Buddha and His Dhamma Bhikkhu Bodhi,2001-02-26 The first part explores the Buddha s mission the second his doctrine and path *The Thousand and One Lives of the Buddha* Bernard Faure,2022-08-31 Praise for the French edition This is a book that should be read by all those who are interested whether near or far in Buddhism its history and its interpretations Faure proposes considering the Life of the Buddha as a kind of treasure that never ceases to be reinvented and experienced from story to story from language to language from culture to culture Roger Pol Droit Le Monde Many biographies of the Buddha have been published in the last 150 years and all claim to describe the authentic life of the historical Buddha This book written by one of the leading scholars of Buddhism and Japanese religion starts from the opposite assumption and argues that we do not yet possess the archival and archaeological materials required to compose such a biography All we have are narratives not facts Yet traditional biographies have neglected the literary mythological and ritual elements in the life of the Buddha Bernard Faure aims to bridge this gap and shed light on a Buddha that is not historical but has constituted a paradigm of practice and been an object of faith for 2 500 years *The Thousand and One Lives of the Buddha* opens with a criticism of the prevalent historicism before examining the mythological elements in a life of the Buddha no longer constrained by an artificial biographical framework Once the search for the historical Buddha is abandoned there is no longer any need to limit the narrative to early Indian stories The life or lives of the Buddha as an expression of the creative imaginations of Buddhists developed beyond India over the centuries Faure accordingly shifts his focus to East Asia and more particularly to Japan Finally he examines recent developments of the Buddha s life in not only Asia but also the modern West and neglected literary genres such as science fiction Journal and Proceedings Royal Asiatic Society of Bengal,1895
