*The Children's Hour Series Children*, 1868      **Child Protection in America** John E.B. Myers, 2024-10-11 Child abuse and neglect are tragically common Each year more than 1 000 American children die due to maltreatment Thousands more suffer physical abuse sexual abuse and neglect Across the country every community has a system of government operated and funded child protective services CPS But given that social workers of CPS have the authority to remove children from unsafe parents it is no surprise that CPS is controversial Does CPS protect children Does CPS do more good than harm Is CPS fundamentally racist as some critics argue Should CPS be abolished To answer these questions it is essential to understand the origins of child protection in America How did we arrive at the child protection system in place today This book traces the history of child protection from colonial times to the present and provides the most in depth analysis ever published of the origins of child protection      Male Homosexuality in Children's Literature, 1867-1918 Eric L. Tribunella, 2023-07-20 In his 1908 cultural and historical study of homosexuality titled *The Intersexes A History of Similisexuality as a Problem in Social Life* Edward Iren us Prime Stevenson includes a section on homosexual juvenile fiction perhaps the first attempt to identify a body of children s literature about male homosexuality in English Known for pioneering the explicitly gay American novel for adults Stevenson was also one of the first thinkers to take seriously the possibility and value of homosexual children whom he called young Uranians This book takes as its starting point Stevenson s catalog of homosexual boy books around the turn of the century and offers a critical examination of these works along with others by gay writers who wrote for children from the mid nineteenth century through the end of World War I Stevenson s list includes Eduard Bertz Howard Sturgis Horace Vachell and Stevenson himself to which Horatio Alger John Gambril Nicholson and E F Benson are added Read alongside major developments in English and German language sexology these boy books can be understood as participating in the construction and dissemination of the discourse of sexuality and as constituting the figure of the young Uranian as central to modern gay identity
