

The British Governments China Policy 1945-1950

Nicholas Tarling

The British Governments China Policy 1945-1950:

The British Government's China Policy, 1945-1950 Zhongping Feng, 1994 A look at the British Government's policy towards China between 1945 and 1950 Britain and China 1945-1950 S.R. Ashton, G. Bennett, K. Hamilton, 2013-10-23 An examination of Britain's relations with China from the end of the World War II to the outbreak of the Korean War in 1950 This volume demonstrates how Britain's effort to recover something of its pre-war commercial pre-eminence in China were handicapped by its post-war financial weakness *Sino-British Negotiations and the Search for a Post-War Settlement, 1942-1949* Zhaodong Wang, 2022-03-21 The book is a systematic study of the China-Britain relationship during the 1942-1949 period with a particular focus on the two countries' discussions over both the 1943 Sino-British treaty and the discarded Sino-British commercial treaty the future of Hong Kong and the political status of Tibet These were dominated by two underlying themes the elimination of the British imperialist position in China and the establishment of an equal and reciprocal bilateral relationship The negotiations started promisingly in 1942-1943 but by 1949 had failed to reach a satisfactory settlement Behind the failure lay a complex set of domestic considerations and external factors including the powerful influence of the United States Even after seven decades the failure still has a contemporary impact Recent Sino-British disputes over the Hong Kong Anti-Extradition Law Amendment Bill Movement and incessant Indo-Chinese conflicts and skirmishes over their unsettled borders all attest to the enduring legacy of the years 1942-1949 as setting the scene for subsequent Sino-British and Sino-Indian relations From this perspective the history has never left us *The Oxford History of the British Empire: Volume IV: The Twentieth Century* Judith Brown, Wm Roger Louis, 1999-10-21 The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records From the founding of colonies in North America and the West Indies in the seventeenth century to the reversion of Hong Kong to China at the end of the twentieth British imperialism was a catalyst for far-reaching change The Oxford History of the British Empire as a comprehensive study allows us to understand the end of Empire in relation to its beginnings the meaning of British imperialism for the ruled as well as the rulers and the significance of the British Empire as a theme in world history Volume IV considers many aspects of the imperial experience in the final years of the British Empire culminating in the mid-century's rapid processes of decolonization It seeks to understand the men who managed the empire their priorities and vision and the mechanisms of control and connection which held the empire together There are chapters on imperial centres on the geographical periphery of empire and on all its connecting mechanisms including institutions and the flow of people money goods and services The volume also explores the experience of imperial subjects in terms of culture politics and economics an experience which culminated in the growth of vibrant often new national identities and movements and ultimately new nation-states It concludes with the processes of decolonization which reshaped the political map of the late twentieth-century world *Taiwan's Informal Diplomacy and Propaganda* Gary D. Rawnsley, 2000-03-28 How do

governments that do not enjoy formal diplomatic relations use propaganda When a government is denied recognition by the international community it must explore every avenue of publicity available to project its image and policies For such actors propaganda can become diplomacy out of necessity The Republic of China on Taiwan is such a government and its predicament is the subject of this book It discusses the relationship between diplomacy and propaganda from an exciting new perspective illustrated by a fascinating case study British Power and International Relations during the 1950s Michael J. Turner, 2009-10-08 This book examines Britain's role and influence in a pivotal decade The postwar international order was still taking shape in the 1950s Much was unsettled and in these circumstances Britain could realistically expect to remain and be treated as one of the Big Three world powers along with the United States and Soviet Union Some adjustments were required in British priorities and methods in view of changing pressures and needs at home and abroad but the continuing desire was to make Britain's position tenable in those parts of the world that were of special importance to British prestige power strategy prosperity and security This book elucidates the motives behind key decisions discusses their far reaching consequences explains why some options were taken and others rejected and places British policy making in the appropriate international context Designed primarily for undergraduate and beginning postgraduate students the book offers an up to date single volume treatment of major themes in British and international history historiographical synthesis and comment detailed narrative accessible easy to follow analysis and a clear evidence based point of view concerning the survival of British power in challenging times **Britain's Cold War in Cyprus and Hong Kong** Christopher Sutton, 2016-11-07 Linking two defining narratives of the twentieth century Sutton's comparative study of Hong Kong and Cyprus where two of the empire's most effective communist parties operated examines how British colonial policy makers took to cultural and ideological battlegrounds to fight the anti colonial imperialism of their communist enemies in the Cold War The structure and intentional nature of the British colonial system grants unprecedented access to British perceptions and strategies which sought to balance constructive socio political investments with regressive and self defeating repression neither of which Britain could afford in the Cold War conflict of empires **Britain, France, West Germany and the People's Republic of China, 1969-1982** Martin Albers, 2016-12-01 This book focuses on helping readers to fill the gap of the little known history between Western Europe and its most important trading partner the People's Republic of China Inspired by the economic and political significance of Sino European relations this book shows how the China policies of the three biggest states of Western Europe Britain France and the Federal Republic of Germany helped China reintegrate into the international community in the 1970s Against the background of the Cold War the end of Maoism and the emergence of globalization the governments in Bonn Paris and London had to find ways of dealing with Europe's declining influence and promote their own national interests in Asia Based on newly declassified government files readers will find such sources invaluable in understanding the argument that despite pursuing very different policies the three governments supported a rapid expansion

of peaceful exchange between the People's Republic and Europe and substantially contributed to the success of Beijing's reform policy

A Modern History of Hong Kong Steve Tsang, 2007-07-30 This major history of Hong Kong tells the remarkable story of how a cluster of remote fishing villages grew into an icon of capitalism. The story began in 1842 with the founding of the Crown Colony after the First Anglo-Chinese war, the original Opium War. As premier power in Europe and an expansionist empire, Britain first created in Hong Kong a major naval station and the principal base to open the Celestial Chinese Empire to trade. Working in parallel with the locals, the British built it up to become a focus for investment in the region and an international centre with global shipping, banking, and financial interests. Yet by far the most momentous change in the history of this prosperous capitalist colony was its return in 1997 to Mother China, the most powerful Communist state in the world.

The Origins of the Korean War Peter Lowe, 2014-07-30 The impressive Second Edition of this standard study incorporates important new evidence on the origins of the war from Chinese and Russian archives. It reveals that Stalin encouraged the attack on South Korea but also confirms that the original initiative came from North Korea. Peter Lowe has also written an extended conclusion with a discussion of the Koreas in the late 1990s and the challenges involved in securing their reunification.

Profits, Politics and Panics Leo Goodstadt, 2007-10-01 Goodstadt brilliantly weaves a tapestry that resolves major puzzles about Hong Kong's growth as an international financial centre during this pivotal fifty-year period. This is a devastating expose of the consequences of the British colonial government's failure to effectively regulate banking and manage monetary policy. David Meyer, Washington University, St. Louis. Leo F. Goodstadt is adjunct professor in the School of Business Studies at Trinity College, University of Dublin. He was formerly deputy editor of the *Far Eastern Economic Review*.

The 70's Biweekly Lu Pan, 2023-06-21 Taking *The 70's Biweekly*, an independent youth publication in the 1970s Hong Kong, as the main thread, this edited volume investigates an unexplored trajectory of Hong Kong's cultural and art production in the 1970s that represents the making of a dissent space by independent press and activist groups in the city. *The 70's Biweekly* stands out from many other independent magazines with its unique blending of radical political theories, social activism, avant-garde art, and local art and literature creations. By taking the magazine as a nodal point of social and cultural activism from and around which actions, debates, community, and artistic practices are formed and generated, this book fills gaps in studies on how young Hong Kong cultural producers carved out an alternative creative and political space to speak against established authorities. Split into three parts, this book provides readers with a panoramic view of the political and cultural activism in Hong Kong during the 1970s, writings on art and film, and crucially interviews with former founders and contributors that reflect on how their participation led them to engage ideologically with their activism and community that extended far beyond the temporal and physical bounds of the magazine. This unique collection represents a very valuable addition to the cultural history of the 1970s in Hong Kong and globally. While the journal *70's Biweekly* serves as a connecting thread, the volume in fact has broad ramifications, documenting the political, intellectual

and cultural struggles of the anticolonial and incipient democracy movement in Hong Kong Sebastian Veg *cole des hautes tudes en sciences sociales* The 70 s Biweekly was significant and impactful in Hong Kong in the early 1970s It was an influential cultural and political platform during the early stage of the development of social movements in the colony An attempt to examine the publication and its wider impacts will further enrich the body of literature on Hong Kong society and culture Lui Tai lok The Education University of Hong Kong

Southeast Asia and the Great Powers Nicholas Tarling, 2013-06-17 The success of regionalism in Southeast Asia depends on the attitudes of the states within the region but also on the attitude of those outside it This book is an erudite and stimulating study on the latter Placing these states in a long term historical context Tarling brings out the way in which the rivalries of those powers within the region and outside it have affected the states within the region He also shows how divisions within the region and within states in the region offered invitations and opportunities for intervention from outside and so perhaps gave Southeast Asia an importance in international relations it would not otherwise have had Regional leaders appear in recent decades to have recognised what may be construed as one of the lessons of history if Southeast Asia can provide security for the Straits route and stable conditions for trade and investment it might enjoy both peace and a measure of prosperity Southeast Asia and the Great Powers is an important read for students and scholars of the history and international relations of Southeast Asia *Uneasy Partners* Leo F. Goodstadt, 2005-01-01 Challenging the wisdom about the way capitalism and colonialism joined forces to transform Hong Kong into one of the world s great cities this book deploys case studies of the clash of interests between alien colonials and their Chinese constituents and the conflict between a pro business government and its political and social responsibilities

Britain in China Robert Bickers, 2017-03-01 This is a study of Britain s presence in China both at its peak and during its inter war dissolution in the face of assertive Chinese nationalism and declining British diplomatic support Using archival materials from China and records in Britain and the United States the author paints a portrait of the traders missionaries businessmen diplomats and settlers who constituted Britain in China challenging our understanding of British imperialism there Bickers argues that the British presence in China was dominated by urban settlers whose primary allegiance lay not with any grand imperial design but with their own communities and precarious livelihoods This brought them into conflict not only with the Chinese population but with the British imperial government The book also analyzes the formation and maintenance of settler identities and then investigates how the British state and its allies brought an end to the reign of freelance settler imperialism on the China coast At the same time other British sectors missionary and business renegotiated their own relationship with their Chinese markets and the Chinese state and distanced themselves from the settler British

Britain, Southeast Asia and the Onset of the Cold War, 1945-1950 Nicholas Tarling, 1998-10-13 This detailed study throws light on the evolution of British policy in South east Asia in the turbulent post war period Through extensive archival research and insightful analysis of the British mindset and official policy Tarling demonstrates that South

east Asia was perceived as a region consisting of mutually co operating new states rather than a fragmented mass The book covers the immediate post war period until the Colombo plan and the outbreak of hostilities in Korea A companion volume to Tarling s Britain Southeast Asia and the Onset of the Pacific War it finds parallels between Britain s approach to the threat of Japan and its approach to the threat of communism It also shows that the British sought to shape US involvement in part by involving other Commonwealth countries especially India This is a major contribution to the diplomatic and political history of South east Asia

The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance Dieter Heinzig, 2015-06-18 Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China s relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China s relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions

The Secret War for China Panagiotis Dimitrakis, 2017-09-22 In 1927 Chiang Kai shek the head of China s military academy and leader of the Kuomintang KMT began the northern expeditions to bring China s northern territories back under the control of the state It was during this period that the KMT purged communist activities fractured the army and sparked the Chinese Civil War which would rage for over twenty years The communists led by General Mao Tse Tsung were for much of the period forced underground and concentrated in the Chinese countryside As the author argues this resulted in China s war featuring unusually high levels of espionage and sabotage and increased the military importance of information gathering Based on newly declassified material Panagiotis Dimitrakis charts the double crossings secret meetings and bloody assassinations which would come to define China s future Uniquely The Secret War for China gives equal weighting to the role of foreign actors the role of British intelligence in unmasking Communist International Comintern agents in China for example and the allies attempts to turn nationalist China against the Japanese The Secret War for China also documents the clandestine confrontation between Mao and Chiang and the secret negotiations between Chiang and the Axis Powers whose forces he employed against the CCP once the Second World War was over In his turn Mao employed nationalist forces who had defected during the last three years of the civil war about 105 out of 869 KMT generals defected to the CCP This book is an

urgent and necessary guide to the intricacies of the Chinese Civil War a war which decisively shaped the modern Asian world

Confronting Communism Scott Kaufman, 2001 **British Diplomacy and the Iranian Revolution, 1978-1981**

Luman Ali, 2018-07-19 This book investigates how British diplomats in Tehran and London reacted to the overthrow of the Shah and the creation of an Islamic Republic in Iran which had previously been a major political and commercial partner for London in the Middle East Making substantial use of recently declassified archival material the book explores the role of a significant diplomatic institution the resident embassy and the impact of revolutions on diplomatic relations It evaluates the performance of those charged with British diplomacy during the Iranian Revolution as Britain's position fell from favour under the post revolutionary regime Examining the views of key diplomatic personnel at the Foreign and Commonwealth Office and British ministers this study seeks to explain how British policy towards Iran was shaped and the means of diplomacy employed In charting the evolution of Britain's diplomatic relationship with Iran during this period a number of factors are considered including historical experience geography economics world politics and domestic concerns It also highlights the impact of events within the Iranian domestic political scene which were beyond London's control but which shaped British policy significantly

The British Governments China Policy 19451950 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The British Governments China Policy 19451950 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The British Governments China Policy 19451950 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The British Governments China Policy 19451950 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The British Governments China Policy 19451950 Books

1. Where can I buy The British Governments China Policy 19451950 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The British Governments China Policy 19451950 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
