## **The Buddha And His Dhamma:**

*The Buddha and His Dhamma* B.R. Ambedkar, 2011-01-11 *The Buddha and His Dhamma* was B R Ambedkar's last work. Published posthumously, it presented a radical reorientation of Buddhist thought and literature aptly called *navayana*. It deals with Ambedkar's conceptualization of Buddhism and the possibilities it offered for liberation and upliftment of the Dalits. It presents his reflections on the life of the Buddha, his teachings, and the spread of Buddhism by interweaving anecdotes with detailed analyses of the religion's basic tenets. The author also includes important elements of the Buddhist canon and tradition to make the teachings more accessible. In the first critical and annotated edition of this work, the editors address the ongoing debate on Ambedkar's interpretation of the Buddha's dhamma by focusing on the accuracy of his citations and providing missing sources. They also discuss Ambedkar's modification of source materials. The introduction contextualizes the scholarly work related to the text.

**Buddha and His Dhamma** Dr. B. R. Ambedkar, 2025-02-17 *Buddha and His Dhamma* by Dr B R Ambedkar is a profound exploration of the life and teachings of the Buddha presented with a unique perspective that seeks to clarify and systematize the core principles of Buddhism. Ambedkar's work is not just a biography or a religious text; it's a critical examination of Buddhism as a rational and ethical system distinct from the prevailing religious and philosophical traditions of its time. The book is divided into eight major sections that delve into the life of Siddhartha

Gautama, his journey to enlightenment, his teachings, the establishment of the Sangha (monastic community), and the core tenets of his Dhamma.

**The Buddha and His Dhamma** B. R. Ambedkar, 2021-06-04 *The Buddha and His Dhamma* was first published in 1957 in the year following Ambedkar's death on 6 December 1956. Written in English, the book has been translated to many languages including Hindi, Gujarati, Telugu, Tamil, Marathi, Malayalam, and Kannada. It was republished in 1979 as the eleventh volume of Ambedkar's collected writings and speeches with a list of sources and an index. B R Ambedkar mentioned that it is one of the three books which he believed to form a set for the proper understanding of Buddhism. This book presents a scholarly edition of one of the greatest works on Buddhist writings. Ambedkar's *The Buddha and His Dhamma* was published posthumously without citations, bibliographies, and other scholarly apparatus. This present edition is scrupulously annotated with inclusions of references to the Buddhist scripture and other texts which have served as references for Ambedkar. It also includes explanations of those scriptures, comments on Ambedkar's interpretations, and modifications of his sources. The volume deals with Ambedkar's interpretation of the concepts of Buddhism and the possibilities the religion offered for the liberation and upliftment of the Dalits. It offers Ambedkar's reflections and interpretations on the life of Siddhartha Gautama, the Buddha, his teachings, and the proliferation of Buddhism in India through a series of anecdotes and narratives that detail the life of Buddha and the spread of his Dhamma. The book also provides detailed analysis of the basic tenets, canons, and tradition of the Dhamma. It also addressed the unresolved dispute over Ambedkar's interpretation of the Buddha's dhamma by examining the accuracy and correctness of his citations and by

providing sources not included in his citations and references It also considers the modifications made by Ambedkar on his sources of materials
