Not My Will Brenda Poinsett, 2013-09-02 As believers we are often reluctant to admit there are things we cannot change We wrestle and struggle to figure out how we can regain control or we try to rationalize and understand why things happened We pray We expect God to change the situation Yet over time when nothing happens we soon find that we have been robbed of our inner peace and joy In *Not My Will* author Brenda Poinsett shares the life transforming lessons she learned from Jesus prayer life practical lessons that have carried her and others through a range of unchangeable moments Her unique perspective gives readers special encouragement as she answers the question How do you pray about something you can't change In this book regardless of your situation job loss personal limitations terminal illness or even the death of a loved one you can learn how to come to terms with things that can't be changed by looking at Jesus from His baptism to the Cross Specifically Brenda takes an in depth look at the prayer of Jesus Each chapter includes a significant quote that captures the essence of the chapter and sets the tone a reflective exercise for application a sample prayer

Transforming Pastoral Leadership Quentin P. Kinnison, 2016-05-20 For many congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views the pastor as responsible for maintaining the status quo *Transforming Pastoral Leadership* responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ's preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations *Transforming Pastoral Leadership* suggests two processes that might help congregations discern God's missional promptings as they move forward into God's future and experience conflict as opportunities for transformation

to accept it The Secularization of Baptism Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

Seyda, 2024-05-16 Here

John advises us that loving one another is not an option or a suggestion it is a commandment John doesn t want any believer to become like Adam and Eve s firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That s why death has no power over us And that s why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That s why if we love God we will not be afraid of Him So how do we know that we love God s children We know it when we

Butler, 2009-09-01 The Great Commission stands as the single most important aspect of New Testament mandates and without its realization Christianity would have died believers would have failed to pass Christian truths to others Obviously Jesus mandate to make disciples continues to impact the world and through this manuscript author Dr

Daniel Butler has thoroughly examined the Great Commission texts Furthermore by considering the only history book of the church in the New Testament Acts the study examines the church s understanding implementation and fulfilment of Jesus commissioning words Although the Great Commission may appear flawed with discrepancy at first blush the student of this material will walk with the author through each of Jesus commissioned texts in detail compare their similarities contrast any differences and emerge with a consolidated grasp of Jesus mandate to make disciples By reconciling every potential discrepancy distilling the commission elements into a summary and examining the disciples response in the book of Acts the student of this study will experience enlightenment and understanding through grasping Jesus most important words and observing the early church s fulfilment

A New Look at the Last Things John E. Gore, 2011-12-05 Matters pertaining to our Lord s second coming heaven hell and associated topics are often set aside by Christians sometimes for very understandable reasons Dogmatic predictions based on bizarre calculations from the Bible and equally zealous disciples aggressively promoting their view point as the only right interpretation of Scripture have caused many believers to lose interest in this wonderful aspect of biblical truth In *A New Look at the Last Things* the reader will find a careful overview of various topics relating to the Last Things Different interpretations are discussed and the merits of each is evaluated enabling the reader to come to a fuller understanding of what the apostles taught concerning these matters
