**The Burning Bush** Geoffrey F. Spencer, 1975      Excavating Mormon Pasts Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century      **The Mother of God in the Theology of Sergius Bulgakov** Walter Nunzio Sisto, 2017-10-25 This book explores the Mariology of one of the most unique and fascinating thinkers in the Russian Orthodox tradition Father Sergius Bulgakov Bulgakov develops the Russian sophianic mariological tradition initiated by Vladimir Solov'ev and argues that Mary is the soul of the world or the pneumatological hypostasis Mary is the first and greatest disciple to be adopted by the Holy Spirit By situating Mary within the life and mission of the Holy Spirit Bulgakov maintains the respect and veneration that Orthodox Christians have for Mary but also places Mary squarely within the community of disciples Mary is a model disciple who reveals that the goal of the spiritual life spiritual motherhood In addition this text reveals the relevance and importance of Bulgakov's contribution to the contemporary discussion about the role of Mary in the history of salvation      *Lectures Preaching Sermon Construction* Paul B. Bull, M.A., 1927      **The Self-interpreting Bible** James Wideman Lee, 1896      **The Preacher's Complete Homiletical Commentary on the Old Testament: Exodus**, 1892      **Library of Congress Subject Headings** Library of Congress, 1996      Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office, 2009      **The Burning Bush**, 1925      Bible Study Guide: Acts Volume 1 Andrew J. Lamont-Turner, The book of Acts is a powerful narrative that chronicles the beginnings of the Christian Church and its rapid expansion throughout the Roman Empire It records the works of the apostles particularly Peter and Paul and the pivotal role of the Holy Spirit in guiding the early believers Acts is often referred to as the Acts of the Apostles but it could also be described as the Acts of the Holy Spirit as it is through the Spirit's empowerment that the Gospel spreads with such remarkable speed and influence This verse by verse study of the book of Acts aims to take you on a journey through the foundational moments of the early church moments that are still relevant today The pages of Acts present us with vivid accounts of the challenges triumphs and profound transformation that took place as the apostles spread the message of Jesus Christ Through signs and wonders bold sermons and the enduring faith of ordinary men and women the gospel message flourished in places both familiar and foreign Each chapter of Acts offers rich theological insights historical contexts and practical lessons that speak to us as modern day followers of Christ From the empowering descent of the Holy Spirit at Pentecost to the stirring missionary journeys of Paul to the unwavering courage of the early martyrs the stories in Acts challenge us to live out our faith boldly and faithfully in the world around us In this study

we will not only explore the historical and theological aspects of Acts but also draw applicable life lessons from the experiences of the apostles and early believers As you read and reflect on each verse may you gain a deeper understanding of God's plan for His church and your place within it The message of Acts continues to echo through the generations an enduring call to proclaim the Good News and to live out the truth of the Gospel in every corner of the world May this study inspire challenge and strengthen your faith as you embark on this exploration of the Book of Acts     Book 14 Mysticism PB

Kurt Jurgensmeier,2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways     *Bible Prophecies of 9-11* Paul Gregersen,Edmund A. Cook,2007-09 The authors reveal a chain of prophecies that all link to 9 11 with an astounding pattern September 11 was more than just another historical event it was a cataclysmic moment marking the beginning of a new millennia Social Issues     **Sweeter Than Honey** Greg Hinnant,2024-05-24 Need Sweetness Want to satisfy your heart with God's sweetly flowing truths applied to your life whether tasteless troubled or triumphant Sweeter Than Honey the second volume of Greg Hinnant's devotional trilogy is a biblical honeycomb Its 122 biblical devotionals mirror the sweet balance of God's counsel Like the advice of His Word they comfort and challenge us confirm truth and warn of danger prompt action and check presumption They edify but also humble us Intentionally lengthier than those in most devotional books these entries offer more spiritual nourishment yet are still easily read in only minutes Like the many flavors of honey they offer a plethora of biblical themes that inform inspire and transform With the Holy Spirit's blessing their spiritual honey will satisfy and energize your soul and help you maintain an unconquerably sweet joy within however bland bitter or embattled your day     **Father McBride's Family Catechism** Alfred McBride,1998 Following the structure of the official Catechism this new look at timeless teachings is intended to help families implement the teachings of the Catechism into their everyday family lives Each section begins with reference numbers to the Catechism itself and an entertaining yet thought provoking opening story followed by a Catechism reflection an application of the teaching to Catholic family life a family prayer and finally a glossary of technical terms An ideal way to stimulate reading of the Catechism as well as bring the teachings of the Faith home     Victorian Engagements with the Bible and Antiquity Simon Goldhill,Ruth Jackson Ravenscroft,2023-10-12 The nineteenth century was a period in which ideas of history and time were challenged as never

before This is the first book to explore how the study of classical antiquity and the study of the Bible together formed an image of the past which became central to Victorian self understanding These specially commissioned multi disciplinary essays brilliantly reveal the richness of Victorian thinking about the past and how important these models of antiquity were in the expression of modernity In an age of progress cultural anxiety and cultural hope was fuelled by the shock of the old new discoveries about the deep past and new ways of thinking about humanity s place in history The volume provides a rich and readable feast which will be fundamental to all those seeking a greater understanding of the Victorians as well as of the reception of classics and the Bible

**Christian Preaching** Michael Pasquarello III,2011-06-28 Michael Pasquarello has written a must read book articulating a Trinitarian vision for preaching His compelling argument is richly informed by traditional biblical hermeneutics creedal history understood as storied attestation of the witness of Scripture and liturgical theology and practice considered as embodied performance of the Bible s divine narrative Here is a clear summons to the church to abandon all lesser homiletic aims and to prayerfully and faithfully proclaim the holy gospel to the glory of God

Charles L Bartow Princeton Theological Seminary Like all of Michael Pasquarello s work his newest book not only upholds the classical Christian tradition but also breathes new vitality into it In an era in which preaching is reduced to persuasive communication Pasquarello reminds us that the Christian message has a content that originates in and gives expression to the Father Son and Holy Spirit

Richard Lischer Duke Divinity School One of the refreshing things about this fine book by Michael Pasquarello is that when he thinks about the ministry of preaching he is not afraid to measure the breadth historically or plumb the depths theologically Pasquarello has written this book like a good sermon faithfully thoughtfully prayerfully and with a profound word to speak We are in his debt

Thomas G Long Candler School of Theology Boldly challenging homiletical accommodation to American culture Pasquarello seeks to change the subject of preaching from method and marketing to the Triune God who is the source and goal of our speech A welcome theological vision of preaching

Charles L Campbell Columbia Theological Seminary Christian Preaching brings together two disciplines that have sadly grown apart such that they almost developed irreconcilable differences preaching and theology Pasquarello offers a brilliant critique of theology as technique and draws on the theology and sermons of Irenaeus Augustine Luther Wesley and others convincingly demonstrating that effective pragmatic preaching requires substantive theological engagement and vice versa This book accomplishes its purpose so well that it should be used not only in preaching courses but also in basic theology courses No preacher should be let loose on a congregation without passing through Pasquarello s Christian Preaching

Library of Congress. Office for Subject Cataloging Policy,1992      **Discipleship, Secularity, and the Modern Self** Judith A. Merkle,2020-07-23 Judith A Merkle examines the situation of Christian spirituality today in a secular age through the images of dance silence and music Drawing on the work of Charles Taylor as well as core aspects of the tradition of Christian theology on discipleship Merkle asks how these new conditions affect the practice of Christianity as modern discipleship The author calls God the music maker She argues that response to the reality of God can be captured through the image of dance Merkle reminds us that people in secular society connect to God in diverse ways not in the least through the call of creation and the call of conscience She explores discipleship as a lens through which we can understand how a community of faith service prayer worship and sacramentality can be viewed and integrated in daily life She emphasizes how the interconnection between prayer Eucharist and a believing community is inseparable from the dance of discipleship as it can be lived in secular society The image of dancing to silent music is a powerful symbol of Christian religious experience in modern times
