Adkins,2012-08 I attended my 55th high school reunion in July of 2012 and was inspired to write Home Town Memories of Grinnell Iowa This work is not intended to be an all inclusive comprehensive scholarly history with a preoccupation for exact dates etc It is simply a personal history my recollections of the old home town during a limited period in the town s history the 40 s 50 s and 60 s I have written in my own way using a flow of words that came to me as I wrote In a town of 8 000 9 000 as Grinnell was in those days you eventually get to know and have some contact along the way with most people My intent was to communicate in simple straight forward terms and was not concerned about presenting it as a triumph in English language grammar Remembering the Stars of the NFL Glory Years Wayne Stewart,2017-07-13 The 1950s and 60s was a golden age for professional football It was perhaps the toughest and roughest era for the sport before rules were created to better protect the players but it was also a time when legends were born To many football fans this era remains the Glory Years of the NFL when the stars that roamed the gridiron included the likes of Johnny Unitas Bart Starr Jim Brown and Raymond Berry In Remembering the Stars of the NFL Glory Years An Inside Look at the Golden Age of Football Wayne

Stewart tells the story of professional football in the 50s and 60s through the words of the players themselves Chapters cover Hall of Famers on both sides of the ball players who made a lasting impression on the game and the toughest players on the gridiron Stewart intertwines profiles of these iconic players with the athletes own memories observations and anecdotes including their impressions of teammates and opponents Two additional chapters consist of humorous quotes and the players thoughts on how the game has changed since their heyday Featuring exclusive interviews with players from the 1950s and 60s Remembering the Stars of the NFL Glory Years provides an inside look at this distinct time in professional football With a wide range of topics and insights included throughout this book will both entertain and inform football fans and historians alike
