The Brass Ass:

The Brass Ass Tey Emel, 1987 *Cincinnati Magazine*, 1984-02 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region The Brass Industry in Connecticut William Gilbert Lathrop, 1909 **St. Louis Journal of Homeopathy and Clinical Reporter**, 1892 Cotati Prudence Draper, Lloyd Draper, 2004 The town of Cotati once the Coast Miwok village of Kot ati was by 1850 a 17 000 acre diamond shaped ranch set in the center of Sonoma County's golden fields Dr Thomas Stokes Page and his heirs ran that ranch until the 1890s when they laid out a town and a distinctive hexagonal plaza with streets named after Dr Page's sons That wheel like plaza earned centrally located Cotati the title Hub of Sonoma County For many years Cotati was the gathering place for hundreds of hardworking chicken ranchers who bought up small farms in the surrounding countryside but it was transformed in the 1970s into a hippie haven fed by nearby Sonoma State University Old chicken houses then became student housing and the Plaza hub that was the setting for traditional community festivals became a vibrating stage for dancing and demonstrations Cotati's famous downtown nightclub the Inn of the Beginning was the proving ground for many now famous musicians including John Lee Hooker Huey Lewis Vince Guaraldi Roseanne Cash and Kate Wolf ,

Cincinnati Magazine, 1992-10 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *The Killing Game* Gary Webb, 2011-01-04 Gary Webb had an inborn journalistic tendency to track down corruption and expose it For over thirty four years he wrote stories about corruption from county state and federal levels He had an almost magnetic effect to these kinds of stories and it was almost as if the stories found him It was his gift and ultimately it was his downfall He was best known for his story Dark Alliance written for the San Jose Mercury News in 1996 In it Webb linked the CIA to the crack cocaine epidemic in Los Angeles during the Iran Contra scandal His only published book Dark Alliance is still a classic of contemporary journalism But his life consisted of much more than this one story and The Killing Game is a collection of his best investigative stories from his beginning at the Kentucky Post to his end at the Sacramento News Review It includes Webb's series at the Kentucky Post on organized crime in the coal industry at the Cleveland Plain Dealer on Ohio State's negligent medical board and on the US military's funding of first person shooter video games The Killing Game is a dedication to his life's work outside of Dark Alliance and it's an exhibition of investigative journalism in its truest form **Cripple Creek District** Jan MacKell, 2003 The Cripple Creek District on the back of Pikes Peak in central Colorado first found fame through Bob Womack the cowboy who publicized his knowledge of gold in the high country and drew thousands to the area Gold fever allowed the region to flourish while strikes fires and economic hardships threatened the district's survival The dwindling population's fortitude plus innovative ideas to boost the economy carried the city from a struggling gold miners paradise to a favored tourist spot A Bunny Screaming Jerry Ford, 2010-02-24 One man's struggle with approaching middle age and a look back

at his life s many loves and losses **Killing Tom** Jerald Ford,2014-05-16 Meet Walter and Jack Two lazy shiftless roommates without a long term game plan for life Spending their days eking out a living and getting their thrills where they can it was a comfort knowing that Walter s mother would eventually leave Walter a substantial inheritance When it is discovered that her boyfriend Tom has embezzled hundreds of thousands of dollars from his law firm and is slowly going insane Walter and Jack realize their dream of financial security is in serious danger When things become desperate they come to the realization they have only one recourse Killing Tom From a Facebook post by the author Every other word out of the two heroes mouths is an f bomb they abuse drugs and alcohol with abandon one is in love with what may or may not be a transvestite they want to kill an insane bloodthirsty attorney who wears women s lingerie and thinks he s an Apache and there is a hyperactive sheepdog That s right Killing Tom goes to press **Play Hungry** Pete Rose,2020-06-02 A New York Times Bestseller The inside story of how Pete Rose became one of the greatest and most controversial players in the history of baseball Pete Rose was a legend on the field As baseball s Hit King he shattered records that were thought to be unbreakable And during the 1970s he was the leader of the Big Red Machine the Cincinnati Reds team that dominated the game But he s also the greatest player who may never enter the Hall of Fame because of his lifetime ban from the sport Perhaps no other ballplayer s story is so representative of the triumphs and tragedies of our national pastime In Play Hungry Rose tells us the story of how through hard work and sheer will he became one of the unlikeliest stars of the game Guided by the dad he idolized a local sports hero Pete learned to play hard and always focus on winning But even with his dad s guidance Pete was cut from his team as a teenager he wasn t a natural Rose was determined though and never would be satisfied with anything less than success His relentless hustle and headfirst style would help him overcome his limitations leading him to one of the most exciting and brash careers in the history of the sport Play Hungry is Pete Rose s love letter to the game and an unvarnished story of life on the diamond One of the icons of a golden age in baseball he describes just what it was like to hit or try to hit a Bob Gibson fastball or a Gaylord Perry spitball what happened in that infamous collision at home plate during the 1970 All Star Game and what it felt like to topple Ty Cobb s hit record And he speaks to how he let down his fans his teammates and the memory of his dad when he gambled on baseball breaking the rules of a sport that he loved more than anything else Told with candor and wry humor including tales he s never told before Rose s memoir is his final word on the glories and controversies of his life and ultimately a master class in how to succeed when the odds are stacked against you **Mitch, Please!** Matt Jones,2020-03-31 NEW YORK TIMES BESTSELLER THE WALL STREET JOURNAL BESTSELLER From the founder of Kentucky Sports Radio and attorney Matt Jones a withering humorous look at how Mitch McConnell has been bad for Kentucky and why he needs to be voted out in 2020 They say all politics is local In 2020 Mitch McConnell will have served five full terms as a US Senator Thirty years The Senate Majority leader s power is as undeniable as it is infuriating and the people of Kentucky have had enough Led by Matt Jones they and they alone have the power to oust him from office How did

Jones a local boy turned attorney turned sports radio host come to shine the brightest light on McConnell's ineptitude Simple he knows Kentucky inside and out and has used the state's love of sports as an entry point for showcasing how McConnell has failed his fellow citizens both economically and socially for three decades Entertaining maddening yet ultimately inspiring these stories from Kentuckians in each of its 120 counties illustrate the Senate Majority leader's stunning shortcomings Jones infuses his trademark wit and wisdom throughout while also offering a beautiful portrait of a state with arguably the most untapped potential in our country Ultimately the white hot hatred for McConnell on the coasts is just white noise Only the people of Kentucky can remove him from office Here Matt Jones demonstrates he has the influence charisma and institutional knowledge to lead the charge He and his fellow Kentuckians have had enough and they're ready for a fight
