The Broken Heart Applying The Atonement To Life's Experiences:

The Broken Heart Bruce C. Hafen, 2008-01-01 SUB TITLE Applying the Atonement to Life's Experiences Repentance: Refinement through the Mortal Journey Alan Ruppe, 2023-03-22 Repentance is one of the core tenets of the gospel but what does it truly mean Understanding the principle of repentance at a deeper level is often overshadowed by the simplistic reciting of the five step process of repentance 1 recognition 2 remorse 3 confession 4 restitution and 5 forgiveness But repenting is so much more than a checklist step in the process to get on the righteous path When confronted by a Primary child's innocent question about repentance author G Alan Ruppe realized that something was missing from his lifelong simplistic view of what it means to repent The intense research and spiritual revelation that stemmed from that awakening culminate in this insightful discussion about the nature of sincere divine repentance and forgiveness In Repentance Refining the Mortal Journey discover The historical definitions of biblical repentance and how translations over time have skewed our perception of this sacred practice The difference between sins and mortal mistakes when and why repentance is necessary and how repentance relates to our God given agency How to receive divine forgiveness and become once again clean and pure through the Atonement of Christ Real repentance the kind desired for us by our Heavenly Parents is an emotionally and spiritually painful process but it is a course that will help develop our repentance from an abstract perception to a genuine way of life A deeper understanding of its purpose will reveal avenues to stronger faith richer experiences and more profound joy as we journey through this mortal life Book of Mormon Study Guide, Pt. 3 Randal S. The Anatomy of Book of Mormon Theology, Volume One Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ s atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them
