Jr.; New Testament consulting editors: MacGorman, J. William and Stagg, F.), 1973      **The Broadman Bible Commentary**, 1973      **The Broadman Bible Commentary** Clifton J. Allen, 1970      *The Broadman Bible Commentary* Clifton J. Allen, John I. Durham, 1969      **Baptist Theology** James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal      **Bible Knowledge Commentary: Old Testament** John F. Walvoord, Roy B. Zuck, 1985-07 The Bible Knowledge Commentary answers questions about the Scriptures discussing all the Bible verse by verse and often phrase by phrase In addition maps charts and diagrams help readers grasp the meanings of the biblical text      **Semanatorul (The Sower), Volume One, Number Two** Hamilton Moore, Ilie Soritau, Adrian Giorgiov, 2019-02-19 About the Theology Journal This is the second issue of Volume 1 of Sem n torul The Sower The Emanuel Journal of Ministry and Biblical Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research

Centre We are also grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that the celebration of the Lord s Supper is memorial in character It brings blessing through comprehending the risen Christ by faith It also provides an opportunity for a visible act of proclamation of the Lord s death

Theology Journal Papers Other papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological perspective made such an impact on missionary thinking in the nineteenth century The life and work of Rodger Williams is examined until his work on Rhode Island One paper considers Alexander Carson s use of the theme of the atonement as an apologetic tool The essence of Carson s argument is that the uniqueness of the Gospel with its focus on the atonement could never have been worked out by the human mind demonstrates the truth of God s existence There are further papers on Melchizedek with a particular emphasis of his relation to the pre-existent Christ Plus a study of the doxologies of 1 Timothy setting out Paul s various reasons for including them in his letter They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God Moreover they would deeply influence their lives and lead them to witness and truly worship him A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation I hope the Proceedings Papers on Mission and Theology will challenge all who read them Of course it should be understood that the views presented remain those of the contributors

**From Jerusalem to Gaza** B. Donald Keyser, Harold Wayne Ballard, 2002 From Jerusalem to Gaza An Old Testament Theology is a theological treatment of significant themes found throughout the pages of the Old Testament Though theological in nature the book is written for academic pursuits as well as lay interests Its simple straightforward approach is combined with Christian sensibilities in regards to the texts of the Old Testament It is designed for use in a number of settings including the academic classroom advanced Bible Study in churches or personal study in the Old Testament scriptures

**Reward, Punishment, and Forgiveness** Joze Krasovec, 2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world

**The Two Witnesses are God the Father and The Holy Spirit - Revelation 11** Joel Hernandez, 2019-10-08 In this first volume of my book I have proved beyond the shadow of a doubt that The Two Witnesses in Revelation 11 are God The Father and The Holy Spirit Which is a fact that none of the Ancient or Modern day commentators have ever known in 2 000 years That they are primarily God the Son s Two Witnesses who is the Glorious omnipotent Angel in Revelation chapter 10 who is prophesying to John about his immediate future in Revelation chapter 11 where he has assumed his second nature as Jesus Rev 11 8 Nor have they ever known that Jesus is the Main and Hidden Actor behind the scenes and underlying dimension of chapter 11 in spite of the fact that his Two Witnesses who are actually in him in chapter 11 as I shall also demonstrate seem to be the main Actors on the surface as I shall also demonstrate Or ever known that Jesus is alive in chapter 11 Now that the Angel has become Jesus they must be referred to as Christ Two Witnesses None of the commentators have ever taken these facts into account because they never suspected the Two Witnesses could be God who they should have considered in the first place And considered 2 Cor 5 19 which says that God was in Christ reconciling the world unto himself That which immediately proves the Two Witnesses are the Father and Holy Spirit is the fact that Christ who is also God is called the very

same things in the Bible they are a Witness an Olive Tree a Lampstand and a Prophet making a total of Three Witnesses Rev 1 5 Rev 11 3 Three Olive Trees Rev 11 4 Judg 9 8 9 Three Lampstands Rev 11 4 Zech 4 1 And Three Prophets Rev 11 10 John 4 19 The Father Son and Holy Spirit have always been Witnesses of each other throughout all Eternity And now that God the Son the omnipotent Angel has come down from the third heaven to earth in Rev 10 1 2 and assumed the form of Jesus the Father and Holy Spirit have now become the Two Witnesses of the Lamb that was slain Rev 11 7 8 Rev 5 6 in Time By the Gift and Power of God Leo Kappa,2018-06-12 Although Christian academics such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of Gods great and marvelous latter day work which is a new dispensation to set things rightnamely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth **Not My Will** Brenda Poinsett,2013-09-02 As believers we are often reluctant to admit there are things we cannot change We wrestle and struggle to figure out how we can regain control or we try to rationalize and understand why things happened We pray We expect God to change the situation Yet over time when nothing happens we soon find that we have been robbed of our inner peace and joy In Not My Will author Brenda Poinsett shares the life transforming lessons she learned from Jesus prayer life practical lessons that have carried her and others through a range of unchangeable moments Her unique perspective gives readers special encouragement as she answers the question How do you pray about something you can t change In this book regardless of your situation job loss personal limitations terminal illness or even the death of a loved one you can learn how to come to terms with things that can t be changed by looking at Jesus from His baptism to the Cross Specifically Brenda takes an in depth look at the prayer of Jesus Each chapter includes a significant quote that captures the essence of the chapter and sets the tone a reflective exercise for application a sample prayer
