**LOST, FOUND, AND REMEMBERED
1935-1975**

Stephen M. Santor & Martin A. Jackson

The Bronx Lost Found And Remembered 19351975

Matthew Goodman

The Bronx Lost Found And Remembered 19351975:

Lost Boys of the Bronx James Hannon, 2010-08-10 Richard Price Academy Award nominated screenwriter and mainstream author of *The Wanderers* says I read through *Lost Boys of the Bronx* in one sitting It was GREAT Straight from the streets of the mid 1960s Bronx comes a book about one of the borough's most feared gangs The Ducky Boys While their unusual name alone might contradict their reputation in the Norwood Bainbridge section of the Bronx their appearances provoked an ominous dread So much so that when Richard Price needed inspiration for a terrifying gang in his novel and later movie *The Wanderers* he knew exactly which gang to choose *Lost Boys of the Bronx* tells the story of the Ducky Boys in their own words It is a story of how a few pre teen kids in the Botanical Gardens turned into a gang of hundreds and a gang so alarming that rumors of their arrival would shut down local schools This is also a study of the mostly Irish Bronx neighborhood in which the Ducky Boys were born and where so many of the Ducky kids got caught up in the tumultuous times of the 60s where their fierce loyalty was the only thing that got them through This is not your typical gang book It neither praises nor demonizes the gang for the things they did but rather simply reports what happened warts and all You'll see the truth behind the Ducky Boys gang their lives their loves their pranks and crimes and so much more To borrow from a particular product's slogan with a name like the Ducky Boys you knew they HAD to be tough **The Bronx** Stephen M. Samtur, Martin A. Jackson, 1999

The City Game Matthew Goodman, 2021-03-02 The powerful story of a college basketball team who carried an era's brightest hopes racial harmony social mobility and the triumph of the underdog but whose success was soon followed by a shocking downfall A masterpiece of American storytelling Gilbert King Pulitzer Prize winning author of *Devil in the Grove* NAMED ONE OF THE BEST SPORTS BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW The unlikeliest of champions the 1949-50 City College Beavers were extraordinary by every measure New York's City College was a tuition free merit based college in Harlem known far more for its intellectual achievements and political radicalism than its athletic prowess Only two years after Jackie Robinson broke the Major League Baseball color barrier and at a time when the National Basketball Association was still segregated every single member of the Beavers was either Jewish or African American But during that remarkable season under the guidance of the legendary former player Nat Holman this unheralded group of city kids would stun the basketball world by becoming the only team in history to win the NIT and NCAA tournaments in the same year This team though proved to be extraordinary in another way During the following season all of the team's starting five were arrested by New York City detectives charged with conspiring with gamblers to shave points Almost overnight these beloved heroes turned into fallen idols The story centers on two teammates and close friends Eddie Roman and Floyd Layne one white one black each caught up in the scandal each searching for a path to personal redemption Though banned from the NBA Layne continued to devote himself to basketball teaching the game to young people in his Bronx neighborhood and ultimately with Roman's help finding another kind of triumph one that no one could have anticipated Drawing on interviews

with the surviving members of that championship team Matthew Goodman has created an indelible portrait of an era of smoke filled arenas and Borscht Belt hotels when college basketball was far more popular than the professional game It was a time when gangsters controlled illegal sports betting the police were on their payroll and everyone it seemed was getting rich except for the young men who actually played the games Tautly paced and rich with period detail *The City Game* tells a story both dramatic and poignant of political corruption duplicity in big time college sports and the deeper meaning of athletic success *Savoring Gotham* ,2015-11-11 When it comes to food there has never been another city quite like New York The Big Apple a telling nickname is the city of 50 000 eateries of fish wriggling in Chinatown baskets huge pastrami sandwiches on rye fizzy egg creams and frosted black and whites It is home to possibly the densest concentration of ethnic and regional food establishments in the world from German and Jewish delis to Greek diners Brazilian steakhouses Puerto Rican and Dominican bodegas halal food carts Irish pubs Little Italy and two Koreatowns Flushing and Manhattan This is the city where if you choose to have Thai for dinner you might also choose exactly which region of Thailand you wish to dine in *Savoring Gotham* weaves the full tapestry of the city s rich gastronomy in nearly 570 accessible informative A to Z entries Written by nearly 180 of the most notable food experts most of them New Yorkers *Savoring Gotham* addresses the food people places and institutions that have made New York cuisine so wildly diverse and immensely appealing Reach only a little ways back into the city s ever changing culinary kaleidoscope and discover automats the precursor to fast food restaurants where diners in a hurry dropped nickels into slots to unlock their premade meal of choice Or travel to the nineteenth century when oysters cost a few cents and were pulled by the bucketful from the Hudson River Back then the city was one of the major centers of sugar refining and of brewing too 48 breweries once existed in Brooklyn alone accounting for roughly 10% of all the beer brewed in the United States Travel further back still and learn of the Native Americans who arrived in the area 5 000 years before New York was New York and who planted the maize squash and beans that European and other settlers to the New World embraced centuries later *Savoring Gotham* covers New York s culinary history but also some of the most recognizable restaurants eateries and culinary personalities today And it delves into more esoteric culinary realities such as urban farming beekeeping the Three Martini Lunch and the Power Lunch and novels movies and paintings that memorably depict Gotham s foodscapes From hot dog stands to haute cuisine each borough is represented A foreword by Brooklyn Brewery Brewmaster Garrett Oliver and an extensive bibliography round out this sweeping new collection **New York Sports** Stephen Norwood,2018-06-01 New York has long been both America s leading cultural center and its sports capital with far more championship teams intracity World Series and major prizefights than any other city Pro football s Greatest Game Ever Played took place in New York along with what was arguably history s most significant boxing match the 1938 title bout between Joe Louis and Max Schmeling As the nation s most crowded city basketball proved to be an ideal sport and for many years it was the site of the country s most prestigious college basketball tournament New York boasts storied

stadiums arenas and gymnasiums and is the home of one of the world's two leading marathons as well as the Belmont Stakes the third event in horse racing's Triple Crown New York sportswriters also wield national influence and have done much to connect sports to larger social and cultural issues and the vitality and distinctiveness of New York's street games its ethnic institutions and its sports centered restaurants and drinking establishments all contribute to the city's uniqueness New York Sports collects the work of fourteen leading sport historians providing new insight into the social and cultural history of America's major metropolis and of the United States These writers address the topics of changing conceptions of manhood and violence leisure and social class urban night life and entertainment women and athletics ethnicity and assimilation and more

Graysen Cooper Robin Rance, 2017-10-20 Graysen Cooper Warning may contain triggers For Elizabeth the uncertainty of Frank's changing moods was constant I did love my husband once upon a time before he started drinking more before Frankie was born Before I wasn't enough We lived paycheck to paycheck and more often than not our tabs went unpaid while Frank gambled the money away or spent it on the whores Eventually that became preferable to him being home And it meant I didn't have to suffer through his abuse name calling and anger Why wasn't my husband as compassionate as the man who lived above me Graysen's career was his life until he met his new neighbor What was it about my new neighbor that piqued my interest Was it her lovely face gentle nature or the way her blush covered her cheeks with soft color when she noticed my interest Elizabeth was a married woman It was best that I forget all about her and concentrate on my work That was easier said than done Once I heard her cries at night and saw the bruises her husband left on her pale skin I wanted to kill the man Especially after I coaxed her into my arms and held her trembling warm body

Urban Mythologies John Alan Farmer, 1999 **Journal of American Culture**, 1999 American Book Publishing Record, 1999 **Ciudades**

obesogénicas y mujeres vulnerables: salud urbana y exclusión socioespacial en South Bronx, La Courneuve y

Lomas del Sur Carlos Ríos Llamas, 2018-10-05 La obesidad es una de las enfermedades que causan mayor preocupación a nivel mundial Esta obra analiza cómo afecta a mujeres adultas de medios socioeconómicos precarios en South Bronx New York La Courneuve París y Lomas del Sur Guadalajara Al contrastar las políticas públicas antiobesidad a través de un abordaje socioespacial con las formas de alimentarse y de habitar se comprueba la existencia de tensiones que van de lo sanitario a lo policial
