Noel Gallagher - The Biography Lucian Randall, 2012-11-05 Noel Gallagher is as well known for his singer song writing talent as he is for his controversial outspoken statements and his tempestuous relationships With the renowned Britpop band Oasis Noel found worldwide acclaim and influenced the musical style of a generation At the forefront of the Britpop movement in the Nineties Noel was responsible for writing some of the big anthems of the period including Wonderwall and Champagne Supernova At their peak they were playing sold out concerts to over 200 000 people But what is the truth about the boy from Manchester How did his relationship with his father affect him What caused the public and personal rivalry with fellow Britpop band Blur Why has he always had such a turbulent relationship with his brother and front man of Oasis Liam Is the band over for good this time This book maps out Noel's story from the beginning It takes you from
