it is not concerned with the progress of scientific inquiries into the physical properties and behavior of light optical science but rather with subjective reactions as reflected in art architecture and literature Instead of its evolution this book celebrates the complexity of our relation to light's character No individual experience of light being truer than any other *The Spectator*, 1879 *English Mechanic and Mirror of Science*, 1876 *The Illustrated London News*, 1870 *Humanities Index*, 1997 **A Dictionary of the English Language** Robert Gordon Latham, 1870 **Books received up to Dec. 31st 1870. 1872** Liverpool (England).
