The Builders Behind the Castles Taylor Coffman,1990      *The Lady from the Black Lagoon* Mallory O'Meara,2019-03-05

In 1954 movie going audiences were shocked and awed by Universal Studio s groundbreaking horror film Creature from the Black Lagoon As the years passed the film gained a reputation as a landmark of the monster movie genre But only a small number of devotees were aware of the existence of Milicent Patrick who remains to this day the only woman to have designed a classic Universal monster That is until film producer horror aficionado and Black Lagoon acolyte Mallory O Meara begins to investigate rumors about the monster s creator only to find more questions than answers Through diligent research O Meara learns that the enigmatic artist led a rich and fascinating life that intersects with some of the largest figures of mid century America including William Randolph Hearst and Walt Disney The sudden premature end to Patrick s career is defined by circumstances that parallel uncomfortably so O Meara s own experiences in the film world an industry that continues to be dominated by men In a narrative with equal parts mystery and biography *The Lady from the Black Lagoon* interweaves the lives of two women separated by decades but bound together by the tragedies and triumphs of working in Hollywood

**Captain of Her Soul** Lara Gabrielle,2022-09-27 Northern California Book Awards Shortlist The comprehensive critical biography of silent screen star Marion Davies who fittingly referred to herself as the captain of my soul From Marion Davies s humble days in Brooklyn to her rise to fame alongside press baron William Randolph Hearst the public life story of the film star plays like a modern fairy tale shaped by gossip columnists fan magazines biopics and documentaries Yet the real Marion Davies remained largely hidden from view as she was wary of interviews and trusted few with her true life story In *Captain of Her Soul* Lara Gabrielle pulls back layers of myth to show a complex and fiercely independent woman ahead of her time who carved her own path Through meticulous research unprecedented access to archives around the world and interviews with those who knew Davies *Captain of Her Soul* counters the public story This book reveals a woman who navigated disability and social stigma to rise to the top of a young Hollywood dominated by powerful men Davies took charge of her own career negotiating with studio heads and establishing herself as a top tier comedienne but her proudest achievement was her philanthropy and advocacy for children This biography brings Davies out of the shadows cast by the Hearst legacy shedding light on a dynamic woman who lived life on her own terms and declared that she was the captain of her soul
