

The background of the book cover is a detailed black and white illustration. It depicts a large, dense crowd of people gathered in a city square or street. In the background, a tall, prominent building with a clock tower or similar structure is visible, along with other buildings and trees. The scene suggests a significant public event or demonstration.

The British Labour Movement 1770 19:

A Bibliography of British Industrial Relations 1971-1979 George Sayers Bain, J. D. Bennett, 1985-12-05 The bibliography contains references to literature on British industrial relations published in the years 1971 to 1979 inclusive It includes books periodical articles theses government publications pamphlets and any other relevant publications As well as general material on industrial relations the bibliography includes material on employee attitudes and behaviour employee organisation employers and their organisation collective bargaining industrial conflict industrial democracy the labour market training employment unemployment labour mobility pay conditions and the role of the state in industrial relations It is cross referenced and has an author index It is a supplement to the volume compiled by George Bain and Gillian Woolven published by the Press in 1979 and for the years since 1980 is itself updated by annual articles in the British Journal of Industrial Relations The material is arranged by subject and chronologically within that framework

Labour's Path to Political Independence Barry Gustafson, 2013-11-01 Labour's Path to Political Independence remains the best introduction to the origins of one of New Zealand's two major political parties Not only does it trace the birth of the Labour Party but it sheds light on the political economic and social history of New Zealand during the years 1900 19 Gustafson demonstrates that political parties are not impersonal structures but are dynamic in their make up living entities of interaction and change While party members are bound together in their commitment by common ideals and goals their detailed interests and values often differ making for rich variety Gustafson's highly readable account is enriched by his careful selection of over 100 illustrations and a comprehensive biographical appendix of major figures associated with the early history of the New Zealand Labour Party

The British Consumer Co-operative Movement and Film, 1890s-1960s Alan Burton, 2005-09-03 This volume provides a new study on the Co-operative Movement's engagement with film for educational cultural and publicity purposes It provides insights into the political and commercial use of cinema in the 20th century and significantly extends our understanding of the achievements of workers cinema in Britain

A. L. Morton and the Radical Tradition James Crossley, 2025-01-21 This is the first book length treatment of the life and thought of the Communist intellectual A L Morton 1903 1987 who pioneered studies of utopianism radical history and English national identity Morton is now best known for A People's History of England 1938 and The English Utopia 1952 but his output was vast and he was once widely read in socialist circles and beyond He published on the English Revolution Chartism the emergence of the British labour movement the legacy of utopianism in working class movements Arthurian legends Shakespeare the Brontë sisters Robert Owen William Morris millenarianism imperialism and much more Through extensive archival work including recently released secret service files and a close reading of Morton's publications this book shows how Morton was a key influence on the famed generation of British Marxist historians associated with the postwar Communist Party Historians Group often anticipating their more celebrated findings This book analyses the interrelated significance of Morton's political

work and his role within the Communist Party of Great Britain at crucial points in its history The book further functions then as a story of English socialism and Communism during the Cold War **The British Labour Movement** Arthur Leslie Morton,1973 **A Bibliography of Industrial Relations** G. S. Bain,Gillian B. Woolven,G. B. Woolven,1979-03-29 Reference book comprising a bibliography aiming to bring together secondary source interdisciplinary material on labour relations in the UK between the years 1880 and 1970 covers employees attitudes trade unions and employees associations employers organizations the labour market and working conditions etc Empire and Jihad Neil Faulkner,2021-08-24 A panoramic provocative account of the clash between British imperialism and Arab jihadism in Africa between 1870 and 1920 The Ottoman Sultan called for a Great Jihad against the Entente powers at the start of the First World War He was building on half a century of conflict between British colonialism and the people of the Middle East and North Africa Resistance to Western violence increasingly took the form of radical Islamic insurgency Ranging from the forests of Central Africa to the deserts of Egypt Sudan and Somaliland Neil Faulkner explores a fatal collision between two forms of oppression one rooted in the ancient slave trade the other in modern coolie capitalism He reveals the complex interactions between anti slavery humanitarianism British hostility to embryonic Arab nationalism war on terror moral panics and Islamist revolt Far from being an enduring remnant of the medieval past or an essential expression of Muslim identity Faulkner argues that Holy War was a reactionary response to the violence of modern imperialism **The British Labour Movement, 1770-1920** Arthur Leslie Morton,George Tate,1957 *The Poetry of Chartism* Mike Sanders,2009-03-05 This book explores the contribution made by Chartist poetry to the struggle for fundamental democratic rights *The British Labour Movement, 1770-1920* Arthur Leslie Morton,George Tate,1979 Atlas of British Social and Economic History Since c.1700 Mr Rex Pope,Rex Pope,2002-03-11 All students of history use maps This atlas is designed specifically to enhance the understanding of British history since 1700 as well as emphasizing social as well as economic change The contributors are all subject specialists who have taught in higher education institutions and a large proportion of both maps and text is based on their own original research The combination of maps and text is intended to illustrate not only historical developments such as the spread of agriculture or the growth of an integrated transport system but also regional contrasts at points in time The end product offers support for those historians who question the usefulness of thinking in terms of national economic histories

Britain's Empires James Heartfield,2022-12-06 For more than four centuries Britons have been dominating and colonising other peoples and territories Britain s Empires tells that story without flinching from the oppressive and exploitative side of the imperial mission that shaped world history It also aims to tell the story of the colonial past as one marked by change and reinvention where each new era was embarked upon as a break with the past This is history of the many different British Empires the Old Colonial System 1600 1776 the Empire of Free Trade 1776 1870 the New Imperialism 1870 1945 Decolonisation 1945 1990 and the era of humanitarian intervention 1990 2020 Britain s Empires explains how

imperial policy dominated and skewed the history of societies across the world from Canada and the West Indies to Ireland from Africa to the Middle East from India to China and into Australasia but also how the peoples of those territories imposed themselves on Britain challenging slavery standing up to colonial overlords and eventually overthrowing them The history of Britain s Empires explains Heartfield is one of constant challenge and change where vanquished become victors and heroes often turn out to be villains

Hegel for Social Movements Andy Blunden,2019-06-17 Hegel for Social Movements by Andy Blunden is an introduction to the reading of Hegel intended for those already active in social movements It introduces Hegel s ideas in a way which will be useful for those fighting for social change and while some familiarity with philosophy would be an advantage for the reader the main pre requisite is a commitment to the practical pursuit of ideal aims The book covers the whole sweep of Hegel s writing but focuses particularly on the Logic and Hegel s social theory the Philosophy of Right Blunden brings to his exposition an original interpretation of Hegel s Logic as the logic of social change utilizing his expertise in Vygotsky s cultural psychology and Soviet Activity Theory

The Women's Land Army in First World War Britain B. White,2014-07-16 Between 1917 and 1919 women enlisted in the Women s Land Army a national organisation with the task of increasing domestic food production Behind the scenes organisers laboured to not only recruit an army of women workers but to also dispel public fears that Britain s Land Girls would be defeminized and devalued by their wartime experiences
