Carol Duncan

The British Museum Purpose And Politics:

The British Museum David Mackenzie Wilson,1989 Indl g i debatten om museerrolle i det 20 rhundrede *British Museum: Purpose and Politics* ,1989 **Who Owns Antiquity?** James Cuno,2010-10-18 Whether antiquities should be returned to the countries where they were found is one of the most urgent and controversial issues in the art world today and it has pitted museums private collectors and dealers against source countries archaeologists and academics Maintaining that the acquisition of undocumented antiquities by museums encourages the looting of archaeological sites countries such as Italy Greece Egypt Turkey and China have claimed ancient artifacts as state property called for their return from museums around the world and passed laws against their future export But in *Who Owns Antiquity* one of the world s leading museum directors vigorously challenges this nationalistic position arguing that it is damaging and often disingenuous Antiquities James Cuno argues are the cultural property of all humankind evidence of the world s ancient past and not that of a particular modern nation They comprise antiquity and antiquity knows no borders Cuno argues that nationalistic retention and reclamation policies impede common access to this common heritage and encourage a dubious and dangerous politicization of antiquities and of culture itself Antiquities need to be protected from looting but also from nationalistic identity politics To do this Cuno calls for measures to broaden rather than restrict international access to antiquities He advocates restoration of the system under which source countries would share newly discovered artifacts in exchange for archaeological help and he argues that museums should again be allowed reasonable ways to acquire undocumented antiquities Cuno explains how partage broadened access to our ancient heritage and helped create national museums in Cairo Baghdad and Kabul The first extended defense of the side of museums in the struggle over antiquities *Who Owns Antiquity* is sure to be as important as it is controversial Some images inside the book are unavailable due to digital copyright restrictions [The British Museum](#) James Hamilton,2018-04-05 A concise history of one of the world s greatest and most comprehensive museum collections from its founding in 1753 A product and symbol of the 18th century Enlightenment the British Museum is as iconic an expression of that cultural tendency as Johnson s Dictionary the French Encyclopedie and Linnaean plant classification Its collections embody the raw material of empiricism the bringing together of things to enable the widest intellectual experiment to take place James Hamilton explores the establishment of the Museum in the 1750s from the bequest to the nation of the collections of Sir Hans Sloane the chosen site of its location the cultural context in which it came into being the subsequent development expansion and diversification of the Museum both as a collection and as a building from the early 19th to the 21st century the controversy occasioned by some of its acquisitions and the legacy and influence of the Museum nationally and globally **Photography, Natural History and the Nineteenth-Century Museum** Kathleen Davidson,2017-12-02 The Victorian era heralded an age of transformation in which momentous changes in the field of natural history coincided with the rise of new visual technologies Concurrently different parts of the British

Empire began to more actively claim their right to being acknowledged as indispensable contributors to knowledge and the progress of empire This book addresses the complex relationship between natural history and photography from the 1850s to the 1880s in Britain and its colonies Australia New Zealand and to a lesser extent India Coinciding with the rise of the modern museum photography's arrival was timely and it rapidly became an essential technology for recording and publicising rare objects and valuable collections Also during this period the medium assumed a more significant role in the professional practices and reputations of naturalists than has been previously recognized and it figured increasingly within the expanding specialized networks that were central to the production and dissemination of new knowledge In an interrogation that ranges from the first forays into museum photography and early attempts to document collecting expeditions to the importance of traditional and photographic portraiture for the recognition of scientific discoveries this book not only recasts the parameters of what we actually identify as natural history photography in the Victorian era but also how we understand the very structure of empire in relation to this genre at that time

Civilizing Rituals

Carol Duncan, 2005-06-20 Illustrated with over fifty photos Civilizing Rituals merges contemporary debates with lively discussion and explores central issues involved in the making and displaying of art as industry and how it is presented to the community Carol Duncan looks at how nations institutions and private individuals present art and how art museums are shaped by cultural social and political determinants Civilizing Rituals is ideal reading for students of art history and museum studies and professionals in the field will also find much of interest here

The Oxford Companion to Archaeology Neil Asher Silberman, Alexander A. Bauer, Cornelius Holtorf, Margarita Díaz-Andreu García, Emma Waterton, 2012

The Case for Repatriating China's Cultural Objects Zuo Zhen Liu, 2016-02-25 This book investigates China's demands for the repatriation of Chinese cultural relics lost during the country's modern history It addresses two main research questions Can the original owners or their rightful successors of cultural objects looted stolen or illicitly exported before the adoption of the 1954 Hague Convention and the 1970 UNESCO Convention reclaim their cultural objects pursuant to remedies provided by international or national law And what are the philosophical ethical and cultural considerations of identity underlying the international conventions protecting cultural objects and claims made for repatriating them The first part of the book explores current positive legal regimes while the second part focuses on the philosophical ethical and cultural considerations regarding repatriation of cultural objects Consisting of seven chapters and an introduction it outlines the loss of Chinese cultural relics in modern history and the normative framework for the protection of cultural heritage It presents case studies designed to assess the possibility of seeking legal remedies for restitution under contemporary legal regimes and examines the cultural and ethical issues underpinning the international conventions protecting cultural heritage and claims for the repatriation of cultural heritage It also discusses issues of cultural identity the right to cultural identity and heritage multiculturalism the politics of recognition cosmopolitanism the right to cultural heritage and other related issues The

concluding chapter answers the two research questions and offers suggestions for future research *Museum Provision and Professionalism* Gaynor Kavanagh, 2005-06-20 Museums are public places where objects images and memories are kept and shared They exist in infinite variety and contradiction They can be places of great excitement and great boredom sharply insightful and hopelessly bland Museums are anything that the political climate and the imagination allows them to be No two museums are the same The papers which make up this volume give ample evidence of the variety of views that exist about museums They also demonstrate that museums and museum professionals are moving forward with energy and conviction This volume will be invaluable to students and museum professionals and will provoke them to consider museum provision and professionalism in all their forms **Virtual Art History** Tanya Szrajber, 1998 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *Poetic Exhibitions* Eric Gidal, 2001 In the process of tracing poetic and critical responses to the museum and its collections Poem Exhibitions simultaneously demonstrates the impact of nationalist ideologies and scientific discourse on formal and thematic developments in Romantic poetry and aesthetics

The Saturday Review of Politics, Literature, Science and Art ,1862 **A Century of British Medieval Studies** Alan Deyermond, 2007-11-29 This is an authoritative guide to the full range of medieval scholarship undertaken in twentieth century Britain history archaeology language culture Some of the twenty nine essays focus on changes in research method or on the achievements of individual scholars others are personal accounts of a lifetime s work **Museum Diplomacy in the Digital Age** Natalia Grincheva, 2020-07-06 Museum Diplomacy in the Digital Age explores online museums as sites of contemporary cultural diplomacy Building on scholarship that highlights how museums can constitute and regulate citizens construct national communities and project messages across borders the book explores the political powers of museums in their online spaces Demonstrating that digital media allow museums to reach far beyond their physical locations Grincheva investigates whether online audiences are given the tools to co curate museums and their collections to establish new pathways for international cultural relations exchange and potentially diplomacy Evaluating the online capacities of museums to exert cultural impacts the book illuminates how online museum narratives shape audience perceptions and redefine their cultural attitudes and identities Museum Diplomacy in the Digital Age will be of interest to academics and students teaching or taking courses on museums and heritage communication and media cultural studies cultural diplomacy international relations and digital humanities It will also be useful to practitioners around the world who want to learn more about the effect digital museum experiences have on international audiences Museums and the First World War Gaynor Kavanagh, 1994-01-01 This volume is concerned with how during four demanding dislocating and world changing years the museum that most Victorian of institutions was forced to meet the extraordinary test of war on the home front Museums were no more immune from the pressures of war than any other institution Their history reflects the broader history of the home front and the efforts made to do the right thing at the right time The changes they experienced some long term others

transitory do much to explain the nature and character of museums in Britain today The author covers the progress of museums from just before the advent of war to the immediate post war period and considers this in relation to changing social attitudes and economic conditions

Representing the Nation Jessica Evans, David Boswell, 1999 Representing the Nation gathers key writings from leading cultural thinkers to ask what role cultural institutions play in creating and shaping our sense of ourselves as a nation

The Museum of Mankind Ben Burt, 2019-08-16 The Museum of Mankind was an innovative and popular showcase for minority cultures from around the non Western world from 1970 to 1997 This memoir is a critical appreciation of its achievements in the various roles of a national museum of the personalities of its staff and of the issues raised in the representation of exotic cultures Issues of changing museum theory and practice are raised in a detailed case study that also focuses on the social life of the museum community This is the first history of a remarkable museum and a memorable interlude in the long history of one of the world's oldest and greatest museums Although not presented as an academic study it should be useful for museum and cultural studies as well as a wider readership interested in the British Museum

Manual of Curatorship John M. A. Thompson, 2015-07-17 Based on original contributions by specialists this manual covers both the theory and the practice required in the management of museums It is intended for all museum and art gallery profession staff and includes sections on new technology marketing volunteers and museum libraries

Report of the Commissioners Appointed to Inquire Into the Constitution and Government of the British Museum Great Britain. Commissioners appointed to inquire into the Constitution and Government of the British Museum, 1850

Histories of Exhibition Design in the Museum Kate Guy, Hajra Williams, Claire Wintle, 2023-11-30 Histories of Exhibition Design in the Museum Makers Process and Practice offers a new model for understanding exhibition design in museums as a human and material process It presents diverse case studies from around the world from the nineteenth century to the recent past It moves beyond the power of the finished exhibition over both objects and visitors to highlight historic exhibition making as an ongoing task of adaptation experimentation and interaction that involves intellectual creative and technical choices Attentive to hierarchies of ethnicity race class gender sexuality and ableism that have informed exhibition design and its histories the volume highlights the labour involved in making museum exhibitions It presents design as filled with personal and professional demands on the body senses and emotions Contributions from historians anthropologists and exhibition makers focus on histories of identity collaboration and hierarchy behind the scenes of the museum They argue for an emphasis on the everyday objects of museum design and the importance of a diverse range of actors within and beyond the museum from carpenters and label writers to volunteers and local communities Histories of Exhibition Design in the Museum offers scholars students and professionals working across the museum and design sectors insight into how past methods still influence museums today Through a postcolonial and decolonial lens it reveals the lineage of current processes and supports a more informed contemporary practice

The British Museum Purpose And Politics Introduction

In today's digital age, the availability of The British Museum Purpose And Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The British Museum Purpose And Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The British Museum Purpose And Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The British Museum Purpose And Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The British Museum Purpose And Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The British Museum Purpose And Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The British Museum Purpose And Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The British Museum Purpose And Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The British Museum Purpose And Politics books and manuals for download and embark on your journey of knowledge?

FAQs About The British Museum Purpose And Politics Books

1. Where can I buy The British Museum Purpose And Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
