The Ministry, Vol. 06, No. 06 Various Authors,2002-06-01 In this issue of The Ministry we include the final eight messages of The Visions of Ezekiel concerning God s Economy given during the 2001 fall term of the Full time Training in Anaheim The book of Ezekiel is composed of four main sections The first

section concerns the vision of the appearance of the Lord's glory. The next section concerns God's judgment both on His disobedient and wayward people and on the nations. The third section concerns the Lord's recovery by life. The first message of this volume deals with the vision of the throne above the clear sky. The highest point in our Christian experience and in our living as Christians in the church life is not simply to have a crystal clear sky. We need to reach the highest point where we see the man on the throne and realize that God's goal is to have many men on the throne with Christ as the God-man. The last message of this series focuses on the last section of Ezekiel on the vision of the holy building of God. Next to God Himself this is perhaps the greatest matter in the Bible because it involves the totality of God's work in His economy through the ages to produce an expression of Himself. Last of all we include a report of the first International Blending Conference in Accra, Ghana, held in March 2002.
