pleasant surprise he discovered that situations in the stories were very very effective ways of getting all the necessary parental messages across without evoking the usual reactions that such messages often evoke For years Tales from Misty Acres was unwritten Prior to Christmas one year he asked his oldest daughter what she wanted for Christmas Her response was Daddy I want you to write two stories But one has to be a Christmas story Thus it was that Tales from Misty Acres became a physical reality To help those who may be curious he set the stories on a farm that was less than two miles from where he grew up **For If Dreams Die** Stacey Leigh,2006-09 A new collection of poetry featuring everything from haikus to prose poems Words are life this is lifeblood Read it to entertain to love to weep to explore to implore and to evolve
