**The Lost Pages of the Necrom** J. E. Travers Botu,2015-03-30 The Necrom consists of seven mystical pages written by Cain after he had been scolded by the Creator for taking his brother s life Lucifer came to him and asked him to write the down the names of the seven spirits of the earth with his blood on seven pages That if these pages were read by a righteous man who had never sinned it would break the gates of hell and free his brother Cain later realized after he had read the pages that it didn t work as Lucifer had promised That only a righteous man who had never sinned could make it work and that Lucifer wasn t helping him from the kindness of his heart Lucifer was using him to find a way out of his chains for if you free one you ve freed all The pages were written in the first language that man spoke before the Creator changed the tongues of men at the tower of Babel So the tongue in which the pages were written was now lost forever Thousands of years have passed and Lucifer hasn t found a righteous man who had never sinned to read his pages So he resolved on making a man sinless from his infant age till he s old enough to read the pages So he found an orphan who was abandoned at the gates of a monastery in Italy and became his guardian angel keeping him from sin that he might become the reader

**169 Pages of My Life** Taylor Goetz,2011-08-12 My name is Taylor and I wrote this book with the intent that it might help people understand the consequences of doing wrong Though it may sound that I am glorifying the things I did if I had the chance to change my life I would have Though I love where my life is today there were times I wished I weren t alive It took a lot more then what can be imagined to get over the life style I was living I am proof that a bad kid can turn them selves around If you think that in the end of this book that I haven t then you are wrong and can look forward to reading my next book The most important thing I was trying to get across is that every little thing in life including people can be very deceiving and to stick only to what you believe in and nothing else In the end nothing and I mean nothing will matter except that your heart be in the right place
