lives through the lens of modern day incarnations of uniformed youth movements It focuses on the socialising ritual and
customary practices of present day grass roots Scout and Guide groups asking how Britain's largest and best known

and gesture story and song dress and physical artifacts The author shows that these practices exist against a backdrop of
culturally constructed beliefs about what constitutes the good child and good childhood in twenty first century Britain with in
movement practices intended to help children develop positively and prepare for social life The book draws on case study
accounts of group performances incorporating the voices of children and adults reflecting on their practices and experiences
