W.D. Rubinstein

The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist:

The Business Career of Moses Taylor Daniel Hodas, 2010-01-01 Moses Taylor 1806 1882 was one of the richest and most important men in America in the 19th Century He controlled what is today Citibank and he controlled the railroad lines that go Westward from New York City He helped purchase the land that made John Jacob Astor wealthy He also had an unfortunate association with Boss Tweed of Tammany Hall Moses Taylor January 11 1806 May 23 1882 was a 19th century New York merchant and banker and one of the wealthiest men of that century At his death his estate was reported to be worth 70 million or about 1.7 billion in 2006 dollars He controlled the National City Bank of New York later to become Citibank the Delaware Lackawanna Western railroad the Moses Taylor Co import business and he held numerous other investments in railroads and industry

The Business Career of Moses Taylor Daniel Herbert Hodas, 1974 [The Many Panics of 1837](#) Jessica M. Lepler, 2013-09-16 In the spring of 1837 people panicked as financial and economic uncertainty spread within and between New York New Orleans and London Although the period of panic would dramatically influence political cultural and social history those who panicked sought to erase from history their experiences of one of America's worst early financial crises *The Many Panics of 1837* reconstructs this period in order to make arguments about the national boundaries of history the role of information in the economy the personal and local nature of national and international events the origins and dissemination of economic ideas and most importantly what actually happened in 1837 This riveting transatlantic cultural history based on archival research on two continents reveals how people transformed their experiences of financial crisis into the Panic of 1837 a single event that would serve as a turning point in American history and an early inspiration for business cycle theory

Structure and Regulation of Financial Firms and Holding Companies United States. Congress. House. Committee on Government Operations. Commerce, Consumer, and Monetary Affairs Subcommittee, 1987

The Stolen Wealth of Slavery David Montero, 2024-02-06 Publishers Weekly's Top 10 Spring 2024 Amazon's Best History Book of the Month for February 2024 This groundbreaking book tracks the massive wealth amassed from slavery from pre Civil War to today showing how our modern economy was built on the backs of enslaved Black people and lays out a clear argument for reparations that shows exactly what was stolen who stole it and to whom it is owed In this timely powerful investigative history *The Stolen Wealth of Slavery* Emmy Award nominated journalist David Montero follows the trail of the massive wealth amassed by Northern corporations throughout America's history of enslavement It has long been maintained by many that the North wasn't complicit in the horrors of slavery The truth however is that large Northern banks including well known institutions like Citibank Bank of New York and Bank of America were critical to the financing of slavery that they saw their fortunes rise dramatically from their involvement in the business of enslavement and that white business leaders and their surrounding communities created enormous wealth from the enslavement and abuse of Black bodies *The Stolen Wealth of Slavery* grapples with facts that will be a revelation to many Most white Southern enslavers

were not rich many were barely making ends meet with Northern businesses benefitting the most from bondage based profits And some of the very Northerners who would be considered pro Union during the Civil War were in fact anti abolition seeing the institution of slavery as being in their best financial interests and only supporting the Union once they realized doing so would be good for business It is a myth that the wealth generated from slavery vanished after the war Rather it helped finance the industrialization of the country and became part of the bedrock of the growth of modern corporations helping to transform America into a global economic behemoth In this remarkable book Montero elegantly and meticulously details rampant Northern investment in slavery He showcases exactly what was stolen who stole it and to whom it is owed calling for corporate reparations as he details contemporary movements to hold companies accountable for past atrocities

Transatlantic Speculations Hannah Catherine Davies, 2018-11-20 The year 1873 was one of financial crisis A boom in railway construction had spurred a bull market but when the boom turned to bust transatlantic panic quickly became a worldwide economic downturn In *Transatlantic Speculations* Hannah Catherine Davies offers a new lens on the panics of 1873 and nineteenth century globalization by exploring the ways in which contemporaries experienced a tumultuous period that profoundly challenged notions of economic and moral order Considering the financial crises of 1873 from the vantage points of Berlin New York and Vienna Davies maps what she calls the dual transatlantic speculations of the 1870s the financial speculation that led to these panics as well as the interpretative speculations that sprouted in their wake Drawing on a wide variety of sources including investment manuals credit reports business correspondence newspapers and legal treatises she analyzes how investors were prompted to put their money into faraway enterprises how journalists and bankers created and spread financial information and disinformation how her subjects made and experienced financial flows and how responses ranged from policy reform to anti Semitic conspiracy theories when these flows suddenly were interrupted Davies goes beyond national frames of analysis to explore international economic entanglement using the panics interconnectedness to shed light on contemporary notions of the world economy Blending cultural intellectual and legal history *Transatlantic Speculations* gives vital transnational and comparative perspective on a crucial moment for financial markets globalization and capitalism

Structure and Regulation of Financial Firms and Holding Companies: December 17 and 18, 1986 United States. Congress. House. Committee on Government Operations. Commerce, Consumer, and Monetary Affairs Subcommittee, 1987

Historical Dictionary of the U.S. Maritime Industry Kenneth J. Blume, 2011-12-22 From the Spanish galleons of the 16th century to the cruise ships and crude oil tankers of the 21st maritime industries have been central to American economic political and cultural life Great American fortunes were built in the maritime industries and the workers in that industry both the sailors on board the ships and the dockworkers at the port contributed significantly to the nation's growing economy The development of interior waterways especially the canal system paved the way for a transformation of inland North America In the *Historical Dictionary of the U S Maritime Industry* author Kenneth J Blume

provides a convenient survey of this important industry from the colonial period to the present day from sail to steam to nuclear power This concise new reference work captures the key features of overseas coastal lake and river shipping and industry An introduction provides an overview of the industry while the dictionary itself contains more than four hundred cross referenced entries on ships shipping companies famous personalities and major ports A number of appendixes including statistics on foreign trade maritime disasters famous ships and major ports supplement the dictionary and a comprehensive bibliography leads the researcher to further sources This book is an excellent access point for students researchers and anyone wanting to know more about the maritime industry in the United States *The Encyclopedia of New York City* Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis *The Black Abolitionist Papers* C. Peter Ripley, Roy E. Finkenbine, 2000-11-09 This five volume documentary collection culled from an international archival search that turned up over 14 000 letters speeches pamphlets essays and newspaper editorials reveals how black abolitionists represented the core of the antislavery movement While the first two volumes consider black abolitionists in the British Isles and Canada the home of some 60 000 black Americans on the eve of the Civil War the remaining volumes examine the activities and opinions of black abolitionists in the United States from 1830 until the end of the Civil War In particular these volumes focus on their reactions to African colonization and the idea of gradual emancipation the Fugitive Slave Law and the promise brought by emancipation during the war ***The Monied Metropolis*** Sven Beckert, 2001-03-19 This book first published in 2001 is a comprehensive history of the most powerful group in the nineteenth century United States New York City's economic elite This small and diverse group of Americans accumulated unprecedented economic social and political power and decisively put their mark on the age Professor Beckert explores how

capital owning New Yorkers overcame their distinct antebellum identities to forge dense social networks create powerful social institutions and articulate an increasingly coherent view of the world and their place within it Actively engaging in a rapidly changing economic social and political environment these merchants industrialists bankers and professionals metamorphosed into a social class In the process these upper class New Yorkers put their stamp on the major political conflicts of the day ranging from the Civil War to municipal elections Employing the methods of social history The Monied Metropolis explores the big issues of nineteenth century social change **Bankers and Empire** Peter James Hudson,2017-04-27 From the end of the nineteenth century until the onset of the Great Depression Wall Street embarked on a stunning unprecedented and often bloody period of international expansion in the Caribbean A host of financial entities sought to control banking trade and finance in the region In the process they not only trampled local sovereignty grappled with domestic banking regulation and backed US imperialism but they also set the model for bad behavior by banks visible still today In Bankers and Empire Peter James Hudson tells the provocative story of this period taking a close look at both the institutions and individuals who defined this era of American capitalism in the West Indies Whether in Wall Street minstrel shows or in dubious practices across the Caribbean the behavior of the banks was deeply conditioned by bankers racial views and prejudices Drawing deeply on a broad range of sources Hudson reveals that the banks experimental practices and projects in the Caribbean often led to embarrassing failure and eventually literal erasure from the archives *Wealth and The Wealthy in the Modern World* W.D. Rubinstein,2024-01-01 First published in 1980 Wealth and The Wealthy in the Modern World looks at the careers of the very wealthy and the extent of wealth holding and wealth distribution in the major Western nations since the Industrial Revolution Each essay examines how wealth was created controlled and maintained in each country It also considers the relationship between wealthy persons and the rest of society and the divisions amongst the wealthy class Social mobility into top wealth and income brackets is also discussed as are the idiosyncratic features of wealth holding in each society Together these essays provide a broad yet detailed portrait of a social class which has had extraordinary influence on shaping the social history of the Western world in the nineteenth and twentieth centuries This book will be of interest to students of economics political science and development studies Reared in a Greenhouse Dorothy B. Wexler,2014-03-05 Beloved as the family storyteller Dorothy Winthrop Bradford left behind at her death in 1987 diaries letters scrapbooks and memorabilia that date back to the Civil War and provide a picture of a way of life long gone of a period when leisure time was plentiful and cars were few when her hometown of Hamilton Massachusetts was open country and Boston a closed society These materials provide an intimate view of the vanished lifestyle of the upper classes between the two world wars At the heart of the story is Dorothy Bradford s own life and the 82 years she spent in the small town where she was born It was a life however set against the vast canvas of her extended family whose stories transport the reader back to colonial times where one of her ancestors was the first governor of the Massachusetts Bay Colony and far

across America and to the Caribbean Europe and Africa From the Civil War to the Second World War from turn of the century Puerto Rico to the glories of the still unspoiled West the book is a virtual who s who of American h istory filled with cameos by Teddy Roosevelt Edith Wharton Oliver Wendell Holmes Henry James Thomas Jefferson and many more Richly illustrated with more than 300 photographs this intriguing volume looks at a woman who s life may have seemed on the surface narrow and predictable but in reality touched upon many of the great currents of American history **Institutions, Entrepreneurs, and American Economic History** B. Hansen,2009-02-16 This book examines the history of the first trust company the Farmers Loan and Trust and its influence on the evolution of corporate law regulation and taxation Capital of Capital Steven H. Jaffe,Jessica Lautin,Museum of the City of New York,2014-05-27 From Revolutionary Era bank notes to the 2008 financial collapse Capital of Capital explores how New York City gave rise to a banking industry that in turn made the American and world economies Capital of Capital also examines the frequently contentious evolution of the banking business its role in making New York City an international economic center and its influence on America s politics society and culture Based on a major exhibition at the Museum of the City of New York Capital of Capital features the key leaders of banking including Alexander Hamilton and J P Morgan as well as its critics such as Louis Brandeis and the Occupy Wall Street protesters The book also covers the major events and controversies that have shaped the history of banking and includes a fascinating array of primary materials ranging from antebellum bank notes and ledgers to early credit cards and advertisements Lavishly illustrated Capital of Capital provides a multifaceted original understanding of the profound impact of banking on the life of New York City and the world s economy **Capital City** Thomas Kessner,2003 Table of contents

New York History New York State Historical Association,1982 The Morgans Vincent P. Carosso,Rose C. Carosso,1987 The House of Morgan personified economic power in the late 19th early 20th centuries Carosso constructs an in depth account of the evolution operations and management of the Morgan banks at London New York Philadelphia and Paris from the time Junius Spencer Morgan left Boston for London to the death of his son John Pierpont Morgan *Harvard Studies in Business History* ,1987

The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist has opened up a world of possibilities. Downloading The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist. Some websites may offer pirated or illegally

obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Business Career Of Moses Taylor Merchant Finance Capitalist And Industrialist has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
