The Bridge That Went Nowhere:

The I-35W Bridge Collapse Kimberly J. Brown, 2018-07-01 A bridge shouldn't just fall down Senator Amy Klobuchar said after the August 1 2007 collapse of the Minneapolis I 35W eight lane steel truss bridge which killed 13 motorists injured 145 and left a collective wound on the city's psyche and infrastructure On her way to a soccer game with a fellow teammate Kimberly J Brown experienced the collapse firsthand falling 114 feet in her teammate's car to the Mississippi River Although terrified injured and in shock she survived In this sobering memoir and expos Brown recounts her harrowing experience In the aftermath of the disaster Brown became both an advocate for survivors and an unofficial whistle blower about decaying infrastructure She details her investigation and correspondence with Thornton Tomasetti engineers including the false official account of the collapse and the eventual revelation of its real causes In addition she chronicles the ongoing decay of America's bridges and the continuing challenges faced by leaders to address infrastructure problems across the country After nearly a decade of research into the collapse and her active and ongoing recovery from psychic and physical injuries Brown shares her experience and answers the questions we should all be asking Why did this bridge collapse And what could have been done to prevent this tragedy

The Bridge Diaries Vanessa Kane, 2012-11 This is the incredible story of friendship brought about by the game of Bridge Two young women meet when their children begin Kindergarten Their story continues as told in this book One has a fascination for Bridge and teaches her new friend the game We learn about the four women that play together and the absolute fun they have There is tragedy entwined at their game table It also includes the husbands and children as a fun group over the years They are from very different backgrounds which we learn little of yet it is enough However one of the women has a

background she is unwilling to share at all In the end we learn why On a trip to celebrate their almost 30 year friendship Kate and Simone fly to NYC to shop see theater and enjoy wonderful restaurants Naturally the Bridge cards go along for 2 handed Bridge like these two have enjoyed during their friendship On most of the journey they are playing in the airplane During the trip the past thirty years is remembered by Kate the main character in the book who is narrating the story Kate is thinking about the present and the past alternating between the two time frames going back and then returning to the present back and forth Some she keeps to herself and some she discusses with Simone One of the husbands is a wealthy philanthropic father of twins murdered for no reason His father in law the Chief of Police can t solve the crime and it goes cold It was a brutal murder for no reason There had been a stranger lurking they knew nothing about The book spans Kate s first marriage and takes you into her second It takes you graphically into both bedrooms This book does not fail to knock on any bedroom doors In the end much is learned about their friend that never wanted to share her past **The Chessmen**
