## Sunset Express:

Sunset Express Robert Crais, 2005-01-25 Prominent restaurateur Teddy Martin is facing charges in his wife's brutal murder. But he's not going down without spending a bundle of cash on his defense. So his hotshot attorney hires P I Elvis Cole to find proof that Detective Angela Rossi tampered with the evidence. Rossi needs a way back to the fast track after falling hard during an internal investigation five years ago. But Cole needs to know if she's desperate enough to falsify the case against Martin in order to secure her own position. As Cole and his partner Joe Pike work their way through a tangle of witnesses and an even greater tangle of media, they begin to suspect that it's not the police who are behind the setup.

Henry's stories are set in his own time, the early 20th century. Many take place in New York City and deal for the most part with ordinary people: clerks, policemen, waitresses, etc. O. Henry's work is wide-ranging, and his characters can be found roaming the

cattle lands of Texas exploring the art of the con man or investigating the tensions of class and wealth in turn of the century New York O Henry had an inimitable hand for isolating some element of society and describing it with an incredible economy and grace of language Some of his best and least known work is contained in Cabbages and Kings a series of stories each of which explores some individual aspect of life in a paralytically sleepy Central American town while advancing some aspect of the larger plot and relating back one to another
