The Breakdown Lane Jacquelyn Mitchard, 2009-10-13 An advice columnist and mother searches for vanished husband in this dramatic novel by the New York Times bestselling author of *The Deep End of the Ocean* An advice columnist for a Wisconsin newspaper Julieanne Gillis dispenses wisdom to her readers but somehow missed the signs that something was amiss in her own home Devoted to being a good mother and keeping her twenty year marriage fresh and exciting she is shocked by her husband's surprise announcement that he needs a sabbatical from their life together and devastated when he disappears leaving Julie with no funds to raise two teenagers and a small daughter alone But it is the discovery Julieanne suffers from a serious illness that truly crumbles her family's foundation setting her children on a dangerous quixotic journey to locate their missing father before it's too late Praise for *The Breakdown Lane* Rousing melodrama fluid often funny dialogue and the convincing portrayal of children involved in the collapse of a marriage add up to another page turner from Mitchard Publishers Weekly An astute observer of family dynamics Mitchard renders her characters flawlessly endowing them with a humanity that is both accessibly grounded and astonishingly deep Booklist A compelling mix of suspense humor and abiding humanity Boston Globe A novel you will read once then again and again Tulsa World *Breakdown Lane Intl*

Jacquelyn Mitchard, 2005-04-05 From the New York Times bestselling author of *The Deep End of the Ocean* and *Twelve Times Blessed* comes a novel of the breakdown of a family and of healing after a loss Giving advice is what Julianne Ambrose Gillis does for a living every Sunday she doles it out to clueless people she doesn't know in a column in her local Wisconsin paper But when it comes to her personal life Julie seems to have no insight whatsoever She has worked hard to keep her marriage fresh and to be a good mother so it's a mystery when Leo her husband of twenty years decides to defect from their life together and their three children Gabe Caroline and Aury In his absence Julie is diagnosed with a serious illness which drives her children to undertake a dangerous journey to find Leo before it's too late But what they discover about their father is even more devastating than their mother's deteriorating health As the known world sinks precariously from view and leaves them all adrift the Gillis clan must navigate their way through the trenches of love guilt and betrayal back to solid ground and a new definition of family SecondWorld
