The Angola Horror Charity Vogel, 2013-08-30 On December 18 1867 the Buffalo and Erie Railroad s eastbound New York Express derailed as it approached the high truss bridge over Big Sister Creek just east of the small settlement of Angola New York on the shores of Lake Erie The last two cars of the express train were pitched completely off the tracks and plummeted into the creek bed below When they struck bottom one of the wrecked cars was immediately engulfed in flames as the heating stoves in the coach spilled out coals and ignited its wooden timbers The other car was badly smashed About fifty people died at the bottom of the gorge or shortly thereafter and dozens more were injured Rescuers from the small rural community responded with haste but there was almost nothing they could do but listen to the cries of the dying and carry away the dead and injured thrown clear of the fiery wreck The next day and in the weeks that followed newspapers across the country carried news of the Angola Horror one of the deadliest railway accidents to that point in U S history In a dramatic historical narrative Charity Vogel tells the gripping true to life story of the wreck and the characters involved in the tragic accident Her tale weaves together the stories of the people some unknown others soon to be famous caught up in the disaster the facts of the New York Express s fateful run the fiery scenes in the creek ravine and the subsequent legal legislative and journalistic search for answers to the question what had happened at Angola and why The Angola Horror is a classic story of disaster and its aftermath in which events coincide to produce horrific consequences and people are forced to respond to experiences that test the limits of their endurance Vogel sets the Angola Horror against a broader context of the developing technology of railroads the culture of the nation s print media the public policy legislation of the post Civil War era and finally the culture of death and mourning in the Victorian period The Angola Horror sheds light on the psyche of the American nation The fatal wreck of an express train nine years later during a similar bridge crossing in Ashtabula Ohio serves as a chilling coda to the story

To Be and How to Be Peggy Rubin, 2013-01-07 Life can be experienced as a great play sometimes a comedy sometimes a tragedy sometimes an epic sometimes a satire but always a play We can think of ourselves as the main character in our own story Author Peggy Rubin brilliantly uses traditional theatre as a metaphor for living life more authentically and joyfully To understand our lives as a sacred art form Rubin traces the roots of theatre to ancient rituals that celebrated the eternal nature of the soul She provides the tools to tap into the nine powers of sacred theatre so that our lives can resonate with our highest purpose including The Power of Incarnation The Power of Story The Power of Place The Power of Now The Power of Expression The Power of Point of View The Power of

Conflict The Power of Audience and The Power of Celebration Playing the play of life is a daring adventure says Rubin It takes courage focus excitement and intention to stop just letting our stories happen and instead enact them with verve and delight Here she invites readers to take the stage of life and play their story for all it is worth Against the Academics Saint Augustine, 2019-06-25 A fresh new translation of Augustine's inaugural work as a Christian convert The first four works written by St Augustine of Hippo after his conversion to Christianity are the remarkable Cassiciacum dialogues In this first dialogue expertly translated by Michael Foley Augustine and his interlocutors explore the history and teachings of Academic skepticism which Augustine is both sympathetic to and critical of The dialogue serves as a fitting launching point for a knowledge of God and the soul the overall subject of the Cassiciacum tetralogy Latin American History Goes to the Movies Stewart Brewer, 2015-09-25 Latin American History Goes to the Movies combines the study of the rich history of Latin America with the medium of feature film In this concise and accessible book author Stewart Brewer helps readers understand key themes and issues in Latin American history from pre Columbian times to the present by examining how they have been treated in a variety of films Moving chronologically across Latin American history and pairing historical background with explorations of selected films the chapters cover vital topics including the Spanish conquest and colonialism revolution religion women U S Latin American relations and more Through films such as City of God Frida and Che Brewer shows how history is retold and what that retelling means for public memory From Apocalypto to Selena and from Christopher Columbus to the slave trade Latin American History Goes to the Movies sets the record straight between the realities of history and cinematic depictions and gives readers a solid foundation for using film to understand the complexities of Latin America's rich and vibrant history On the Happy Life Saint Augustine, 2019-06-25 A fresh new translation of Augustine's inaugural work as a Christian convert The first four works written by St Augustine of Hippo after his conversion to Christianity are the Cassiciacum dialogues which have influenced prominent thinkers from Boethius to Bernard Lonergan In this second brief dialogue expertly translated by Michael Foley Augustine and his mother brother son and friends celebrate his thirty second birthday by having a feast of words on the nature of happiness They conclude that the truly happy life consists of having God through faith hope and charity *Doors in the Walls of the World* Peter Kreeft, 2018-06-14 There are more things in heaven and earth Horatio than are dreamt of in your philosophy Hamlet After William Shakespeare's Horatio sees the ghost of Hamlet's father and scarcely believes his own eyes Hamlet tells him that there is more to reality than he can know or imagine including ghosts Hamlet's statement suggests that the walls of the material world which we perceive with our senses and analyze with our intellects have doors that open into the More beyond them Philosopher Peter Kreeft explains in this book that the More includes The Absolute Good Platonic Forms God gods angels spirits ghosts souls Brahman Rta the Hindu ontological basis for cosmological karma Nirvana Tao the will of Heaven The Meaning of It All Something that deserves a capital letter With razor sharp reasoning and irrepressible joy Kreeft helps

us to find the doors in the walls of the world Drawing on history physical science psychology religion philosophy literature and art he invites us to welcome what lies on the other side so that we can begin living the life of Heaven in the here and now

The Measure of Our Age M.T. Connolly,2023-07-18 An expert on elder justice maps the challenges of aging how things go wrong and presents powerful tools we can use to forge better long lives for ourselves our families and our communities As tens of millions of Americans are living longer lives longevity is creating challenges that cut across race class and gender Caregivers help older relatives for free but with high costs to themselves in time money jobs and health Scammers target countless seniors The institutions built to protect older people like nursing homes and guardianship too often harm them instead And epidemics of isolation and loneliness make older people vulnerable to all sorts of harm In *The Measure of Our Age* elder justice expert and MacArthur genius grant recipient M T Connolly investigates the systems we count on to protect us as we age Weaving first person accounts her own experience and shocking investigative reporting she exposes a reality that has long been hidden and sometimes actively covered up But her investigation also reveals reasons for hope within everyone s grasp Connolly s strategies and action plans for navigating the many challenges of aging will appeal to a wide range of readers adult children caring for aging parents policymakers trying to do the right thing and should we be so lucky as to live to old age all of us This book transforms how we think about aging *On Order* Saint

Augustine,2020-10-27 A fresh new translation of Augustine s third work as a Christian convert The first four works written by St Augustine of Hippo after his conversion to Christianity are dialogues that have influenced prominent thinkers from Boethius to Bernard Lonergan Usually called the *Cassiciacum* dialogues these four works are of a high literary and intellectual quality combining Ciceronian and neo Platonic philosophy Roman comedy and Vergilian poetry and early Christian theology They are also arguably Augustine s most charming works exhibiting his whimsical levity and ironic wryness *On Order* is the third work in this tetralogy and it is Augustine s only work explicitly devoted to theodicy the reconciliation of Almighty God s goodness with evil s existence In this dialogue Augustine argues that a certain kind of self knowledge is the key to unlocking the answers to theodicy s vexing questions and he devotes the latter half of the dialogue to an excursus on the liberal arts as disciplines that will help strengthen the mind to know itself and God Genreified Classics

Tina Frolund,2007 A guide to classic literary works that identifies the common themes and characteristics of more than four hundred classic fiction works and offers suggestions on how to improve teen and adult readers interest in the works

Keep the Book Open Thomas Kadel,2017-06-12 WHY There is no deeper spiritual cry than this But when a disaster survivor looks heavenward and cries Why they may actually be asking many questions in that simple three letter word They may be wondering about God s love or about their own worthiness Why is the knee jerk reaction to the resulting chaos when the unimaginable and unexpected invades our lives In *Keep the Book Open* Thomas Kadel offers a unique way to hear the

stories of disaster survivors called Narrative Listening It focuses our attention on listening to the life of the survivor rather than simply the events of the disaster Kadel urges spiritual caregivers to become the enfleshed presence of God through this special kind of listening and by being fully present with those they serve It describes a kind of caring that seeks to assist survivors make sense out of no sense meaning out of no meaning and life purpose out of unfocused chaos He points out that the goal of this kind of care is integration and not exorcism of the survivor s trauma Throughout he reminds responders that their care needs to focus on keeping the survivor s book of life open to the hope that spawns resiliency and aims at a life that is full and rich The final chapter invites readers into an interactive discussion of the cultural effects of secondary trauma in America at www.sacredturf.org and asks if Disaster Spiritual Care needs to be re thought to attend to those affected by the many acts of terrorism and natural disaster we have vicariously experienced through the media
