

The background of the image is a scenic landscape at dusk or dawn. A dark, silhouetted mountain range stretches across the middle ground, with a prominent peak in the center. The sky above is a gradient of warm colors, from deep orange near the horizon to a darker, muted brown at the top. The foreground shows a calm body of water reflecting the light from the sky. The overall mood is serene and contemplative.

The Breath of God Etienne Veto, 2019-11-27 The Holy Spirit is in a way the most mysterious of the three names of God For many it is the unknown God Acts 17 23 How can a Spirit be love How can it be a person What role can a Spirit have in the trinitarian relations In The Breath of God Vet argues that a more exact comprehension of the third divine person can be reached by considering the way it acts in the economy of salvation and how it reveals itself in its scriptural names Ruah and Pneuma breath or wind Just as in the eternal life of God the Father and the Son are precisely what their names designate likewise the Holy Spirit is the Breath of God The procession of the Spirit is the breathing out of the Father into the Son the communication of one intimacy into another and the breathing back of the Son into the Father This leads to reshaping many aspects of trinitarian theology in particular divine personhood It is also fruitful for the believer's life of prayer because it offers a better understanding of the distinct relationship one can have to Father Son and Spirit

The Ministry of the Word, Vol. 22, No. 05 Various Authors, 2018-05-01 This issue of The Ministry of the Word contains the final eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures God's ultimate intention is to gain a corporate God man for His corporate manifestation The intrinsic element of God's eternal economy is that the Triune God in humanity the wonderful Christ as the Spirit of the glorified Jesus is sown into God's chosen people as the seed of life the seed of God so that He might grow in them live in them develop in them and be expressed from within them as the farm of God for the building up of the church as the house of God and the kingdom of God The seed of life is actually God in Christ as the Spirit through His word sown into us This seed contains everything related to God's economy to the divine life and to the growth development and function of that life The seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive Christ The seed of life sown into us needs to grow to maturity so that we may be the kingdom of God In resurrection Christ became a life giving Spirit for imparting life The life giving Spirit is the extract the essence the concentrated form of the all inclusive Christ The totality of all that the all inclusive Christ is as the life giving Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to

grow into the kingdom Second Peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God s life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God s desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God s heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God s complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God s salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God s life sanctification with God s holy nature renewing with God s element transformation with God s being conformation into God s image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God s organic salvation are carried out by Christ as the

life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God's holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God's organic salvation equals reigning in Christ's life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

The Ministry of the Word, Vol. 24, No. 03 Various Authors, 2020-03-01 This issue of The Ministry of the Word contains the first seven messages given during the Fall 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Christian Life A Christian is one with Christ and belongs to Christ has Christ's life and nature and lives by Christ and lives Christ The Christian life is a life in which the believers live Christ and magnify Christ the One who has the unique eternal life and who is the center of the Divine Trinity and the embodiment of the Triune God God desires that the divine life and the human life be joined to become one life this oneness is a union in life The Christian life is not an exchanged life the exchange of a lower life for a higher one but a grafted life the grafting of the redeemed human life into the divine life and the mingling of the human life with the divine life Through this grafting we are united mingled and incorporated with Christ to become in Him an enlarged universal divine and human incorporation the Body of Christ which consummates the New Jerusalem We need to increase in the excellency of the knowledge of the all inclusive unsearchably rich Christ who wants to live His life in us Christ is the will of God man the unique One who seeks the Father's will the One who lives in the reality of the kingdom of the heavens the reality of God man a man under authority the One who was obedient unto death and the Triune God man The genuine Christian life is a life filled with the processed and consummated Triune God The Triune God processed and consummated in the divine economy is the contents of the Christian life In order to understand what the Christian life is we need to see a vision of the all inclusive indwelling Spirit as the consummation of the processed and consummated Triune God We need to realize that the Triune God has been processed and consummated to be the all inclusive indwelling Spirit The normal Christian life depends upon our knowing and experiencing the all inclusive indwelling Spirit as breath The consummated Spirit as the breath is everything to us in living the Christian life only the breath the Spirit can be a Christian The Triune God in Christ is life to us by shining in our hearts In the Bible there is a close inseparable connection between light and life If we want to grow in life we need more of the light of life The gospel is the gospel of the glory of God which shines in the human heart begetting life through regeneration in our spirit The more we exercise our spirit to contact Christ who is life the more light we receive Then as light shines through the Word fellowship and ministry spontaneously more life comes forth This is the cycle of the Christian life in the experience and growth in life

The illumination of the knowledge of the glory of God is in the face of Jesus Christ this indicates that the gospel of the glory of Christ is a lovely person in whose face we can see the glory of God Through the illumination of the gospel of the glory of Christ the Christ of glory as the excellent treasure is received by the believers now the shining reality of Christ the embodiment and expression of the Triune God is the treasure within us The Spirit of reality guides us into all the divine reality which is the Triune God and His word Through the Spirit the reality of the Triune God is transmitted into us thus the reality into which the Spirit guides us is the reality of the Triune God As the Spirit of reality guides us into the divine reality by transmitting this reality into us the divine reality the processed and consummated Triune God becomes the constituent of our being The Christian life comes out of such a constituting work of the Spirit The Spirit has been commissioned by the Godhead in His Trinity to come to function by applying what God the Son Christ has accomplished according to what God the Father has planned in His economy The New Testament reveals various functions of the all inclusive Spirit in the Christian life The all inclusive Spirit gives life to the believers sanctifies the believers saturating all the inward parts of their being with God's nature of holiness renews the believers transforms the believers searches and reveals to the believers all things concerning Christ as the depths of God becomes the joy in the believers for the kingdom of God and becomes the essence for the organic building up of the Body of Christ which building up is the total function of the all inclusive Spirit dwelling in all of us To live the Christian life we need to have a vision of the seven aspects of Christ's person and work in His all inclusive death In His all inclusive death Christ was the Lamb of God taking away the sin of the world died as a man in the flesh causing sin to be condemned in the flesh by God was the last Adam causing the old man to be crucified was the Firstborn of all creation terminating the old creation was the reality of the bronze serpent destroying the devil who has the might of death died as the Peace maker and died as a grain of wheat falling into the ground for the release of the divine life to produce many grains The Reports and Announcements sections contains an Update on Rhema Mass Distribution in India Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
