The British Toy Business A History Since 1700:

The British Toy Business Kenneth D. Brown, 1996-01-01 At its height British toymaking was a significant industry with famous names such as Britains and Meccano known throughout the world While in essence a specialised form of small scale engineering its products and market have always been unique reflecting the current priorities of both parents and children Yet while individual toys and marques have been catalogued extensively no previous history of toymaking as a whole exists The British Toy Business provides a fascinating example of the development of a specific industry Many early early toys were home made From the eighteenth century with its growing recognition of children as something other than small adults date the beginnings of specialised toys usually produced by small workshops and sold by street sellers The nineteenth century with its industrial growth and middle class prosperity saw an expansion of toymaking The 1960s and 1970s were the most successful years of British toymaking with companies like Lesney making record profits Yet British toy makers failed to solve a number of fundamental problems Following an unexpected sudden downturn in sales at a time of high interest rates the major names in British toy making Lesney Airfix Mettoy and Dunbee Combex Marx all collapsed between 1979 and 1985 leaving the business to be dominated largely by importers

A History of Tri-ang and Lines Brothers Ltd Kenneth D. Brown, 2022-04-06 The toy industry and its close relationship with children s artefacts and equipment made a huge contribution British ascendancy in light industry after decline of heavy industry Light industry was a pivotal theme in British economic history and toy making and sales in international markets was a vital ingredient in Britain s reputation as the workshop of the world It flourished from the Great Exhibition of 1951 in competition with German and French toy industries through the 20th century and the great depression of 1929 to postwar commercial ascendancy in consumer goods Decline began in face of US and Asian competition and with Britain s post war economic

problems and the nature of family business contributed with the passing of generations and loss of drive and tenacity It is a family business story of the Lines Brothers Ltd the world s largest manufacturer of children s toys with the household name of Triang with model railways Minic and Spot on toy cars soft toys 1918 29 Pedigree prams dolls houses Cindy dolls It is a serious economic industrial and business history full of personality and rivalry from supreme Victorian entrepreneurship to modern international decline but a social and cultural story intimately linked history of childhood Britain and Japan

Kenneth D. Brown,1998-03-15 A Familiar Compound Ghost explores the relationship between allusion and the uncanny in literature An unexpected echo or quotation in a new text can be compared to the sudden appearance of a ghost or mysterious double the reanimation of a corpse or the discovery of an ancient ruin hidden in a modern city In this scholarly and suggestive study Brown identifies moments where this affinity between allusion and the uncanny is used by writers to generate a particular textual charge where uncanny elements are used to flag patterns of allusion and to point to the haunting presence of an earlier work A Familiar Compound Ghost traces the subtle patterns of connection between texts centuries even millennia apart from Greek tragedy and Latin epic through the plays of Shakespeare and the Victorian novel to contemporary film fiction and poetry Each chapter takes a different uncanny motif as its focus doubles ruins reanimation ghosts and journeys to the underworld **A Million Little Bricks** Sarah Herman,2012-11-13 Toy of the Year Toy of the Century Greatest Toy of All Time there aren t many titles that haven t been bestowed on LEGO toys and it s not hard to see why From its inception in the early 1930s right up until today the LEGO Group s history is as colorful as the toys it makes Few other playthings share the LEGO brand s creative spirit educative benefits resilience quality and universal appeal The LEGO name is now synonymous with playtime but it wasn t always so This history charts the birth of the LEGO Group in the workshop of a Danish carpenter and its steady growth as a small family run toy manufacturer to its current position as a market leading award winning brand The company s ever increasing catalogof products including the earliest wooden toys plastic bricks play themes and other building systems such as DUPLO Technic and MINDSTORMS are chronicled in detail alongside the manufacturing process LEGOLAND parks licensed toys and computer games Learn all about how LEGO pulled itself out of an economic crisis and embraced technology to make building blocks relevant to twenty first century children and discover the vibrant fan community of kids and adults whose conventions websites and artwork keep the LEGO spirit alive As nostalgic as it is contemporary A Million Little Bricks will have you reminiscing about old Classic Space sets rummaging through the attic for forgotten Minifigure friends and playing with whatever LEGO bricks you can get your hands on even if it means sharing with your kids **Darts in England, 1900-39** Patrick Chaplin,2018-09-30 Drawing on an eclectic range of primary and secondary sources Chaplin examines the development of darts in the context of English society in the early twentieth century He reveals how darts was transformed during the interwar years to become one of the most popular recreations in England not just amongst working class men and to a lesser extent working class women but even to

some extent among the middle and upper classes This book assesses the social economic and cultural forces behind this transformation This work also considers the growth of the darts manufacturing industry and assesses the overall effect the growing popularity of darts had on interwar society and popular culture with particular reference to the changing culture and form of the English public house This original study will be of interest to sports historians social historians business historians sociologists and sports scientists *Adventures in Childhood: Volume 60* Jose Bellido,Kathy Bowrey,2022-07-14

Adventures in Childhood connects modern intellectual property law and practice with a history of consumption Structured in a loosely chronological order the book begins with the creation of a children s literature market a Christmas market and moves through character merchandising syndicated newspaper strips film television and cross industry relations finishing in the 1970s by which time professional identities and legal practices had stabilized By focusing on the rise of child targeted commercial activities the book is able to reflect on how and why intellectual property rights became a defining feature of 20th century culture Chapters trace the commercial empires that grew around Alice in Wonderland Peter Rabbit Meccano Felix the Cat Mickey Mouse Peter Pan Eagle Magazine Davy Crockett Mr Men Dr Who The Magic Roundabout and The Wombles to show how modern intellectual property merchandising was plagued with legal and moral questions that exposed the tension between exploitation and innocence *Landmark Cases in Intellectual Property Law* Jose Bellido,2017-09-07

This volume explores the nature of intellectual property law by looking at particular disputes All the cases gathered here aim to show the versatile and unstable character of a discipline still searching for landmarks Each contribution offers an opportunity to raise questions about the narratives that have shaped the discipline throughout its short but profound history The volume begins by revisiting patent litigation to consider the impact of the Statute of Monopolies 1624 It continues looking at different controversies to describe how the existence of an author s right in literary property was a plausible basis for legal argument even though no statute expressly mentioned authors rights before the Statute of Anne 1710 The collection also explores different moments of historical significance for intellectual property law the first trade mark injunctions the difficulties the law faced when protecting maps and the origins of originality in copyright law Similarly it considers the different ways of interpreting patent claims in the late nineteenth and twentieth century the impact of seminal cases on passing off and the law of confidentiality and more generally the construction of intellectual property law and its branches in their interaction with new technologies and marketing developments It is essential reading for anyone interested in the development of intellectual property law *Oxford Dictionary of National Biography 2005-2008* Lawrence Goldman,2013-03-07

Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped national life Following on from the Oxford DNB s first supplement volume noteworthy people who died between 2001 and 2004 this new volume offers biographies of more than 850 men and women who left their mark on twentieth and twenty first century Britain and who died in the years

2005 to 2008 Here are the people responsible for major developments in national life from politics the arts business technology and law to military service sport education science and medicine Many are closely connected to specific periods in Britain's recent history From the 1950s the young Harold Pinter or the Yorkshire cricketer Fred Trueman for example From the Sixties the footballer George Best photographer Patrick Lichfield and the Pink Floyd musician Syd Barrett It's hard to look back to the 1970s without thinking of Edward Heath and James Callaghan who led the country for seven years in that turbulent decade or similarly Freddie Laker pioneer of budget air travel and the comedians Ronnie Barker and Dave Allen who entertained with their sketch shows and sit-coms A decade later you probably browsed in Anita Roddick's Body Shop or danced to the music of Factory Records established by the Manchester entrepreneur Tony Wilson In the 1990s you may have hoped that Things can only get better with a New Labour government which included Robin Cook and Mo Mowlam Many in this volume are remembered for lives dedicated to a profession or cause Bill Deedes or Conor Cruise O'Brien in journalism Ned Sherrin in broadcasting or indeed Ted Heath whose political career spanned more than 50 years Others were responsible for discoveries or innovations of lasting legacy and benefit among them the epidemiologist Richard Doll who made the link between smoking and lung cancer Cicely Saunders creator of the hospice movement and Chad Varah founder of the Samaritans With John Profumo who gave his name to a scandal policeman Malcolm Fewtrell who investigated the Great Train Robbery or the Russian dissident Aleksandr Litvinenko who was killed in London in 2006 we have individuals best known for specific moments in our recent past Others are synonymous with popular objects and experiences evocative of recent decades Mastermind with Magnus Magnusson the PG Tips chimpanzees trained by Molly Badham John DeLorean's gull wing car or the new British Library designed by Colin St John Wilson though as rounded and balanced accounts Oxford DNB biographies also set these events in the wider context of a person's life story Authoritative and accessible the biographies in this volume are written by specialist authors many of them leading figures in their field Here you will find Michael Billington on Harold Pinter Michael Crick on George Best Richard Davenport Hines on Anita Roddick Brenda Hale on Rose Heilbron Roy Hattersley on James Callaghan Simon Heffer on John Profumo Douglas Hurd on Edward Heath Alex Jennings on Paul Scofield Hermione Lee on Pat Kavanagh Geoffrey Wheatcroft on Conor Cruise O'Brien and Peregrine Worsthorne on Bill Deedes Many in this volume are naturally household names But a good number are also remembered for lives away from the headlines What in the 1980s became Thatcherism owed much to behind the scenes advice from Ralph Harris and Alfred Sherman children who learned to read with Ladybird Books must thank their creator Douglas Keen while without its first producer Verity Lambert there would have been no Doctor Who Others are ordinary people capable of remarkable acts Take for instance Arthur Bywater who over two days in 1944 cleared thousands of bombs from a Liverpool munitions factory following an explosion only to do the same months later in another factory Awarded the George Cross and the George Medal Bywater remains the only non-combatant to have received Britain's two highest awards for civilian

bravery **Toys** Stewart Ross,2002 History of toys and play Key words are highlighted How we know how things were in the past 5 7 yrs Labour-Intensive Industrialization in Global History Gareth Austin,Kaoru Sugihara,2013-09-13 The prevailing view of industrialization has focussed on technology capital entrepreneurship and the institutions that enabled them to be deployed Labour was often equated with other factors of production and assigned a relatively passive role Yet it was labour absorption and the improvement of the quality of labour over the course of several centuries that underscored the timing pace and quality of global industrialization While science and technology developed in the West and whereas the use of fossil fuels especially coal and oil were vital to this process the more recent history has been underpinned by the development of comparatively resource and energy saving technology without which the diffusion of industrialization would not have been possible The labour intensive resource saving path which emerged in East Asia under the influence of Western technology and institutions and is diffusing across the world suggests the most realistic route humans could take for a further diffusion of industrialization which might respond to the rising expectations of living standards without catastrophic environmental degradation *Hello Girls & Boys!* David Veart,2015-02-01 Toys are fun but they are also serious business as David Veart makes clear in this remarkable story of New Zealanders and their toys from Maori voyagers to 21st century gamers Deploying the tools of archaeology and oral history Veart digs through a few centuries of pocket knives and plasticine to take us deep into the childhoods of Aotearoa His story explores how people made their fun on the far side of the ocean the Maori and Pakeha learned knucklebones from each other young Aucklanders established the largest Meccano club in the world and Fun Ho Torro Lincoln International and Luvme helped to build a successful local toy industry under the shade of import protection Hello Girls Boys covers the crazes and collecting playtimes and preoccupations of big and little New Zealand kids for generations With its memories of knucklebones and double happys golliwogs and tin canoes marbles and Meccano Tonka trucks and Buzzy Bees this is a seriously fun New Zealand toy story *Labour and working-class lives* Keith Laybourn,John Shepherd,2017-04-30 British labour history has been one of the dominating areas of historical research in the last sixty years and this book written in honour of Professor Chris Wrigley offers a collection of essays written by leading British labour historians of that subject including Ken Brown Malcolm Chase and Matthew Worley It focuses upon trade unionism the co operative movement the rise and fall of the Labour Party and working class lives comparing British labour movements with those in Germany and examining the social and political labour activities of the Lansburys There is indeed some important work connected with the cultural developments of the British labour movement most obviously in the essay written by Matthew Worley on communism and Punk Rock Sport's Relationship with Other Leisure Industries Benjamin Litherland,Dion Georgiou,2017-01-12 This innovative and timely volume of essays critically interrogates the shared histories between sport and a variety of leisure entertainment and cultural pursuits Sport s Relationship with Other Leisure Industries Historical Perspectives spans the bowling greens of early modern England to the postmodern exhibition halls of

contemporary Las Vegas and considers examples from Europe North America and India Utilizing a range of historical methods and sources they describe how sport has interacted with a broad range of leisure forms including tourism shopping theatre circus carnival and film The collection takes into account the economic cultural geographic and political interactions sport has forged and poses a series of questions about how sport has been forged in contemporary consumer capitalism about the manner in which it has been shaped by space and place and the ways in which entrepreneurs sportspeople and artists have represented sporting competition The collection will help both students and scholars conceptualise sporting networks and will be of interest to those working in multiple fields This book was previously published as a special issue of Sport in History

Christmas and the British: A Modern History Martin Johnes, 2016-10-06 The modern Christmas was made by the Victorians and rooted in their belief in commerce family and religion Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence shifting family structures greater expectations of happiness and material comfort technological developments and falling religious belief Christmas became a battleground for arguments over consumerism holiday entitlements social obligations communal behaviour and the influence of church state and media Even in private it encouraged reflection on social change and the march of time Amongst those unhappy at the state of the world or their own lives Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar Christmas was one of British culture's emotional high points Moreover it was also a testimony to the enduring importance of family shared values and a common culture in the UK Martin Johnes shows how Christmas and its traditions have been lived adapted and thought about in Britain since 1914 Christmas and the British is about the festival's social cultural and economic functions and its often forgotten status as both the most unusual and important day of the year
