Dear Mother After my hurriedly written letter of the 24th you will know that we have arrived here safely My first introduction to my first post as diplomat's wife was made unwittingly by a gentleman walking with a friend just behind me Who is that gentleman said he indicating Johan That That is the Minister of Denmark I struggling with an arm load of flowers culled from well intentioned friends at different stations on the road my maid and Johan's valet bringing up the rear with the overflow of small baggage passed unnoticed Now we are quite established here and I have already commenced my diplomatic duties There seems to be no end of card leaving and card receiving and a list of rules on etiquette the Ten Commandments of a Diplomat as long as your arm I never knew of anything so confusing I try to remember the things that I must do and the things that I must not do How many cold shower baths of reproof have I already received how many unruly things have I already done We are invited to many dinners luncheons and entertainments of all kinds I am knee deep in engagements actually wading in them The engagement book you gave me is already overfilled We were very much amused at the collection of newspaper cuttings you sent us Johan thought the one describing him as a massive blonde of magnificent proportions whose pure heart and clean hands had won all hearts in Washington previous to winning mine was much too personal The medals his prized decorations were not his fault and should not be laid up against him and as for the gold key which he wears on his back it is considered a great honor as few Danes have had it conferred on them being as it is the key of the king's own bedchamber and giving the wearer the privilege of entering there when he likes Another one which amused us says the bride is to be congratulated on having annexed as fine a specimen of a viking as any one could desire and although she has not secured a golden crown for her marble brow she has secured a name that ought to be good for a three bagger on any diamond and that just to see it written on a hotel register makes any hotel clerk faint Johan asked me what a three bagger was but I could not tell him Then the worst one Mr de Hegermann is envoy extraordinary and parson to his Danish nibs Johan was horrified at this I se majest We looked the word nibs out in the dictionary only to find that in cribbage nibs means the knave of trumps This made matters worse to call his sovereign a knave even of trumps seemed too disrespectful We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
