How to Capitalize Anything Giacomo Giammatteo, 2019-10-14 The overuse of capitalization is rampant
and it's getting worse People tend to capitalize when emphasizing a point or because they think the word is important and
deserves to be capitalized I looked up the following words in numerous dictionaries and none were listed Southern California
Southern Italy West Texas Texas Hill Country Eastern Kentucky The proper nouns California Italy Texas and Kentucky should
be capitalized but what about southern eastern west and hill country Or how about the words below Is it French fries or
french fries cheddar cheese or Cheddar cheese Chianti or chianti cabernet sauvignon or Cabernet Sauvignon Brussels
sprouts or brussels sprouts You may be surprised at some of the answers you'll find Dictionaries may not list these words and
style guides avoid specifics The good news is when using this book you won't have to wonder again The book covers
geographical locations compass points religious deities topographical locations streets and roads buildings animal breeds
including dogs cats horses cattle donkeys goats sheep and poultry titles academic degrees and courses wine varietals food
groups acronyms eponyms dialogue brand names titles of books other works of art and more What do you do when the word
you're looking up isn't in the dictionary and isn't covered by your style guide Check *How to Capitalize Anything*

Equality's Executioners Sophie-Marie Eve Riker, 101-01-01 They called it equality You ll call it tyranny Do you Feel like courts punish men for existing while rewarding female entitlement Wonder how equality became code for female supremacy Suspect feminism is less about fairness and more about revenge This book isn t controversial it s the truth bomb feminism fears 8 Reasons to Arm Yourself With This Book Expose the 150 year lie that painted men as oppressors and women as saints Debunk patriarchy as feminist projection a father complex weaponized into law Reveal how family courts steal children assets and dignity from fathers Track the Marxist feminist alliance that hijacked institutions to erase due process Unmask toxic masculinity as a double bind to shame men into submission Crush the abortion lobby s infanticide industrial complex hidden behind choice Dissect the tax and spend gynocracy where men fund women s privilege Reclaim logic liberty and male humanity from the cult of victimhood If you re ready to torch feminist fairy tales and rebuild a world where men aren t demonized buy this book TODAY before the thought police ban it **The Kirkus Service** ,1948 **Environmentalism**

David Peterson Del Mar, 2014-06-06 Why are our environmental problems still growing despite a huge increase in global conservation efforts Peterson del Mar untangles this paradox by showing how prosperity is essential to environmentalism Industrialization drove people to look for meaning in nature even as they consumed its products more relentlessly Hence England led the way in both manufacturing and preserving its countryside and the United States created a matchless set of national parks as it became the world's pre eminent economic and military power Environmental movements have produced some impressive results including cleaner air and the preservation of selected species and places But agendas that challenged western prosperity and comfort seldom made much progress and many radical environmentalists have been unabashed utopianists Environmentalism considers a wide range of conservation and preservation movements and less organized forms of nature loving from seaside vacations to ecotourism to argue that these activities have commonly distracted us from the hard work of creating a sustainable and sensible relationship with the environment
