Standard English Prose Henry Spackman Pancoast, 1903

Historical Sketches Blessed John Henry Newman, Aeterna Press, The following sketch of Turkish history was the substance of Lectures delivered in the Catholic Institute of Liverpool during October 1853 It may be necessary for its author to state at once in order to prevent disappointment that he only professes in the course of it to have brought together in one materials which are to be found in any ordinarily furnished library Not intending it in the first instance for publication but to answer a temporary purpose he has in drawing it up sometimes borrowed words and phrases to save himself trouble from the authorities whom he has consulted and this must be taken as his excuse if any want of keeping is discernible in the composition He has attempted nothing more than to group old facts in his own way and he trusts that his defective acquaintance with historical works and travels and the unreality of book knowledge altogether in questions of fact have not exposed him to superficial generalizations Aeterna Press

EXPOSTULATION A LETTER ADDRESSED TO THE REV E B PUSEY ON OCCASION OF HIS EIRENICON PUBLISHER AETERNA PRESS *Apologist (The Fathers of the Church, Volume 73)* Saint John Chrysostom, John Chrysostom, 2010-04

Apologist is the English translation of two of Chrysostom's treatises written about 378 and 382 aimed at provoking the divinity of Jesus Christ **The Greater Roman Historians** Max Ludwig Wolfram Laistner, 1947 This little volume discusses not only the greater Roman historians but also their background including the Hellenistic background Thus it has become a general account of Roman historiography approaching it both as literature and as history *The Divine Institutes, Books I-VII (The Fathers of the Church, Volume 49)* Lactantius, 2010-04 No description available *Salvation in the New Testament* Jan G. van der Watt, 2005-11-01

Salvation in the New Testament offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas *Salvation* deals with becoming part of the people of God In *Salvation in the New Testament* special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression

City-state and World State in Greek and Roman Political Theory Until Augustus Mason Hammond, 1966 *The Greater Roman Historians* , *Augustine and Modern Law* Richard O. Brooks, 2017-07-05

St Augustine and Roman law are the two bridges from Athens and Jerusalem to the world of modern law Augustine's almost eerily modern political realism was based upon his deep appreciation of human evil arising from his insights into the human personality the product of his reflections on his own life and the history of his times These insights have traveled well through the ages and are mirrored in the pages of Aquinas Luther and Calvin Reinhold Niebuhr and Hannah Arendt The articles in this volume describe the life and world of Augustine and the ways in which he conceived both justice and law They also discuss the little recognized Augustinian contributions to the field of modern hermeneutics the discipline which informs the art of legal interpretation Finally they include Augustine's valuable discussion of church state relations the law of just wars and proper role and limits of coercion and the procreative dimensions of marriage The volume also includes an extremely useful definitive bibliography of Augustine and the law and will leave readers with an increased appreciation of the contributions which Augustine has made to the history of jurisprudence No one can read Augustine and these articles on his view of the law without taking away a new view of the law itself
