

A photograph of four people inside a traditional Finnish sauna. The room has a wooden ceiling and dark walls. On the right, a large pile of dark stones is visible, with a metal ladle pouring water over them, creating steam. Four people are present: a woman on the left with her arms crossed, another woman next to her, and two men on the right, one of whom is holding a long-handled ladle. They are all wearing swimwear. The text 'SUOMALAINEN SAUNA' is overlaid in white, and 'FINNISH SAUNA' is overlaid in blue below it.

**Books from Finland**, 2002 **Europe**  
Thomas M. Wilson, 2023-11-30 This two volume encyclopedia profiles the contemporary culture and society of every country in Europe. Each country receives a chapter encompassing such topics as religion, lifestyle, and leisure, standard of living, cuisine, gender roles, relationships, dress, music, visual arts, and architecture. This authoritative and comprehensive encyclopedia provides readers with richly detailed entries on the 45 nations that comprise modern Europe. Each country profile looks at elements of contemporary life related to family and work, including popular pastimes, customs, beliefs, and attitudes. Students can make cross cultural comparisons; for instance, a student could compare social customs in Denmark with those in Norway, compare Greece's cuisine with that of Italy, and contrast the architecture of Paris with Amsterdam and Barcelona. Culture and society are changing in each region and nation of Europe due to many political and economic forces, both inside and outside of each nation's borders. This encyclopedia considers many of the transformations connected to globalization, as well as traditions that still hold strong, to provide a complete assessment of the processes that make European societies and cultures distinctive.

**Suomalainen sauna** Aarne Ervi, Esko Suhonen, 1953 *Finland. What a Country!*  
Roman Schatz, 2014-06-12 Everybody who has ever travelled knows that every country is a bit weird. Everybody who has been to Finland knows that this country is a bit weirder than others. This book takes you beyond the sauna and beyond Sibelius, right into the heart of Suomi. The author Roman Schatz moved here from an abolished country called West Germany thirty years ago and is now the whole country's darling and an inexhaustible expert on Finnish fun facts. The illustrations are provided by Finland's best loved cartoonist Pertti Jarla. Welcome to the land of almost 200,000 lakes, the home of rubber boot throwing championships, the promised land for single mothers, welcome to a language that doesn't have a word for please, welcome to the land of almost eternal light and darkness, welcome to the cradle of civilization, culture, and sophisticated humor, welcome to Finland.
