

A cable-stayed bridge is shown against a sunset sky. The bridge's dark structure, including its tall pylon and stay cables, is silhouetted against the bright orange and yellow light of the setting sun. The bridge spans a body of water, which reflects the intense light from the horizon. The overall mood is serene and contemplative.

Never burn bridges. If it's a
faulty bridge then close it
off and let it fall on its own.
