The Brontës and Their Background Tom Winnifrith,1977

The Brontës and Education Marianne

Thormählen,2007-06-21 All the seven Brontë novels are concerned with education in both senses that of upbringing as well as that of learning The Brontë sisters all worked as teachers before they became published novelists In spite of the prevalence of education in the sisters lives and fiction however this was the first full length book on the subject when it was published in 2007 Marianne Thormählen explores how their representations of fictional teachers and schools engage with the intense debates on education in the nineteenth century drawing on a wealth of documentary evidence about educational theory and practice in the lifetime of the Brontës This study offers much information both about the Brontës and their books and about the most urgent issue in early nineteenth century British social politics the education of the people of all classes and both sexes

The Brontës and Nature Enid L. Duthie,1986-09-22

The Brontës in Context Marianne Thormählen,2012-11

Crammed with information *The Brontës in Context* shows how the Brontës fiction interacts with the spirit of the time *The Brontës and Religion* Marianne Thormählen,1999-11-04 This is the first full length study of religion in the fiction of the Brontës Drawing on extensive knowledge of the Anglican church in the nineteenth century Marianne Thormählen shows how the Brontës familiarity with the contemporary debates on doctrinal ethical and ecclesiastical issues informs their novels Divided into four parts the book examines denominations doctrines ethics and clerics in the work of the Brontës The analyses of the novels clarify the constant interplay of human and Divine love in the development of the novels While demonstrating that the Brontës fiction usually reflects the basic tenets of Evangelical Anglicanism the book emphasises the characteristic spiritual freedom and audacity of the Brontës Lucid and vigorously written it will open up new perspectives for Brontë specialists and enthusiasts alike on a fundamental aspect of the novels greatly neglected in recent decades

A Companion to the

Brontës Diane Long Hoeveler,Deborah Denenholz Morse,2016-03-30 A Companion to the Brontës brings the latest literary research and theory to bear on the life work and legacy of the Brontë family Includes sections on literary and critical contexts individual texts historical and cultural contexts reception studies and the family's continuing influence Features in depth articles written by well known and emerging scholars from around the world Addresses topics such as the Gothic tradition film and dramatic adaptation psychoanalytic approaches the influence of religion and political and legal questions of the day from divorce and female disinheritance to worker reform Incorporates recent work in Marxist feminist post colonial and race and gender studies

The Edinburgh Companion to the Brontës and the Arts Amber K. Regis,Deborah

Wynne,2024-12-31 The Brontë family produced and consumed art across a range of media and genres Haworth Parsonage and the local region proved a crucible of inspiration not only for Charlotte Branwell Emily and Anne but also for their parents Here were fostered the creative ambitions of four of the nineteenth century's most provocative novelists poets and visual

artists In turn the Brontes now sustain heritage tourism and creative industries that adapt and disseminate their lives and work their likenesses and words across the globe in books on a plethora of screens film TV computer and phone in discarnate audio radio and podcasts and embodied on stage The essays collected here offer the first panoramic and sustained examination of the Brontes lives work and legacies in relation to the visual musical plastic and performing arts tracing their influences and transformations across the lives and cultural afterlives of this extraordinary literary family **The**

Cambridge Companion to the Brontës Heather Glen,2002-12-05 The extraordinary works of the three sisters Charlotte Emily and Anne Bront have entranced and challenged scholars students and general readers for the past 150 years This Companion offers a fascinating introduction to those works including two of the greatest novels of the nineteenth century Charlotte s *Jane Eyre* and Emily s *Wuthering Heights* In a series of original essays contributors explore the roots of the sisters achievement in early nineteenth century Haworth and the childhood plays they developed they set these writings within the context of a wider history and show how each sister engages with some of the central issues of her time The essays also consider the meaning and significance of the Bront s enduring popular appeal A detailed chronology and guides to further reading provide further reference material making this a volume indispensable for scholars and students and all those interested in the Bront s and their work

Gothic Feminism Diane Long Hoeveler,2011-12-31 As British women writers in the late eighteenth and early nineteenth centuries sought to define how they experienced their era s social and economic upheaval they helped popularize a new style of bourgeois female sensibility Building on her earlier work in *Romantic Androgyny* Diane Long Hoeveler now examines the Gothic novels of Charlotte Smith Ann Radcliffe Jane Austen Charlotte Dacre Byrne Mary Shelley and the Bront s to show how these writers helped define femininity for women of the British middle class Hoeveler argues that a female created literary ideology now known as victim feminism arose as the Gothic novel helped create a new social role of professional victim for women adjusting to the new bourgeois order These novels were thinly disguised efforts at propagandizing a new form of conduct for women teaching that professional femininity a cultivated pose of wise passiveness and controlled emotions best prepared them for social survival She examines how representations of both men and women in these novels moved from the purely psychosexual into social and political representations and how these writers constructed a series of ideologies that would allow their female characters and readers fictitious mastery over an oppressive social and political system *Gothic Feminism* takes a neo feminist approach to these women s writings treating them not as sacred texts but as thesis driven works that attempted to instruct women in a series of strategic poses It offers both a new understanding of the genre and a wholly new interpretation of feminism as a literary ideology

Charlotte Brontë's World of Death Robert Keefe,2014-08-01 By the age of eight Charlotte Bront had lost first her mother and then her two older sisters Later in a second wave of deaths her brother and two younger sisters died leaving her a sole survivor With subtlety and imagination Robert Keefe examines Bront s works as the creative response to

these losses particularly the loss of her mother Terrified and yet fascinated by death struggling with guilt remorse and a deep sense of rejection Charlotte Bront found in art a way to come to terms with death through its symbolic reenactment In her earlier writings she created a fictional world marked by devices that allow her to control or deny death In her later works these mechanisms evolved into mature expressions of a profound psychological reality Bront's preoccupation with death is seen in her fiction in the recurring patterns of separation and exile Keefe traces the development of these motifs in the juvenilia and the four novels *The Professor Jane Eyre Shirley and Villette* Unique in its emphasis on the maternal relationships in Bront's life and art this study also explores certain aspects of her life that have often puzzled biographers

The Brontes Harold Orel,2016-07-27 The Brontes living in an isolated village in Yorkshire wrote some of the most vivid imaginative and widely read novels of the Victorian Age they also became the subject matter of romanticized anecdotes and regrettably distorted biographies The best testimony about what kinds of men and women they really were comes from statements they made themselves but because their autobiographical commentaries are sparse the record is usefully supplemented in this anthology by first hand statements made not only by various inhabitants of Haworth but by those who met members of the Bronte family in Yorkshire London and elsewhere You Can Go Home Again Monica

McGoldrick,1997-06-03 Family therapist Monica McGoldrick explains how the use of genograms family trees can bring to light a family's history of estrangement alliance divorce or suicide revealing intergenerational patterns that prove more than coincidental Genograms of famous families such as the Kennedys the Hepburns and the Brontes complement discussions of the influence of birth order sibling rivalry family secrets and couple relationships Photos drawings **Lives of Victorian**

Literary Figures, Part II, Volume 2 Marianna Kambani,2024-05-17 The three volumes that comprise this set are facsimile reproductions of contemporary biographical material They include letters memoirs poems and articles on three outstanding Victorian literary partnerships These are the Brownings Brontes and the Rossettis *Encyclopedia of the Novel* Paul

Schellinger,2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world The Art of the Brontës Christine Alexander,Jane

Sellars,1995-02-23 The first full scale study of the drawings and paintings of the Bront sisters and their brother Branwell

"Perplex in Faith" Alisa Clapp-Itnyre,Julie Melnyk,2015-02-27 In the last twenty years there has been a growing recognition of the centrality of religious beliefs to an understanding of Victorian literature and society This interdisciplinary

collection makes a significant contribution to post secularist scholarship on Victorian culture reflecting the great diversity of religious beliefs and doubts in Victorian Britain with essays on Protestant Catholic Jewish Unitarian and spiritualist topics Writing from a variety of disciplinary perspectives for an interdisciplinary audience the essayists investigate religious belief using diverse historical and literary sources including journalism hymns paintings travel writings scientific papers novels and poetry Essays in the volume examine topics including The relation between science and religion in the career of evolutionary biologist Alfred Russel Wallace Thomas Prasch The continuing significance of the Bible in geopolitical discourse Eric Reisenauer The role of children and children s hymns in the missionary and temperance movements Alisa Clapp Itnyre The role of women in Christian and Jewish traditions Julie Melnyk and Lindsay Dearinger The revival of Catholicism and Catholic culture and practices Katherine Haldane Grenier and Michelle Meinhardt The occult religious society Golden Dawn Sharon Cogdill Faith in the writings of the Bront sisters Christine Col n Charles Dickens Jessica Hughes and George Eliot Robert Koepp

Grasper, Keeper and Flossy Jane Sunderland, 2024-07-14 Details of the lives of Charlotte Emily and Anne Bront at Haworth Parsonage in 19th Century Yorkshire England are well known But what about the dogs with whom they shared their home Grasper Keeper and Flossy And what about the dogs in their novels There are in fact nineteen named fictional dogs at least one in each of the seven novels Many of these fictional dogs can be seen as counterparts of the actual ones in terms of breed appearance or behaviour This book looks at the three Bront family dogs in three different ways The first is what we know about these dogs from letters and other sources sticking strictly to actual evidence textual and visual The second is what we can infer about the family dogs and how Charlotte Emily and Anne Bront may have seen them in terms of their sentience agency and cognition from their many counterparts in the novels in particular Wuthering Heights The third is how the three family dogs via their fictional counterparts appear to have shaped the Bront fiction in terms of plot characterization and metaphor again in particular in Wuthering Heights This unique book s examination of the Bront family dogs and their influence on the sisters fiction will be of interest to scholars and students of Victorian literature worldwide and anyone with an interest in the lives and novels of the Bront sisters

Agnes Grey Anne Brontë, 2010-06-10 In *Agnes Grey* Anne Bront drew on her own experiences as a governess trying to cope with unmanageable children with little respect from her employer It combines a wonderful study of Victorian responses to children with a story of romantic love and this new edition does full justice to its fictional as well as its autobiographical qualities

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **The Bronts And Their Background Romance And Reality**

In a global inundated with displays and the cacophony of quick communication, the profound power and emotional resonance of verbal artistry frequently fade into obscurity, eclipsed by the constant assault of noise and distractions. However, located within the lyrical pages of **The Bronts And Their Background Romance And Reality**, a charming work of fictional elegance that impulses with organic feelings, lies an unforgettable trip waiting to be embarked upon. Penned with a virtuoso wordsmith, that magical opus guides viewers on a mental odyssey, lightly revealing the latent possible and profound affect embedded within the intricate internet of language. Within the heart-wrenching expanse of the evocative examination, we shall embark upon an introspective exploration of the book is main themes, dissect its interesting writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
