Canadian Dominion Oscar Douglas Skelton, 1919 The Canadian Dominion: A Chronicle of Our Northern Neighbor Oscar

D. Skelton, 2021-04-25 In *The Canadian Dominion A Chronicle of Our Northern Neighbor* Oscar D Skelton presents a meticulous exploration of Canada's nationhood weaving a rich tapestry of historical events from its inception to contemporary moments This work employs a chronological narrative style characterized by Skelton's analytical prowess and engaging prose which makes complex political and social dynamics accessible to a broad audience The context of early 20th century Canada serves as a backdrop illuminating the struggles and triumphs that shaped its identity particularly in relation to its British heritage and emerging autonomy Oscar D Skelton a prominent Canadian historian and public servant draws upon his extensive academic background including his tenure as a professor at Queen's University and involvement in various governmental capacities His deep commitment to elucidating Canada's past was influenced by the burgeoning national consciousness during his lifetime and a desire to foster a sense of unity and identity among Canadians particularly during times of change This book is an invaluable resource for anyone seeking a deeper understanding of Canada's development as a nation Skelton's scholarly approach coupled with his engaging narrative makes it not only a critical historical reference but also an enjoyable read for history enthusiasts students and anyone intrigued by Canada's rich heritage **The Canadian Dominion** Oscar D. Skelton, 2015-07-10 Excerpt from *The Canadian Dominion A Chronicle of Our Northern Neighbor* The history of Canada since the close of the French regime falls into three clearly marked half centuries The first fifty years after the Peace of Paris determined that Canada was to maintain a separate existence under the British flag and was not to become a fourteenth colony or be merged with the United States The second fifty years brought the winning of self government and the achievement of Confederation The third fifty years witnessed the expansion of the Dominion from sea to sea and the endeavor to make the unity of the political map a living reality the endeavor to weld the far flung provinces into one country to give Canada a distinctive place in the Empire and in the world and eventually in the alliance of peoples banded together in mankind's greatest task of enforcing peace and justice among nations About the

Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state of the art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Canadian Dominion Oscar Douglas Skelton, 1919 **The Canadian Dominion** Oscar D. Skelton, 1878-1941

Skelton, 2015-09-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

The Canadian Dominion Oscar D. Skelton, 2014-09-01 The history of Canada since the close of the French regime falls into three clearly marked half-centuries. The third fifty years witnessed the expansion of the Dominion from sea to sea and the endeavor to make the unity of the political map a living reality; the endeavor to weld the far-flung provinces into one country to give Canada a distinctive place in the Empire and in the world and eventually in the alliance of peoples banded together in mankind's greatest task of enforcing peace and justice among nations.

The Canadian Dominion Skelton Oscar D. (Oscar Douglas), 2016-06-21 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavored to keep the quality of these images so they represent accurately the original artifact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Canadian Dominion; a Chronicle of Our Northern Neighbor, by Oscar D. Skelton Oscar Douglas Skelton, **The Chronicles of America** O.D. Skelton, 1919 *The Canadian Dominion. A Chronicle of Our Northern Neighbour. [With Portraits and Maps.]* Oscar Douglas SKELTON, **Dominion of the North** Donald Grant Creighton, 1962 **Dominion of the North** Donald Creighton, 1977 **The Fathers of Confederation: A Chronicle of the Birth of the Dominion** A. H. U. (Arthur Hugh Urquhart) Colquhoun, 2018-08-14 The Fathers of Confederation: A Chronicle of the Birth of the Dominion by A. H. U. Arthur Hugh Urquhart Colquhoun. The sources of the Canadian Dominion must be sought in the period immediately following the American Revolution. In 1783 the Treaty of Paris granted

independence to the Thirteen Colonies Their vast territories rich resources and hardy population were lost to the British crown From the ruins of the Empire so it seemed for the moment the young Republic rose The issue of the struggle gave no indication that British power in America could ever be revived and King George mournfully hoped that posterity would not lay at his door the downfall of this once respectable empire But disastrous as the war had proved there still remained the fragments of the once mighty domain If the treaty of peace had shorn the Empire of the Thirteen Colonies and the great region south of the Lakes it had left unimpaired the provinces to the east and north Nova Scotia Newfoundland and Canada while still farther north and west an unexplored continent in itself stretching to the Pacific Ocean was either held in the tight grip of the Hudson s Bay Company or was shortly to be won by its intrepid rival the North West Company of Montreal There were not lacking men of prescience and courage who looked beyond the misfortunes of the hour and who saw in the dominions still vested in the crown an opportunity to repair the shattered empire and restore it to a modified splendour A general union of the colonies had been mooted before the Revolution The idea naturally cropped up again as a means of consolidating what was left Those who on the king s side had borne a leading part in the conflict took to heart the lesson it conveyed Foremost among these were Lord Dorchester whom Canada had long known as Guy Carleton and William Smith the Loyalist refugee from New York who was appointed chief justice of Lower Canada Each had special claims to be consulted on the future government of the country During the war Dorchester s military services in preserving Canada from the invaders had been of supreme value and his occupation of New York after the peace while he guided and protected the Loyalist emigration had furnished a signal proof of his vigour and sagacity William Smith belonged to a family of distinction in the old colony of New York He possessed learning and probity His devotion to the crown had cost him his fortune It appears that it was with him rather than with Dorchester that the plan originated of uniting the British provinces under a central government The two were close friends and had gone to England together They came out to Quebec in company the one as governor general the other as chief justice The period of confusion when constructive measures were on foot suggested to them the need of some general authority which would ensure unity of administration We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
