Mario III Tidoy, 2024-04-15 This poetry collection contains spontaneously composed works often inspired by fictional scenarios from my imagination The poems mainly focus on romantic themes exploring idealized outcomes alongside their opposites depicting scenarios of what might have been should have been or could have been The decision to start this literary journey came from a lifelong habit of creating detailed scenarios in my mind finding joy in envisioning both realistic and fantastical situations While love is a key theme in the collection I have woven moments of emotional depth to offer a rich narrative These poems serve as channels for my feelings capturing fleeting moments of intense passion and deep sorrow Navigating through my emotions each verse mirrors the complexities of human relationships and the intricacies of the human heart Within my imagination I am free to explore the depths of love loss yearning and everything in between Through language's rhythm and metaphorical artistry I invite you to embark on a journey through a range of emotions that reside within us all Each poem acts as a reflection of the soul providing insight into a heart that beats with vulnerability and resilience As you delve into these lines may you find comfort in the shared experiences that unite us through themes of love and longing All my love Mairux **A Magment of Figmentation** Faucon Of Sakin'El, 2008 The American Mail-bag, Or Tales of the War American mail-bag, 1863 Curious Memories Luke Sheehan, 2023-01-17 I know life is brutal and on some days it may be impossible to breathe But know you will find love and those who wish to help even when all is at its darkest So please hold on brace yourself and ask for help because your light is precious and is worth fighting through those darkest moments This includes you Sam **Simply Obscene** Denise Baer, 2025-02-15 She lives a simple life with a scandalous secret Catherine grew up in the New Order Amish community A dutiful daughter caring sister and a naughty side in which she publishes steamy romance stories One day she goes into town with her father sneaking off to check her P O Box While reading a fan's mail behind the building she runs into her childhood
